Ruggiero, 2017-09-08 Between 1990 and 2006 more than 76 000 children born in Eastern Europe were adopted into American families Almost two thirds of these children came from Russia And in contrast to children adopted from Korea China Central America and South America most of the Russian children were not infants but between one and four years old This volume addresses adoption policies and practices as they pertain to adopted children from Eastern Europe children who have histories of pre adoption adversity Drawing on her decade long experience as an adoptive parent of siblings born in Russia and her expertise as an applied sociologist Josephine Ruggiero examines the central issues involved in international adoptions focusing on older children as well as siblings and suggesting needed changes in policy and practice Regardless of whether children are adopted domestically or internationally age is a significant factor in their ability to adjust to and function well in their new families Only about three in ten Russian adoptees joined their new families as infants Pre adoption experiences are also significant factors in a child s ability to adjust and function well in a new family Countries differ in risk factors that may figure into the likelihood of adoptees adapting to life in a new family Fetal Alcohol Syndrome serious medical conditions emotional problems behavioral problems attachment issues learning disabilities and exposure to family violence must be considered as potential risk factors in adoptions Pre adoption adversity is less likely when children come from birth families that are economically poor but have bonded with them At a time when adoption has finally come out of the closet and the definition of the family is changing dramatically Eastern European Adoption takes a much needed look at current adoption policies and practices and how well they do or do not work Ruggiero draws on the literature on older child and sibling adoption and data from a questionnaire survey she designed and conducted with 121 adoptive parents Ruggiero s examples from real adoptive families give a human face to the issues needs and strategies she discusses Adoption Barbara A. Moe, 2007-03-29 This compilation of the best thinking about adoption by both historical and current authorities reveals a vital ever changing practice affecting the lives of millions of people around the globe The ancient practice of adoption has changed significantly through history In colonial America parents adopted out their unwanted children those who were rude stubborn and unruly to other families Today Americans go abroad looking for

children to adopt and have adopted more than a quarter million internationally Adoption A Reference Handbook Second Edition not only traces the development of expert thinking about adoption it also looks at both sides of the latest controversial issues Should adoptions be open or closed Should the government regulate adoptions more closely or less This updated second edition offers an international perspective with a new chapter on how countries outside the United States provide adoption services This work is an indispensable resource for those thinking about adoption or researching its history

**Brothers and Sisters in Adoption** Arleta James, 2012-02-15 What about the kids already there How do they do when a child with a challenging past joins a family by adoption When experienced parents decide to adopt an older child or a sibling group they jump through all kinds of bureaucratic hoops background checks interviews group meetings reading assignments classes etc But most often the typically developing children these adults are already parenting whether through birth or adoption are left out of the process informed that a new kid is coming and simply expected to adjust to the addition of another sibling The addition of a child with a history of neglect or trauma cannot be a seamless transition The expectations of everyone involved parents new siblings and yes professionals facilitating the adoption must be realistic taking into account that the new child will need special attention that may take away time and attention from the already resident kids that family life is likely to be turned topsy turvy until appropriate counseling and support are in place that relationships will change Therapist Arleta James is certainly not the first person to recognize this but she is the first to do something about it Brothers and Sisters in Adoption offers insights and examples and sturdy practical proven tools for helping newly configured families prepare accept react and mobilize to become a new and different family meeting the practical physical and emotional needs of all its members These well prepared and supported families are the ones who thrive You Can Adopt Without Debt Julie Gumm, 2015-01-06 Many families want to adopt but do not have the large amount of money it takes to complete a private domestic or international adoption Some quickly give up the idea of adopting and are left feeling frustrated overwhelmed and discouraged Those who choose to proceed often take out large loans or borrow from family and friends which adds to the financial pressure on the family Author Julie Gumm shares proven strategies from her own experience as well as from others that include applying for grants creative budgeting and fundraising that prospective adoptive parents can use to prepare for and avoid those high costs associated with adoption Loving Adopted Children Well Gary Chapman, Laurel Shaler, 2024-02-06 Based on Chapman's best selling The 5 Love Languages a specialized resource of intentional love for families of adopted children Adoption brings unique challenges Love and bonding don't always come naturally There can be emotional distress frustration and disappointment In Loving Adopted Children Well Dr Gary Chapman along with professor and mom of adopted kids Dr Laurel Shaler share how The 5 Love Languages provide concrete steps to infusing love hope and attachment in your family In addition to the beauty and healing you'll discover in the chapters on the love languages Service Gifts Physical Touch Quality Time and Words of Affirmation the authors provide essential chapters on

subjects such as When You Don't Feel the Love Getting Spouses on the Same Page Help for Single Parents Stopping Sibling Rivalry Support Why it's Needed and Where to Find It and more With empathy for adoptive parents Chapman and Shaler provide an honest and invaluable resource of wisdom joy and healing Apply the lessons from Loving Adopted Children Well and you will see love grow and flourish in your home *The Encyclopedia of Adoption* Christine A. Adamec, Laurie C. Miller, 2007 Includes information on the Adoption and Safe Families Act a federal law created to encourage the adoption of foster children This encyclopedia also includes information on other adoption issues such as laws concerning adoptions by gays and lesbians tax issues school and adopted children birthfather rights transracial adoptions and more Attachment Parenting Arthur Becker-Weidman, Deborah Shell, 2010-06-02 Attachment Parenting describes a comprehensive approach to parenting children who have a history of neglect abuse orphanage care or other experiences that may interfere with the normal development of attachment between parent and child Grounded in attachment theory Attachment Parenting gives parents therapists educators and child welfare and residential treatment professionals the tools and skills necessary to help these children With an approach rooted in dyadic developmental psychotherapy which is an evidence based effective and empirically validated treatment for complex trauma and disorders of attachment Arthur Becker Weidman and Deborah Shell provide practical and immediately usable approaches and methods to help children develop a healthier and more secure attachment Attachment Parenting covers a wide range of topics from describing the basic principles of this approach and how to select a therapist to chapters on concrete logistics such as detailed suggestions for organizing the child's room dealing with schools concerns and problem solving Chapters on sensory integration art therapy for parents narratives and Theraplay give parents specific therapeutic activities that can be done at home to improve the quality of the child's attachment with the parent And chapters on neuropsychological issues mindfulness and parent's use of self will also help parents directly The book includes two chapters by parents discussing what worked for them providing inspiration to parents and demonstrating that there is hope Finally the book ends with a comprehensive chapter on resources for parents and a summary of various professional standards regarding attachment treatment and parenting Parenting Other People's Children John L. Stoller, 2006-12 In this comprehensive guide to the problems of the individuals coping with intractable children who do not understand their feelings and have no legacy of love to draw upon the author creates a model for their behavior and explains to readers how to correct their shortcomings
