Parents Personalities And Power Welsh Medium Schools In South East Wales:

Parents, Personalities and Power Huw Thomas, Colin H. Williams, 2013-04-15 This pioneering volume is the first ever to investigate in depth the myriad interconnected influences on the phenomenal growth of Welsh medium schools over the last half century and probe the foreseeable challenges that they will have to face *Parents, Personalities and Power* Huw Thomas, Colin H. Williams, 2013-04-30 Parents Personalities and Power Welsh medium Schools in South east Wales is the first volume ever published to investigate in depth the interdependent influences on the phenomenal growth of such schools over the last half century Derived from a sustained research investigation based in the School of Welsh Cardiff University 2003 8 the research is set within a constantly evolving linguistic social and political society The authors underline the international interest in the sustainable and continuing growth of the Ysgolion Cymraeg and as the title suggests note the various powers that have influenced the shaping of the Welsh school movement These reflect the increased interest in the language and identity of Wales and the future challenges these schools face **Eastern European Perspectives on Celtic Studies**

Michael Hornsby, Karolina Rosiak, 2019-01-08 This volume brings together contributions from a range of scholars not only from the Celtic heartlands but further afield such as Austria Canada and Poland The chapters are based upon a number of presentations on a wide range of Celtic Studies given at a conference in Pozna Poland in October 2014 The book as such emphasizes the international aspect of the field and highlights the relatively strong position of Celtic Studies in Poland through the inclusion of Polish scholars working on Irish and Breton and by introducing an academic audience to the conversation on Celtic matters which was held recently on Polish soil Celtic Studies are currently undergoing a series of changes with respect to the approaches adopted and the field is brought into question in this volume with an examination of the notion of Celtoscepticism which as pointed out when tackled in the right way can breathe new life into the subject and can be viewed as a positive movement As such a number of contributions here problematize the changes in thinking of many linguists over the concept of who is a speaker of a Celtic language and how well they speak it as well as the connection between traditional Celtic cultural practices and the concept of well being The volume also provides chapters on Mediaeval Celtic Studies which showcase the work of a number of emerging scholars in the field who examine various aspects of Celtic textuality in Mediaeval Scotland Brittany and Wales Indeed this book gives voice to a number of early career scholars placing them carefully alongside more established scholars in the field in order to show the continuation of established methods of investigation Heritage Languages in the Digital Age Birte Arendt, Gertrud Reershemius, 2024-04-16 Against the backdrop of social media and internet use and their impact on communication those working with minority or autochthonous heritage languages including teachers language activists and planners and researchers are reassessing the media language policy and teaching practices which they had previously applied to stem the tide of language shift towards majority languages The languages examined in this book are still spoken by a considerable number of speakers and enjoy varying and varied forms of

institutional legal financial and ideological support While their overall numbers of speakers are declining their importance for identity construction and commodification processes continues to increase This book addresses issues including the potential for a shift from a focus on oral to written practices the rise of new communities of practice and communicative domains and the need for resulting shifts in language policy and teaching methods Support, Transmission, Education and Target Varieties in the Celtic Languages Noel Ó Murchadha, Bettina Migge, 2019-12-18 Like many languages across the globe the Celtic languages today are experiencing varying degrees of minoritisation and revitalisation The experience of the Celtic languages in the twenty first century is characterised by language shift to English and French but they have also been the focus of official and grassroots initiatives aimed at reinvigorating the minoritised languages This modern reality is evident in the profile of contemporary users of the Celtic languages in the type of variation that they practise and in their views on Celtic language and society in the twenty first century In turn this reality provides a challenge to preconceived ideas about what the Celtic languages are like and how they should be regarded and managed at local and global levels This book aims to shed light on some of the main issues facing the Celtic languages into the future and to showcase different approaches to studying such contexts It presents contributions interested in explicating the modern condition of the Celtic languages It engages with attitudinal support for the Celtic languages modes of language transmission choosing educational models in minority settings pedagogical approaches for language learners and perceptions of linguistic practices These issues are considered within the context of language shift and revitalisation in the Celtic languages The chapters in this book were originally published as a special issue of Language Culture and Curriculum *The Impact of Devolution in Wales* Jane Williams, 2022-06-15 This book is about the impact of Welsh devolution on public policy It examines how from a fragile beginning distinct political institutions and ideological position have made their mark not only in Wales but also in the UK and wider world Language, Policy and Territory Wilson McLeod, Rob Dunbar, Kathryn Jones, John Walsh, 2022-07-07 This volume celebrates the contribution of Professor Colin Williams an immensely important and influential scholar in the field of language policy for more than forty years Eighteen chapters by former students colleagues and collaborators address a range of topics involving different aspects of language legislation and language rights governance economics territoriality land use planning and onomastics Six chapters address policy issues in Professor Williams's native Wales while others focus on Canada Catalonia Ireland and Scotland The volume concludes with an Afterword by Professor Williams himself The book will be suitable for postgraduates and researchers not only in the field of language policy and planning but also sociolinguistics geography law and political science **Minority Languages, National Languages, and Official Language Policies** Gillian Lane-Mercier, Denise Merkle, Jane Koustas, 2018-12-30 In a context where linguistic and cultural diversity is characterized by ever increasing complexity adopting official multilingual policies to correct a country's ethno linguistic socio economic and symbolic imbalances presents many obstacles but the greatest challenge is implementing them effectively To

what degree and in what ways have official multilingualism and multiculturalism policies actually succeeded in attaining their goals Questioning and challenging foundational concepts **Minority Languages National Languages and Official Language Policies** highlights the extent to which governments and international bodies are unable to manage complex linguistic and cultural diversity on an effective and sustained basis This volume examines the principles theory intentions and outcomes of official policies of multilingualism at the city regional and national levels through a series of international case studies The eleven chapters most focusing on lesser known geopolitical contexts and languages bring to the fore the many paradoxes that underlie the concept of diversity lived experiences of and attitudes toward linguistic and cultural diversity and the official multilingual policies designed to legally enhance protect or constrain otherness An authoritative source of new and updated information offering fresh interpretations and analyses of evolving sociolinguistic and political phenomena in today's global world **Minority Languages National Languages and Official Language Policies** demonstrates how language policies often fail to deal appropriately or adequately with the issues they are designed to solve

New Geographies of Language Rhys Jones, Huw Lewis, 2018-11-19 This book develops a novel approach to the study of language bringing it into dialogue with the latest geographical concepts and concerns and provides a comprehensive account of the geography of Welsh language analysing policy development language use ability and shift The authors examine in particular the different ways in which languages can be mapped how geographical insights can be used to develop understandings of language use the value of assemblage theory as a way of interpreting the social technical and spatial aspects of language policy development and the geographies that characterise institutional engagements with languages This book will set a research agenda for the geographical study of language developing a conceptual framework that will offer fresh insights to researchers in the fields of Applied Linguistics Sociolinguistics Minority Languages Geolinguistics and Public Policy

Academic Biliteracies David M. Palfreyman, Christa van der Walt, 2017-03-02 Research on academic literacy within higher education has focused almost exclusively on the development of academic literacy in English This book is unique in showing how students use other languages when they engage with written academic content whether in reading discussing or writing and how increasingly multilingual higher education campuses open up the possibility for students to exploit their multilingual repertoires in and around reading writing for academic purposes Chapters range from cases of informal student use of different written languages to pedagogical institutional and disciplinary strategies leveraging multilingual resources to develop biliteracy They are ordered according to two dominant themes The first includes accounts of diverse multilingual contexts where biliteracy practices emerge in response to the demands of academic reading and writing The second theme focuses on more deliberate attempts to teach biliteracy or to teach in a way that supports biliteracy The collection will be of interest to researchers higher education practitioners and students of multilingual higher education and academic literacy

Language Policy and the New Speaker Challenge Colin H. Williams, 2023-02-09 Analyses the current state of

minority language policy in Western Europe and provides comprehensive evidence based policy recommendations

Teacher Education in Times of Change Gary Beauchamp,Linda Clarke,Teresa O'Doherty,2015-12-02 Teacher education in times of change offers a critical examination of teacher education policy in the UK and Ireland over the past three decades Written by a research group from five countries it makes international comparisons and covers broader developments in professional learning to place these key issues and lessons in a wider context

Language Attitudes and Minority Rights James Hawkey,2018-04-12 This book presents a detailed sociolinguistic study of the traditionally Catalan speaking areas of Southern France and sheds new light on language attitudes phonetic variation language ideologies and minority language rights The region s complex dual identity both Catalan and French both peripheral and strategic is shown to be reflected in the book s attitudinal findings which in turn act as reliable predictors of phonetic variation The author s careful discursive analysis paints a clear picture of the linguistic ideological landscape in which French dominates as the language of status and prestige This innovative work employing cutting edge mixed methods provides an in depth account of an under examined language situation and draws on this research to propose a number of policy recommendations to protect minority rights for speakers of Catalan in the region Combining language attitudes sociophonetics discourse studies and language policy this will provide an invaluable reference for scholars of French and Catalan studies and minority languages around the world

The Journeys of Besieged Languages Poia Rewi,Rawinia Higgins,Delyn Day,2017-01-06 This volume allows 13 besieged languages to tell their own stories by way of their consummate battles with languages that dominate their traditional spaces and ways of thinking It tells of the value of these languages through linkages with the past and present and where continuation of this might further share those values with wider audiences beyond the current language users As such the book captures a discourse on the existence of minority languages in countries and states where they are under threat by the Governing language
