Rose Arny,2002-02    *Modernizing of the Orient (Classic Reprint)* Clayton Sedgwick Cooper,2015-07-12 Excerpt from  
Modernizing of the Orient The East has at last met the West face to face What has been the character of that meeting What  
have been the results of the mingling of these two opposite and distinct sets of people with their antipodal points of view and  
methods Is the East becoming West What is happening These have been the writer s questions upon two journeys around the  
world in which many unusual privileges have been afforded for first hand contact with a large variety of institutions and  
native populations It is hoped that what is here set forth may be the means of inducing clearer ideas and further study  
concerning those people who embrace more than one half the population of the globe and who for obvious reasons are now  
becoming the center of international commercial and racial interests About the Publisher Forgotten Books publishes
