Nile,2016-03-28 Not your typical shifter romance story Embark on a safari adventure full of surprises steamy scenes and verbal smack downs Madison Bright is on the run from her family from her life in America from herself She's determined to find her own way in life to figure out how she can use the gift she has to help better society She decides to join an anti poaching group called Wild Resist in Zimbabwe and is thrown into a world of smothering heat and deadly betrayal The organization's owners Gamba and Nana welcome her warmly and introduce her to the Tutani brothers They are a part of a family who help Wild Resist from time to time but live as a clan away from the compound Madison volunteers to head out on a patrol immediately eager to prove herself but perhaps more eager to get some alone time with the sexy and mysterious Tashinga Tutani This patrol however turns out to be anything but routine Excerpt It was dark and the only sound was that of the wind whispering through the long grass That didn't last Soon Madison heard the sounds of footsteps across the plains muted as though they didn't want to be heard Human The scene flashed and changed Now she stood in front of a large map of the Hwange National Park She had studied this map in recent months and knew where the village was where the campgrounds were and other important points Suddenly a spot of blood surfaced on the Northwestern corner spreading out as it soaked languidly through the paper The scene changed again She stood on the ground as a massive foot passed overhead An elephant She was amongst a herd of them as they hefted their weight across the grassy landscape They were beautiful Suddenly a cracking shot rang out One of the elephants cried out in agony It sounded almost human Author's Note This is a stand alone story with an HEA so no cliff hangers Story contains mature themes and language and is intended for 18 readers only

*Black Seduction (BBW Paranormal Romance, Shifter Romance)* Gabrielle R. Demonico, Becoming infatuated with hard bodied Lex was the last thing on Marney's mind when she arrived at her vacation destination a few short weeks ago She's been driving herself mad with lust for him safely convinced that he would never have any interest in a curvy girl like her But she is sorely mistaken What she doesn't know is that the black panther shifter has cast a lustful eye on the voluptuous girl since she came to town She soon realizes she's gotten more than she's bargained for with the dark eyed almond skinned hunk His pursuit is relentless focused and unstoppable as an alpha cat's should be It seems as if her presence has unleashed his animal Worst of all it could be too late to put it back in the cage

WARNING This 9 600 word story features graphic scenes of oral sex and alpha male domination All participants in this title are 18 years of age or older An Excerpt from the Book The moment seemed like a fantasy fulfilled She should know Marney had always lived in her dreams it was a comfortable and safe place after all She could never be hurt feel pain or experience loss but neither could she savor the joy of love Now she stood on the precipice of the biggest risk she had ever taken or might ever take He would not wait much longer for her that much was clear His heat was palpable his body on the edge His cat was barely restrained and she could sense the conflict swelling within him If she resisted she would destroy her chance at bliss the likes of which she could have never imagined But if she surrendered to the carnal heat of his animal she wasn't certain her human frailty could handle it Deep inside she knew that there was only one way to find out The only question was that for once in her life did she have the courage for it
