Children of a Compassionate God L. John Topel, 2001 Luke 1 6 16 forms the literary context for the Sermon on the Plain This context grounds Jesus teaching authority as the Son of God The beatitudes and woes 6 20 26 establish a revolutionary vision of the authentic human life The love commandment is grounded in two general ethical principles the Golden Rule 6 31 as a maxim of general altruism and the imitatio Dei 6 36 making human conduct respond to the deepest human desires intimated in the Rule Consequently Christian disciples are to avoid hostile judgment as their master did one can judge truly only by examining the fruits one produces These commands which carry human authenticity beyond its limits are the only way to avoid total destruction

Luke Fred B. Craddock, Using Luke's own prologue as the guideline for his commentary. Fred B. Craddock calls attention to the continuities between Jesus and his heritage in Judaism and the church after him. Like Luke Craddock assumes the reader is not only a believer but also a leader in the community of faith. Interpretation: A Bible Commentary for Teaching and Preaching is a distinctive resource for those who interpret the Bible in the church. Planned and written specifically for teaching and preaching needs, this critically acclaimed biblical commentary is a major contribution to scholarship and ministry.

Through the Year with Jesus Anselm Grün, 2004-10-21. Here is an entirely fresh and original book about Jesus: the Jesus of devotion, the Jesus within. Here are fifty pictures or images of Jesus, each being a chapter of the book. We need to get away from clichés and see what Jesus really means for people today. After a brief account of Jesus and his times, the author introduces the book and how to read it. Some of the pictures of Jesus are surprising: Jesus the vagabond, the one who refuses power, the family therapist, and the exorcist. Gruen has a rare gift of simple communication of bringing Jesus alive to modern men and women. This was a gift which Henri Nouwen also had, and the publishers are expecting to command similar sales. The style is simple and direct and psychologically in tune with our times.
