Honesty with God Dan Schaeffer, 2023-08-28 The Psalms are refreshingly honest and they give authentic examples of how to pray In Honesty with God you ll discover the freedom to talk openly with God by uncovering the raw real prayers of the psalmists who expressed every emotion of the heart anxiety anger gratitude delight As you follow in their footsteps you ll pray bold powerful prayers with the assurance of God s unwavering love and the joy and peace of His nearness

Waiting in Christian Traditions Joanne Robinson, 2015-12-17 Christians wait for prayers to be answered for an afterlife in heaven for the Virgin Mary to appear and for God to speak They wait to be liberated from oppression to be saved or born again for Easter morning to dawn for healing for conversion and for baptism Waiting and the disappointment and hope that often accompany it are explained in terms that are at first glance remarkably invariant across Christian traditions what will happen will happen on God s time A study of sources from across Christian traditions shows that there is considerable complexity beneath this surface claim Understandings of free will and personal agency alongside shifts in institutional and theological commitments change the ways waiting is understood and valued Waiting is often considered a positive state to be endured as long as God wills and that fundamental understanding helps keep the promises at the heart of Christianity alive Scholars have long overlooked the problem and promise of waiting despite or perhaps because of its prevalence Indeed there are relatively few mystics few who have undergone sudden conversion and few who have attained saintly status Many however have waited and that problem remains prominent and its solutions remain influential in Christian traditions today

Praying Curses Daniel Nehrbass, 2013-06-21 Public reading of the psalms facilitates corporate worship but it can also create a degree of awkwardness as a number of passages in the Psalter contain curses asking God to avenge enemies The presence of vengeful speech seems antithetical to Jesus Sermon on the Mount What are these psalms really about This book recovers the value of imprecatory speech in Scripture arguing that such passages continue to be relevant today both in preaching and therapy The interpretive model Nehrbass suggests is that of dependence these psalms transfer the burden of one s enemies to God and affirm that it is God s prerogative alone to avenge The authors of the imprecatory psalms were victims of violence so this book looks to contemporary victims of violence for their interpretation and application of these psalms This study is decidedly practical Nehrbass examines the nature of anger and hatred and highlights some of the redemptive aspects of these emotions He concludes that the imprecatory psalms

offer several positive aspects for dealing with hatred Use of these passages fosters in believers a passion for God's reputation and can also aid us in surrendering our problems to God's control *Biblical Commentary on the Psalms* Franz Delitzsch,1871 *Psalms : Volume 2 (Baker Commentary on the Old Testament)* John Goldingay,2007-11-01 Explore the contemporary significance of the Old Testament and hear the Word of God afresh This is the second of a three volume commentary on the Psalms combining literary historical grammatical and theological insight in a widely accessible manner One of today's foremost experts on biblical theology John Goldingay covers Psalms 42-89 with his own translation of each passage followed by interpretive comments and theological implications In addition to paragraph level commentary all volumes of the Baker Commentary on the Old Testament series feature A fresh translation of the Hebrew text Incisive comments based on the author's translation Linguistic historical and canonical insights Concluding reflections Footnotes addressing technical matters Pastors teachers and all serious students of the Bible will find here an accessible commentary that will serve as an excellent resource for their study The book of Psalms is the literary sanctuary a holy place where humans share their joys and struggles with brutal honesty in God's presence writes Tremper Longman III editor of the Baker Commentary on the Old Testament Wisdom and Psalms series **Psalms : Volume 3 (Baker Commentary on the Old Testament Wisdom and Psalms)** John Goldingay,2008-11-01 John Goldingay's three volume commentary on the book of Psalms is now complete with this third volume This work combines literary historical grammatical and theological insights in a widely accessible manner One of today's foremost experts on biblical theology Goldingay covers Psalms 90-150 with his own translation of each passage followed by interpretive comments and discussion of the theological implications The book of Psalms is the literary sanctuary a holy place where humans share their joys and struggles with brutal honesty in God's presence writes Tremper Longman III editor of the Baker Commentary on the Old Testament Wisdom and Psalms series Pastors seminary students scholars and Bible study leaders will enjoy this enriching volume Goldingay's Psalms commentary is also available as a three volume set **Commentary on Psalms** C.
