From Buddy to Boss, 2nd Ed Chase Sargent, 2018-04-13 Professional development and leadership with you in mind A good friend once said about Chase Sargent that he s a very intelligent man but he sure does tick people off sometimes Sargent doesn t disagree He may have made some people mad but he wishes he had done it more often to get this point across Leadership in all aspects of life is sorely lacking The second edition of From Buddy to Boss Effective Fire Service Leadership reinforces the

fact that the fire service is screaming for leaders as men and women discover that leadership is important to their existence and success Being a firefighter can be tiring and frustrating but it can be rewarding It s not only about the job but also about raising kids managing your life and trying to be a good person attached to God country family and friends says the author Many leaders today are surrounded by external politics hidden agendas fiscal constraints and manipulative people Consider these factors when navigating your career Sargent knows from decades of experience that simply reaching the top of the organizational ladder does not make you a good leader Before he went into teaching this subject It became apparent very quickly that the leadership and human resources training being provided was as scarce as water in a desert and that the re service was thirsty This new second edition includes must read topics on leadership lessons from the War in Iraq knowing death in the fire service and providing leadership in large scale disasters This book will change your life Resilient Leadership for Turbulent Times Jerry L. Patterson,George A. Goens,Diane E. Reed,2009-11-16 In this book Patterson Goens and Reed draw upon resilience research and best practices to answer the question How can leaders move ahead in the face of adversity This book benefits leaders who have confronted adversity in the past struggle with adversity right now or will likely encounter setbacks in the future Leaders find concrete how to strategies for strengthening leadership skills in turbulent times in every chapter Resilient Leadership for Turbulent Times aims to help leaders thrive in the face of adversity with the inclusion of the Leader Resilience Profile LRP an instrument developed by Patterson and others to measure a leader s resilience in twelve categories Readers are invited to complete the LRP and then apply the strategies outlined in each chapter to strengthen their leader resilience *Coaching Public Service Leaders* John S. Lybarger PhD MCC,2019-10-01 Many leader development models are complex Figuring them out let alone implementing them can seem impossible Dr Lybarger draws on his years of experience serving clients in the public sector to highlight seven practices that good leaders master in this practical easy to follow guidebook The practices are not linear but interlaced and when woven together they create a complex tapestry of leadership behaviors In examining the seven practices the author answers questions such as Why do some public service employees love their work and remain engaged while others disengage and do the minimum What does it take for love belonging and community to dispel fear disengagement and isolation What sustains those who are engaged and motivated to serve the public Other topics include what leaders can do to help those who are floundering flourish ways to promote a culture of respect and the differences between managers and leaders Although traditional leadership models have not kept pace with the demands of the workplace individuals who are pillars of exemplary public service leadership can guide their public service peers to successful leadership **New Age Management: Philosophy from Ancient India** V. Srinivasan,2006-10-01 Though management as a practice is very old as a subject it has evolved in a big way only in the last fifty years Today there are a number of management gurus who have extensively studied this subject and evolved a number of theories relating to it However we do not find many ancient books that have codified thoughts

pertaining to management The Thirukural is an exception despite being two thousand years old Considered the Tamil Veda the Thirukural is a treatise on the art of living Its eternal and universal appeal lies in its secular character clarity of thought depth of understanding and penetrating insights into the fundamentals of human thought and behaviour In this book the author gives examples from his varied global experiences and explains how he has drawn inspiration from the Thirukural to deal with everyday business situations In what is a fascinating analysis the author also shows how the thoughts of contemporary management gurus compare with the timeless wisdom contained in the Thirukural The book is an indispensable guide for managers corporate executives entrepreneurs students of management and those who aspire to be leaders
