

Welcome...

I am very excited to have your child in my class this year. First grade is considered one of the most important grades in elementary school as much preparation, planning and prayer has gone into getting things ready to ensure we accomplish great things!

This packet will help you better understand the policies and procedures for our first grade classroom. As you know this is a large class and in order to run smoothly and efficiently we will need to work together to maximize our learning time. I hope you know how thankful I am that my students have such great parents to help guide their learning!

About Me...

I was raised in...

My educational desire is that your student will experience a wide range of learning opportunities in my classroom and that through those opportunities they will grow and become excited to be lifelong learners. I want them to experience success and satisfaction as they look at their progress. We also considered about their character development and their emotional growth into people who have compassion and kindness. It's never too early or late to start developing good character traits!
