Saving for School Gail Vaz-Oxlade, 2013-12-19 The most important investment parents can make is finally simplified Gail style The the average debt hanging around the necks of Canadian graduates is 27 000 So when they don their caps and gowns and look forward to the future what they are actually looking at is decades of payments Yet only 35 percent of eligible kids receive the Canada Education Savings Grant up to 7 200 that the government wants to GIVE parents as a reward for saving for school So why don t more parents use RESPs They don t understand how they work They say they can t come up with the money They don t know about the grant the free money They aren t convinced their kids will need their help The language and rules just seem too complicated Saving for School will explain the ins and outs in Gail s trademark clear straightforward style It takes parents and future students through the steps of putting money into a plan and taking it out in the most taxeffective way The book makes following the rules and regulations simple and shows you how to set your plan up to work for YOU as opposed to making it easy on your financial institution Beyond RESPs Gail offers a full plan for minimizing your student debt and guides you through how much student loan you should take on along with offering general tips and strategies for saving and for following a budget at school With Gail by your side there s no excuse not to start Saving for School

Money-Smart Kids Gail Vaz-Oxlade, 2011-08-23 As a parent you want the best for your kids You work hard to provide them with every advantage You want them to be safe smart and healthy Yet when it comes to money it s a whole different story If you re like most people you d rather run a mile through a desert with a camel on your back than talk about money with your children Are you going to follow in your parents footsteps keeping financial matters a deep dark secret Or do you want your children to have a healthy balanced attitude toward money Then it s time to pull your head out of the sand and roll up your sleeves Gail Vaz Oxlade Canada s 1 personal finance expert believes that teaching kids about money is a parent s job She knows that building confidence and money skills starts with an age appropriate allowance to help your kids

accomplish important tasks Making saving a habit Learning the difference between needs and wants Using the magic jars to balance competing goals Creating lifelong money management skills What better gift could you give your children than the confidence to control their money rather than letting their money control them Let Gail help you raise Money Smart Kids

It's Your Money Gail Vaz-Oxlade, 2011-12-20 With everything she does Gail Vaz Oxlade focuses on putting money in perspective and encouraging people to take control of their money and their lives But over the years she's found that an astonishing number of smart competent women are relinquishing that control It's Your Money is designed to inspire and inform them to take charge of their financial destinies This book will help each reader come to terms with why she deals with her money as she does It helps her establish a solid financial foundation on which to build as she moves through her life Gail walks her through the major milestones partnering raising a family and retiring making sure she is empowered to make her own decisions if she's in a relationship or not It also shows the reader how to cope when stuff hits the fan without adding financial stress to her burdens For the woman who finds herself the sole breadwinner in a family dealing with aging parents or coping with divorce or widowhood Gail shows her how to keep her financial life on track Whether they need Gail's voice to encourage them to reach for new financial goals or to kick their credit card happy butts back into line women will turn to It's Your Money in good times and in bad
