Monkeytraps Why Everybody Tries To Control Everything And How We Can Stop:

Monkeytraps Steve Hauptman, 2015-12-20 Something is missing from your life This much you know But did you know you may be looking for it in the wrong place This book is about a problem disguised as a solution an idea that shapes and drives us all Control It is about the universal urge to make reality meet our expectations How this urge becomes an addiction wrecking lives and relationships How it leads to anxiety depression substance abuse broken marriages and dysfunctional parenting In this book you will learn Why everyone is addicted to control How this addiction causes most if not all of our emotional problems How to listen to feelings instead of controlling them Filled with actionable insights you can start using today Monkeytraps is a must read for anyone seeking happiness healthier relationships and more peace of mind

Citizens, Deliberation, and the Practice of Democracy, 2012 **Kettering Review**, 2006 *The New York Times Magazine*, 1996 **The New York Times Biographical Service**, 1996-07 A compilation of current biographical information of general interest *Mind Control* William Horton, 2007-02-01 Mind control a term filled with mystery intrigue and fun Control of the mind what does it mean really So called experts have been writing and arguing about the mind for as long as people have been able to communicate The elusive and mystical control we seek is possible In *Mind Control* Dr William Horton Psy D takes us closer to the practical application of mental discipline for ourselves Dr Horton applies NLP communication techniques special language to structure change in the mind so that we can manage and control of others This control takes the form of better understanding of what we see feel and hear as others talk to us We are afforded the opportunity through these techniques to use the best possible angle while talking with others In our culture control can be regarded as a negative term Here we use it as a positive action When we say control we really refer to the control of our own thoughts our own state of mind and the way we communicate Dr Horton uses his ability to break down systems and processes to share a new understanding of the function of the mind as we interact with the people around us Can you imagine your life in a world where people simply do what you ask them to do The processes outlined in this book will install the skills needed for maximum success Self control and mental discipline give you the ability to have more success in any part of your journey through career and personal goals Personal relationships become more rewarding You have an easy time controlling money Your ability to retain information grows This is all possible because you are choosing the way you communicate with yourself and the other players in your life Imagine a life where you control your emotional reactions to the obstacles you encounter on your path to success See yourself as an individual who can consider the effects your reactions have on others Hear your own thoughts as they become useful to your goals You can have all of this and more All you must do is master the techniques in this book Even more exciting news awaits you With the techniques you learn you can enable others to reach their dreams and goals in a more effective manner It is easy to remember times in your life when you wanted other people to simply do what you have asked them to do What if you knew exactly how to talk and act to get others to take

action The more you understand mind control the easier your interactions with other people become As you remember each technique in this book you will enjoy Dr Horton s unique take on the material and his passion for life itself Elsom Eldrige author of The Obvious Expert Founder of The International Guild of Professional Consultants
