 This work provides biographies of more than 500 men and women who have served as admiral vice admiral or rear admiral
 While officers from the U S British French and Japanese navies make up the bulk of the work officers from 22 countries
 including Australia Canada Germany India Italy the Netherlands Russia and Spain are also included The main criterion for
 inclusion is that each person must have actively served in the rank of at least rear admiral but not necessarily in enemy
 action This effectively rules out people who were granted the rank on retirement as a courtesy title or posthumously The
 book also includes lists of admirals organized by nationality and by year of birth **Economy, Culture, and Civil War in**

 Dominion University offers a superb overview of how a civil war driven by ethnicity can engender a new culture and a new
 political economy Highly recommended Choice Economy Culture and Civil War in Sri Lanka provides a lucid and up to date
 interpretation of Sri Lankan society and its 20 year civil conflict An interdisciplinary examination of the relationship between
 the economy broadly defined and the reproduction of violent conflict this volume argues that the war is grounded not just in
 the goals and intentions of the opposing sides but also in the everyday orientations experiences and material practices of all
 Sri Lankan people The contributors explore changing political and policy contexts the effect of long term conflict on
 employment opportunities and life choices for rural and urban youth life histories memory and narratives of violence the
 economics of enlisting and individual decisions about involvement in the war and nationalism and the moral debate triggered
 by women s employment in the international garment manufacturing industry Contributors are Francesca Bremner Michele
