Bawden, 1968 *A Song for the Horses* Kip Hutchins, 2025 A Song for the Horses examines the role of nonhuman animals and other beings in the performance and maintenance of musical traditions in Mongolia By playing their morin khuur or horse fiddles to build more than human networks of relation anthropologist K G Hutchins shows how Mongolian musicians use cultural heritage to imagine and build toward alternative futures beyond climate change and neoliberalism **Mongolia and the Mongols** Western Washington University, Henry G. La Voix des fantômes Grégory Delaplace, 2024-09-13T00:00:00+02:00 Nous nous plaisons à imaginer que les humains ont inventé les rituels funéraires pour arriver à oublier nous-mêmes l'imaginaire que c'est ce geste qui a fondé l'humanité et la culture. Et si les morts avaient toujours été là ? Et si l'humanité n'eût hanté ? Les pratiques funéraires auraient alors travaillé par de habiles médiums pour contenir le débordement des revenants. En menant une anthropologie inédite des fantômes, Grégory Delaplace montre quels genres de tristes et quels genres d'interlocuteurs les défunts sont invités à devenir. Il rend compte des situations toujours plus ou moins incongrues dans lesquelles ceux-ci chappent aux cadres prévus pour les accueillir. C'est aussi que la déterritorialisation de la planète les ayant fait proliférer, les spectres permettent de penser la catastrophe. On découvrira combien les ancêtres sont des fantômes mis au pas des morts que les vivants ont appris à vivre enfin. Anthropologue, Grégory Delaplace est directeur d'études à l'école pratique des hautes études. Membre de bronze du CNRS, en 2015, il a codirigé la revue *L'Homme* de 2020 à 2024 et a publié *Les Intelligences particulières. Enquête dans les maisons hantées* (Vues de l'esprit, 2021).

Genghis Khan Cameron White,2015-10-28 It is rare for an individual in history to have successfully made such a mark on their world that people are still talking about them centuries after their death When you consider the number of people that have existed throughout the millennia that have wielded some kind of power it takes a remarkable individual to stand out from the crowd Nevertheless one such individual did manage to achieve this near impossible feat of attaining everlasting fame Genghis Khan This single person from the relative confines of Mongolia is credited with creating one of the most feared empires that ever existed When you learn more about his story the very fact that he achieved so much becomes even more remarkable than you may have at first thought Genghis Khan was a leader that was ruthless in his aims and ambitions a man who thought nothing of destroying everything in his path His reputation of extreme brutality sent villagers running from their homes when they got even a hint that Genghis Khan was coming their way But is that the entire story Was he as bad as history has made him out to be This was an individual who established an empire that survived for more than a century after his demise and it did so to such an extent that it was the longest continual empire to have ever been created in the history of the world A wonderful battlefield commander a prime tactician he had a need to conquer the world that shaped this man into a fearless leader that would ultimately go on to shape what we now know as the modern world In his book entitled Genghis Khan The Ruthless Legacy Great Mongol Empire and the Making of the Modern World author Cameron White deeply chronicles how Genghis Khan with fierce determination was able to rise from the ashes of the devastation of his early years

to become one of the most remarkable and ruthless leaders of all time **The History of Mongolia (3 Vols.)** David Sneath, Christopher Kaplonski, 2010-05-01 A significant aspect of this work is the emphasis on source materials including some translated from Mongolian and other languages for the first time The source materials and other articles are all fully contextualized and situated by introductory material by the volume s editors This is the first work in English to bring together significant articles in Mongolian studies in one place which will be widely welcomed by scholars and researchers in this field This essential reference in two volumes includes works by noted scholars including Charles Bawden Igor de Rachewiltz David Morgan Owen Lattimore and Caroline Humphrey It also includes excerpts from translations of source documents such as the works of Rashid al Din The Secret History of the Mongols and the Yuan Shih In addition more recent historical periods are covered with material such as Batmonh s speech that heralded Mongolia s versions of glasnost and perestroika as well as Baabar s Buu Mart a key work associated with the Democratic Revolution of 1990 **Modern History of Mongolia** Charles R. Bawden, 2002
