

**Two kinds of cards included:  
Main Motion prompts (both serious and silly)  
and All Other Motions**

I move to play  
a review game  
before every test

move  
to Amend

I move that

time a teacher  
enters the room

call  
Point of Order

**Printed on durable PVC,  
these cards can be used  
again and again.**

If you want to make any of these activities  
count for a grade here is a suggestion:  
Make participation count – a 70 for making the  
motion, 10 points for discussion (limit 1 or 2),  
and 10 points per extra motion. You can even  
tell students that they can get up to a 120 or  
whatever score you decide. It's easy to keep  
score, just make a spreadsheet with the  
students names on the left and the possible  
motions on top.

**Practicing Main Motions &  
Discussion:** First separate out the main  
motion cards (there are 30 of them) and  
have each student draw a card. They may  
show it to any classmates. The  
teacher can be Chair or you can rotate  
students in that position. Open the  
meeting by asking for further business.  
Students may present their main motion at  
any time. Allow discussion and take a  
quick voice vote.

**2) Practicing Other Motions:**  
separate out the other motion cards  
the main motions (there are 30 of them)  
and have each student draw a card. They  
may not show it to any classmates. It is  
probably best if the teacher or very  
experienced student is the Chair for this  
activity. You may write one or more main  
motions on the board or you can have the  
students have to come up with one as part  
of the activity.

**Includes instructions  
for using the cards in  
class activities and  
even for a grade.**
