Money Shot Scott Hildreth,2015-11-22 Vince is a member of the Selected Sinners MC an enforcer and an administrator of justice He is the real life book boyfriend most women dream of Handsome tattooed covered in muscles and very alpha he appears to be a dream come true One thing most of his MC brothers do not realize about him is that he spends his nights reading romance novels and has since he was a kid He lives by a set of moral standards most men wouldn't even dream of attempting and enjoys Sunday dinners with his mother and her dog Sienna Boyco is a book reviewer who enjoys music wine and reviewing books primarily MC Romance novels She has dreamt of one day being swept off her feet by the men she reads about in her books One night after two bottles of wine and two book reviews her doorbell rings And on her front porch stands a stranded biker A trip to the gas station leads to a talk about books and a friendship develops But after divorcing his wife of 15 years for cheating Vince has very little trust in women and no interest in a relationship Sienna on the other hand will take what she can get and hope in time things will change Is it possible for a book reviewer with no history of criminal activity or violence to actually fall in love with a real life biker Sienna intends to find out

Ex-Con Scott Hildreth,2015-08-17 Shocked by an act of bravery and intrigued by a stranger's good looks and demanding demeanor Emily Stewart agrees to let a man walk her to her car She had no idea at the time that this was exactly what Jackson Shephard had hoped for Jackson Big Jack Shephard rides with the Hell's Fury MC He's big not afraid of any man and goes to great lengths to provide protection to his club brothers and those he loves He lives by a code most men couldn't begin to understand He's faithful in life and love and he never breaks a promise Emily Em Stewart knows Jack is inherently different in all regards Em has never had a man provide her with enough excitement praise or variety to keep her attention for long As a result she's never had a relationship Until that night when a muscular tattooed biker steps in to her life and takes care of the abuser Jack can only be with one type of woman the type who lets him call the shots in the bedroom Emily agrees to an exclusive relationship because her heart and being know no other way and because Jack isn't one to cheat lie or do anything but love completely and love HARD There's one BIG problem An undercover ATF agent Will this shatter what they've built will the walls crumble and will Jack go to prison If he does will their bond survive
