Are you ready to become a ParaProfessional and boost your teaching career? REA's latest addition to our PRAXIS II series was created specifically for individuals looking to attain the position of ParaProfessional as defined by the federally legislated No Child Left Behind Act 20 U.S.C. 6319. The law requires paraprofessionals serving in an instructional capacity to demonstrate that they are knowledgeable in reading, writing, and math and capable to assist in classroom instruction. Our comprehensive review chapters cover all the reading, writing, and mathematics topics tested on the exam, including Reading Skills and Knowledge, Application of Reading Skills and Knowledge to Classroom Instruction, Writing Skills and Knowledge, Application of Writing Skills and Knowledge to Classroom Instruction, Mathematics Skills and Knowledge, and Application of Mathematics Skills and Knowledge to Classroom Instruction. Two full-length practice tests feature every type of question, subject area, and skill tested on the PRAXIS II ParaProfessional exam. This enhanced TestWare edition includes the book's two full-length practice tests on CD-ROM with automatic instant scoring and onscreen detailed explanations of answers. Our timed computerized exam format gives test takers the closest experience to taking the actual exam. ParaProfessionals can identify their strengths and weaknesses while reinforcing their skills and testing their teaching knowledge. The test prep comes complete with a customized study schedule and REA's test-taking strategies and tips. If you're training to become a ParaProfessional, this test prep will take you to the head of the class. REA books and software have proven to be the extra support teacher candidates need to pass their challenging test for licensure. Our comprehensive test preps are teacher recommended and written by educators who have mastered the test and the related program of study.
