Travel & Leisure , 2004 *Access* , 2005 The British National Bibliography Arthur James Wells, 2005 **Textiles Bibliography** , 2005 **Introduction to Trinidad and Tobago** Gilad James, PhD, Trinidad and Tobago is a twin island country located in the southern Caribbean Sea southeast of Grenada and northeast of Venezuela The country has a rich cultural heritage that is a blend of African Indian European and indigenous influences Its population is diverse and multiethnic with Africans being the largest ethnic group followed by people of Indian descent English is the official language and Hinduism Catholicism and Islam are the major religions The economy of Trinidad and Tobago is heavily dependent on the energy sector particularly oil and gas production which accounts for a significant portion of the country s GDP The country is also known for its vibrant cultural scene including the annual Carnival celebration which is a major tourist attraction

Trinidad and Tobago has a democratic government with a president as the head of state and a prime minister as the head of government. The country is a member of several international organizations including the United Nations, the Commonwealth of Nations, and the Caribbean Community (CARICOM). Montserrat And Montserratians Howard A. Fergus, 2005. Provides vivid photographs of the beautiful island of Montserrat and its people. Cuban Festivals Judith Bettelheim, 2001. This work describes how in Brazil Catholic priests and the colonial government as early as 1573 allowed and encouraged the African slaves to celebrate Epiphany and the Festival of the Three Kings. *Réalités et représentations de la violence en postcolonies* Jean Godefroy Bidima, Victorien Lavou, 2015. Une approche de la violence coloniale et de ses représentations dans les domaines de la psychologie, de la politique et de la morale. *Public Space/Contested Space* Kevin Murphy, Sally O'Driscoll, 2021-02-15. It is not possible to be alive today in the United States without feeling the influence of the political climate on the spaces where people live, work, and form communities. *Public Space/Contested Space* illustrates the ways in which creative interventions in public space have constituted a significant dimension of contemporary political action and how this space can both reflect and spur economic and cultural change. Drawing insight from a range of disciplines and fields, the essays in this volume assess the effectiveness of protest movements that deploy bodies in urban space and social projects that build communities while also exposing inequalities and presenting new political narratives. With sections exploring the built environment, artists and activists, and public space, the book brings together the diverse voices to reveal the complexities and politicization of public space within the United States. *Public Space/Contested Space* provides a significant contribution to an understudied dimension of contemporary political action and will be a resource to students of urban studies and planning, architecture, sociology, art history, and human geography. **Caribbean** Brian Bell, 2007.
