

The image features a pair of teal-colored curtains with vertical pleats, tied back at the bottom corners to reveal a central, oval-shaped opening. The background within this opening is a bright, metallic silver with a subtle radial gradient and light reflections, giving it a polished, mirror-like appearance. The title 'Parting the Curtains' is centered within this opening. 'Parting' is in a large, purple, serif font. 'the' is in a smaller, black, cursive script font, positioned between 'Parting' and 'Curtains'. 'Curtains' is in the same large, purple, serif font as 'Parting'.

Parting The Curtains A Womans Handbook Of Sex And Sexuality:

Parting the Curtains Ditza Katz, Ross Lynn Tabisel, 2015-07-21 A practical reader friendly guide with up to date information and a good dose of self respect that will help every woman age 25 and older navigate her sexual journey Whether you use this book as a reference an educational tool or a preventive manual our aim is that it will answer your questions in a way that embraces female sexuality without medicalizing or sensationalizing it This book can also be used by mental health and medical professionals as well as by members of the clergy for counseling individuals and couples grappling with sexual difficulties

Pornography and Sexual Representation Joseph W. Slade, 2001 A three volume reference guide to the available literature concerning pornography and sexual representation in America [Egyptian Gothic](#) Jay

Sullivan, 2025-07-13 The Egyptian Gothic consists of novels and short stories about ancient Egyptian mummies returning to life to seek retribution or romance as well as cursed object tales Now mostly forgotten from the 1880s through to the 1920s it was more popular than the vampire genre This book is the first to examine the genre by using the frequent sensory descriptions within these texts to interrogate attitudes towards Empire Its aims are twofold Firstly it demonstrates that despite their status as disposable popular fiction these texts are rich in sensory discourses that have thus far been unexamined Secondly reading these discourses of touch sight smell sound and taste reveals new and intriguing ways in which Egypt is allowed to strike back against the British Empire The book argues that the Egyptian Gothic does not support the domination of Empire but instead presents a power dynamic in flux with the mummy fighting back against Western occupation Egypt and its artefacts evoke simultaneous feelings of fear and desire where those who meddle by invading tombs or stealing mummies are destroyed by Egyptian revenants

sources for additional consultation *The Cultural Defense of Nations* Liav Orgad, 2015-11-05 The Cultural Defense of Nations presents a timely thought provoking thesis on some of the most pressing issues of our time global immigration majority groups and national identity Never in human history has so much attention been paid to human movement Global migration yields demographic shifts of historical significance profoundly shaking up world politics as has been seen in the refugee crisis the Brexit referendum and the 2016 U S election The Cultural Defense of Nations addresses one of the greatest challenges facing liberalism today is a liberal state justified in restricting immigration and access to citizenship in order to protect its majority culture Liberal theorists and human rights advocates recognize the rights of minorities to maintain their unique cultural identity but assume that majorities have neither a need for similar rights nor a moral ground for defending them The majority culture so the argument goes can take care of itself However with more than 250 million immigrants worldwide majority groups increasingly seek to protect what they consider to be their national identity In recent years liberal democracies have introduced proactive immigration and citizenship policies that are designed to defend the majority culture This book shifts the focus from the prevailing discussion of cultural minority rights and for the first time addresses the cultural rights of majorities It proposes a new approach by which liberal democracies can welcome immigrants without fundamentally changing their cultural heritage forsaking their liberal traditions or slipping into extreme nationalism Disregarding the topic of cultural majority rights is not only theoretically wrong but also politically unwise With forms of majority nationalism rising and the growing popularity of extreme right wing parties in the West time has come to liberally address the new challenge
