A Room of One's Own & Three Guineas Virginia Woolf, 2024-02-22 A Room of One s Own is an extended essay by Virginia Woolf First published on the 24th of October 1929 the essay was based on a series of lectures she delivered at Newnham College and Girton College two women s colleges at Cambridge University in October 1928 While this extended essay in fact employs a fictional narrator and narrative to explore women both as writers and characters in fiction the manuscript for the delivery of the series of lectures titled Women and Fiction and hence the essay are considered nonfiction The essay is seen as a feminist text and is noted in its argument for both a literal and figural space for women writers within a literary tradition dominated by patriarchy Three Guineas The author received three separate requests for a gift of one guinea one for a women s college building fund one for a society promoting the employment of professional women and one to help prevent war and protect culture and intellectual liberty This book is a threefold answer to these requests and a statement of feminine purpose

Translating Minorities and Conflict in Literature María Luisa Rodríguez Muñoz, Paola Gentile, 2023-10-05 Minorities and Conflict are prevailing topics in literature and translation This volume analyses their occurrence by focussing on the key domains censorship manipulation translation flows from the linguistic periphery and reflections on self expression The case studies presented discuss re translations of

authors such as Virginia Woolf and treat a wide variety of languages such as Flemish literature in Czech or Russian translations of Estonian prose They also treat relevant topics such as heteroglossia de colonialism and self translation The texts in this volume were originally presented at the conference Translating Minorities and Conflict in Literature held in June 2021 In an increasingly interconnected and complex global landscape they advocate transparency accountability and the preservation of linguistic diversity

In Praise of Retreat Kirsteen MacLeod, 2021-03-30 For readers of Walden Wild Pilgrim at Tinker s Creek A Book of Silence A Gift from the Sea and other celebrations of the inner adventure An utterly engaging dive into our modern ways of retreat where we go why we re drawn and how it s urgent From pilgrim paths to forest cabins and from rented hermitages to arts temples and quiet havens for yoga and meditation In Praise of Retreat explores the pleasures and powers of this ancient practice for modern people Kirsteen MacLeod draws on the history of retreat and personal experiences to reveal the many ways readers can step back from society to reconnect with their deepest selves and to their loftiest aspirations in life In the 21st century disengaging even briefly is seen by many as self indulgent unproductive and antisocial Yet to retreat is as basic a human need as being social and everyone can benefit whether it s for a weekend a month or a lifetime Retreat is an uncertain adventure with as many peaks and valleys as any mountain expedition except we head inward to recharge and find fresh energy and brave new ideas to bring back into our everyday lives

Historicizing Modernists Matthew Feldman, Anna Svendsen, Erik Tønning, 2021-06-17 Focussing upon both canonical figures such as Woolf Eliot Pound and Stein and emergent themes such as Christian modernism intermedial modernism queer Harlem Renaissance this volume brings together previously unseen materials from various archives to bear upon cutting edge interpretation of modernism It provides an overview of approaches to modernism via the employment of various types of primary source material correspondence manuscripts and drafts memoirs and production notes reading notes and marginalia and all manner of useful contextualising sources like news reports or judicial records While having much to say to literary criticism more broadly this volume is closely focused upon key modernist figures and emergent themes in light of the discipline s archival turn termed in a unifying introduction achivalism An essential ingredient separating the above recent tendency from a much older and better established new historicism in modernist studies at least is that the literary canon remains an important starting point Whereas new historicism is interested in history as represented and recorded in written documents and tends toward a parallel study of literature and non literary texts archival criticism tends toward recognised oftentimes canonical or critically lauded writers presented in Part 1 Sidestepping the vicissitudes of canon formation manuscript scholars tend to gravitate toward leading modernist authors James Joyce Ezra Pound Virginia Woolf Gertrude Stein T S Eliot and Samuel Beckett Part of the reason is obvious known authors frequently leave behind sizeable literary

Writing Masculinities Ben Knights, 1999-05-17 The great bulk of work on gender in fiction and literature has reflected feminist concerns and focused on women authors This book attempts to extend the contemporary preoccupation with representations of gender into the terrain of masculinity and male writing Drawing on work in both the social sciences and humanities it explores the narrative representation of masculinity in selected twentieth century fictions ranging from classic texts by Lawrence and Conrad to novels by John Fowles Graham Swift David Leavitt and others

Jeanette Winterson's Narratives of Desire Shareena Z. Hamzah-Osbourne, 2021-05-06 Putting forward a new theory of fetishism alternative fetishism this book provides an up to date examination of the work of Jeanette Winterson offering fresh perspectives and new insights on the topics of gender sexuality and identity in her writing Combining contemporary theories in psychoanalytical and cultural studies it proposes that a rethinking of fetishism allows Winterson's works to be brought into sharper critical focus by repositioning fetishism as a daily practice in society In so doing it argues that Winterson's work challenges orthodox normative and contemporary views of fetishism to reveal her own alternative version Containing the transcript of an email Q A with Winterson herself and covering the majority of Winterson's oeuvre from her first novel *Oranges Are Not the Only Fruit* 1985 up to the most recent *Frankissstein* 2019 the book is divided into three main chapters that each discuss a particular theme in Winterson's fiction bodily fetishism food fetishism and sexual fetishism While the book's focus is on Winterson the theoretical framework it proposes can be applied to other authors and disciplines in the Arts and Humanities such as theatre and film offering new ways of thinking about topics such as fetishism feminism psychoanalytical theory postmodernism gender and sexuality

Virginia Woolf and the Age of Listening | Virginia Woolf à l'ère de l'écoute Adèle Cassigneul, Anne-Marie Smith-Di Biasio, 2025-04-24 Listening was the spirit of the age as the invention of psychoanalysis and of radio marked the turn of the twentieth century Virginia Woolf and the Age of Listening brings together contributions which tune into that acoustic quality at once present in Woolf's time in her texts and in the readings which here echo those very listening techniques Indeed the listening mind as a reading surface for the receptivity and reconstruction of sound waves embodies a shift which informs the thinking of many chapters in this volume In their attention to listeners in the text and to those who make up the work of reception in both English and French these readings consider Woolf's oeuvre as an echo chamber reverberating with intertextual echoes in a multi layered representational network They form a constellation of answers to

the call of the Age of Listening The 1920s Tamás Bényei, Shene Boskani, Nick Hubble, 2025-07-24 The particularity of 1920s British fiction has become obscured by an academic focus on modernism This book takes a fresh approach to the decade by examining both canonical writers such as Virginia Woolf and E M Forster as well as less widely studied writers such as A A Milne and Naomi Mitchison From the aftermath of First World War to the Great Depression of 1929 and its political consequences the 1920s were a decade marked by radical social change Internationally there was an ongoing shift of global power and nationally Britain was adjusting to the aftermath of First World War to no longer being the dominant imperial power in the world and to the introduction of universal male suffrage and votes for women over thirty which was extended to those over twenty one in 1928 This volume relates the British fiction of the decade to these contexts in order to reassess and explain trends of the period such as war books fantastic romance literary modernism and new expressions of gender and sexuality A major critical re evaluation of the decade the book covers such writers as Agatha Christie E M Forster Ethel Mannin Somerset Maugham R H Mottram D H Lawrence Wyndham Lewis A A Milne Hope Mirrlees Naomi Mitchison Dorothy Richardson and Virginia Woolf among others illustrating how their key themes and concerns fit within the social and political circumstances of the decade **An Ethic of Innocence** Kristen L. Renzi, 2019-09-01 An Ethic of Innocence examines representations of women in American and British fin de siècle and modern literature who seem not to know things These naïve fools Pollyannaish dupes obedient traditionalists or regressive anti feminists have been dismissed by critics as conservative backward and out of sync with even threatening to modern feminist goals Grounded in the late nineteenth century's changing political and generic representations of women this book provides a novel interpretative framework for reconsidering the epistemic claims of these women Kristen L Renzi analyzes characters from works by Henry James Frank Norris Ann Petry Rebecca West Edith Wharton Virginia Woolf and others to argue that these feminine figures who choose not to know actually represent and model crucial pragmatic strategies by which modern and contemporary subjects navigate survive and even oppose gender oppression **The Clique**, 1978 *Norwegian Women's Writing 1850-1990* Janet Garton, 2000-12-01 Volume One in a new series this book covers Norwegian women's writing over the last 150 years setting literary developments against the background of the emergence and growth of the women's movement in Norway The work is divided chronologically into three sections the period up to 1913 when the universal suffrage was granted the period from 1913 to 1960 a time of stagnation in the women's movement with little involvement in contemporary political social and economic debates and the period from 1960 to the present day which has seen an increasing participation of women in public life Chapters on individual authors concentrate on the images of the women portrayed and investigate the conflicts behind the text the tensions between the authors and their work and the ambivalent feelings of women authors towards the act of writing The book should be of interest to all those concerned with women's writing and with Scandinavian literature and culture The series provides a survey country by country of women's writing from the beginnings of the major struggle for

emancipation up to the present day While the main emphasis is on literature the social political and cultural development of each country provides a context for understanding the position and preoccupations of women writers Modern critical currents are also taken into account in relating feminist criticism to recent critical theory Forthcoming volumes in this series include *Women's Writing in Italy 1870-1990* and *Swedish Women's Writing 1850-1990* **Equality for Women = Prosperity for All** Augusto Lopez-Claros, Bahiyih Nakhjavani, 2018-10-30 A groundbreaking book about the direct relationship between a woman's rights and freedoms and the economic prosperity of her country The authors speak to hearts as well as minds Maud de Boer Buquicchio UN Special Rapporteur Not only timely but profoundly important a must read Jackie Jones Professor of Feminist Legal studies Gender discrimination is often seen from a human rights perspective it is a violation of women's basic human rights as embedded in the Universal Declaration the UN Charter and other such founding documents Moreover there is overwhelming evidence that restrictions and various forms of discrimination against women are also bad economics They undermine the talent pool available to the private sector they distort power relationships within the family and lead to inefficiencies in the use of resources They contribute to create an environment in which women de facto are second class citizens with fewer options than men lower quality jobs lower pay often the victims of various forms of violence literally from the cradle to the grave They are also not fully politically empowered and have scant presence in the corridors of power whether as finance ministers central bank governors prime ministers or on the boards of leading corporations Why is gender inequality so pervasive Where does it come from Does it have cultural and religious roots And what are the sorts of policies and values that will deliver a world in which being born a boy or a girl is no longer a measure of the likelihood of developing one's human potential **Guiding Modern Girls** Kristine Alexander, 2017-11-15 Across the British Empire and the world the 1920s and 1930s were a time of unprecedented social and cultural change Girls and young women were at the heart of many of these shifts which included the aftermath of the First World War the enfranchisement of women and the rise of the flapper or Modern Girl Out of this milieu the Girl Guide movement emerged as a response to popular concerns about age gender race class and social instability The British based Guide movement attracted more than a million members in over forty countries during the interwar years Its success however was neither simple nor straightforward Using an innovative multi-sited approach Kristine Alexander digs deeper to analyze the ways in which Guiding sought to mold young people in England Canada and India She weaves together a fascinating account that connects the histories of girlhood internationalism and empire while asking how girls and young women understood and responded to Guiding's attempts to lead them toward a service-oriented useful feminine future **Wyndham Lewis's Cultural Criticism and the Infrastructures of Patronage** Nathan O'Donnell, 2020 This is the first book-length study of Wyndham Lewis's cultural criticism a valuable body of writing which posed questions that have yet to be answered about the role and status of the artist in a professionalised society and ultimately about the value economic civic political of the work of art The Book

of Mothers Carrie Mullins, 2024-05-07 Timely and evergreen engaging and infuriating personal and universal a necessary reintroduction to some of fiction's most familiar mothers Cecile Richards bestselling author of *Make Trouble* and former president of Planned Parenthood A smart and engaging look at fifteen classic novels that have shaped our cultural notions of motherhood Sweet supportive dependable selfless Long before she had children of her own journalist Carrie Mullins knew how mothers should behave But how Where did these expectations come from and more importantly are they serving the mothers whose lives they shape Carrie's suspicion later crystallized while raising two small children was that our culture's idealization of motherhood was not only painfully limiting but harmful leaving women to cope with impossible standards standards rarely created by mothers themselves To discover how we might talk about motherhood in a more realistic nuanced and inclusive way Carrie turned to literature with memorable maternal figures for answers Moving through the literary canon from *Pride and Prejudice* and *Little Women* to *The Great Gatsby* *Beloved* *Heartburn* and *The Joy Luck Club* Carrie traces the origins of our modern mothering experience By interrogating the influences of politics economics feminism pop culture and family life in each text she identifies the factors that have shaped our prevailing views of motherhood and puts these classics into conversation with the most urgent issues of the day Who were these literary mothers beyond their domestic responsibilities and familial demands And what lessons do they have for us today if we choose to listen
