Offender Rehabilitation Theory Research And Practice:

Offender Rehabilitation Gwen Robinson,Iain Crow,2009-01-30 This comprehensive text explains all the key themes in the development and practice of offender rehabilitation It explores how the issue fits within its wider social and political contexts giving an insight into its current and future relevance to criminal justice The book covers the full range of rehabilitative approaches exploring how criminal justice responses have been influenced by trends such as the treatment model What Works desistance risk and public protection and changes in social policy

Offender Rehabilitation Gwen Robinson,2009 Insightful relevant and comprehensive this title explains how offender rehabilitation has developed historically and in recent years

Foundations of Offender Rehabilitation Sharon Casey,Andrew Day,Jim Vess,Tony Ward,2012-09-10 The past three decades has seen dramatic changes in the way in which the criminal justice system responds to those who break the law The old claim in the field of correctional psychology that nothing works has strongly been refuted in the face of evidence from rehabilitation programmes that do make a difference The graduate student in forensic psychology could easily be overwhelmed by the plethora of information now available This new textbook offers a comprehensive approach to forensic and correctional psychology demonstrating how theory and practise can be applied and integrated Written by intentionally recognized experts within the field the authors guide the students through the core theories and concepts that underpin forensic practise within the legal systems of different countries UK USA Canada Australia and Singapore show how this knowledge informs current thinking in offender rehabilitation and reintegration and provide a series of case studies looking at sexual offenders female offender juveniles and offenders with mental disorders This book is the perfect overview for graduate students of forensic and correctional psychology engaged with offender rehabilitation and assessment and the psychology of law

Offender Rehabilitation Programmes Laura M. Small,Paul M.W. Hackett,2023-04-28 This book shows how prison officers may be able to significantly influence extra programmatic conditions to enhance rehabilitation outcomes and contribute to reducing reoffending It does so through a detailed review of the literature relating to prison based rehabilitation programmes examining factors influencing their outcomes and the effects of the prison officer role Firstly the book explores current understandings about the role of the prison and effective offender rehabilitation programmes It then describes the processes of the integrative review of how prison officers can support rehabilitation programmes in prisons Review findings suggest three main routes by which prison officers can contribute to enhancing rehabilitation outcomes influencing prison social environments enhancing prisoner treatment readiness and programme engagement and identifying and supporting prisoners wider needs This book also explores avenues for further research in this area using a declarative sentence mapping approach Bridging two previously distinct areas of research prison officers and their role and prison rehabilitation interventions this book offers new understanding in the real world context of prisons and their staff as to how we can enhance rehabilitation outcomes It will be of great interest to academics in penology forensic psychology probation

and offender rehabilitation fields The book is also valuable to postgraduate students and professionals working on prison policy

The Rehabilitation of Partner-Violent Men Erica Bowen, 2011-05-23 THE REHABILITATION OF PARTNER VIOLENT MEN Informed by theory and evidence this text offers a full account of a pressing social problem Professor Clive Hollin School of Psychology The University of Leicester UK This is a book which clearly sets out the history theoretical developments interventions and possibilities for the future within a UK context It is an excellent source of good information about where we are and an excellent springboard for future developments in both research and practice Professor Liz Gilchrist Department of Psychology Glasgow Caledonian University UK Erica Bowen's book The Rehabilitation of Partner Violent Men is a timely and important contribution to the literature of effective interventions The content would be of interest to students researchers and practitioners Dr Nicola Graham Kevan School of Psychology University of Central Lancashire UK Violence within intimate relationships is not just a modern occurrence yet while the nature of the abuse has changed little over hundreds of years great strides have been made in dealing with male perpetrators of domestic violence in the UK The Rehabilitation of Partner Violent Men presents an historical account of the policy changes that have led to the provision of rehabilitation programmes for male perpetrators of intimate partner violence within the British criminal justice system Drawing on both national and international literature the book provides an overview of the theoretical foundation behind current approaches to rehabilitation as well as a critical examination of evaluation methodology and an appraisal of the effectiveness of current practices While probing deeply into the nature of intimate partner violence The Rehabilitation of Partner Violent Men offers rich and revealing insights into the efficacy of intervention programmes and their profound influences on the lives of millions of women around the world each year

Religion and Crime: Theory, Research, and Practice Kent R. Kerley, 2018-11-15 This book is a printed edition of the Special Issue Religion and Crime Theory Research and Practice that was published in Religions

Research Handbook on the International Penal System Róisín Mulgrew, Denis Abels, 2016-05-27 Drawing on the expertise and experience of contributors from a wide range of academic professional and judicial backgrounds the Research Handbook on the International Penal System critically analyses the laws policies and practices that govern detention punishment and the enforcement of sentences in the international criminal justice context Comprehensive and innovative it examines the operation of the international penal system covering pertinent issues such as non custodial sanctions monitoring of conditions of detention the protection of prisoners under international law and the transfer of prisoners These aspects are presented in a logical order linking up with the chronological sequence of the international criminal justice process Far reaching this Handbook also explores broader normative questions related to contemporary human rights law transitional and restorative justice and victim redress before exploring contemporary and alternative mechanisms for punishing and overseeing punishment and possible avenues for development This up to date assessment will provide valuable insights for researchers and students of international criminal law and justice comparative

penal law penology prisoners rights and transitional and restorative justice Its recommendations for development will also interest international and national officials working in criminal law and justice Contributors D Abels K Ambos O Bekou S D Ascoli T A Doherty M A Drumbl S A Fisher B Hol A Jones N Kiefer C McCarthy L McGregor R Mulgrew J C Nemitz M M Penrose G Sluiter S Snacken A Trotter H van der Wilt J van Wijk D van Zyl Smit R Young The Routledge Companion to Rehabilitative Work in Criminal Justice Pamela Ugwu-dike, Hannah Graham, Fergus McNeill, Peter Raynor, Faye S.

Taxman, Chris Trotter, 2019-09-12 All the world's criminal justice systems need to undertake direct work with people who have come into their care or are under their supervision as a result of criminal offences Typically this is organized in penal and correctional services in custody in prisons or in the community supervised by services such as probation Bringing together international experts this book is the go to source for students researchers and practitioners in criminal justice looking for a comprehensive and authoritative summary of available knowledge in the field Covering a variety of contexts settings needs and approaches and drawing on theory and practice this Companion brings together over 90 entries offering readers concise and definitive overviews of a range of key contemporary issues on working with offenders The book is split into thematic sections and includes coverage of Theories and models for working with offenders Policy contexts of offender supervision and rehabilitation Direct work with offenders Control surveillance and practice Resettlement Application to specific groups including female offenders young offenders families and ethnic minorities Application to specific needs and contexts such as substance misuse mental health violence and risk assessment Practitioner and offender perspectives The development of an evidence base This book is an essential and flexible resource for researchers and practitioners alike and is an authoritative guide for students taking courses on working with offenders criminal justice policy probation prisons penology and community corrections **Social Rehabilitation and Criminal Justice** Federica Coppola, Adriano

Martufi, 2023-10-27 This book provides a comprehensive analysis of the current directions in social rehabilitation scholarship and research by bringing together the voices of legal scholars criminal justice professionals social scientists and people directly impacted by criminal justice in a comparative international and interdisciplinary fashion The volume offers a narrative of social rehabilitation in penal contexts through five main domains theoretical philosophical legal comparative human rights social scientific lived experience and policy Collectively the contributions provide a systematised examination of the normative facets of social rehabilitation and illustrate avenues for its implementation in criminal justice domains in the full respect of the rights of justice involved individuals casting a critical gaze on some the mainstream narratives dominating contemporary penal policy The overarching legal approach is complemented by a selection of perspectives in social rehabilitation research emanating from social psychology critical criminology penology and neuroscience These perspectives inform and enrich the legal and jurisprudential debates on the qualification of social rehabilitation as a fundamental goal of justice across domestic and international legal systems The book will be of value to academics practitioners advocates and

policymakers interested in current research dealing with the problem of punishment and the potential of social rehabilitation to more effectively deal with crime

Offender Rehabilitation and Treatment James McGuire, 2003-04-11 Criminal behaviour continues to be a matter of major public concern How society should respond to it and what should be done with those who repeatedly offend remain hotly disputed topics of conversation Offender Rehabilitation and Treatment draws together internationally renowned experts from the United Kingdom Europe North America and Australia Chapters summarise some of the most recent and exciting developments in this field and offer a systematic knowledge based approach to the effective reduction of criminal behaviour Offers coverage of a wide range of key topics in this area Links theory research and practice in a coherent and accessible style International focus with examples and authors from a number of countries

The Wiley Handbook on the Theories, Assessment and Treatment of Sexual Offending Douglas P. Boer, 2016-11-14 The Wiley Handbook on the Theories Assessment and Treatment of Sexual Offending is a three volume collection of up to date readings contributed by international experts relating to the assessment intervention and theoretical foundations of sexual offending Includes in depth and up to date assessment and treatment approaches for adult male female juvenile and cognitively impaired offenders Features contributions by leading experts in each specialized field from around the world including Bill Marshall Bill Lindsay and Tony Ward Offers cutting edge theories of sexual offending including the latest multifactorial and single factor theories

The Palgrave Handbook of Global Rehabilitation in Criminal Justice Maurice Vanstone, Philip Priestley, 2022-11-22 This handbook provides a unique overview of rehabilitation as practiced internationally in criminal justice Through the contributions of a diverse group that includes among others academics some of whom are former practitioners research students a judge and a probation chief it reflects common features of criminal justice in different countries and documents their diversity and celebrates their vitality In recent times the idea of law and order has been expropriated by populist authoritarian and doctrinaire regimes almost always and nearly everywhere in the service of arbitrary and unjust rule By and large this handbook does not include such regimes But law itself also has the capacity to constrain rulers and order in the form of social peace is a universally approved civic asset In part the book provides a counter narrative demonstrating that although criminal justice dispositions such as probation prisons and parole can be represented as a via dolorosa rehabilitation as illustrated in these pages can become a journey that leads by degrees towards the possibility of a better life The handbook will be of interest to students academics practitioners managers policy makers and all those who wish to gain insight into the why and the how of rehabilitation in criminal justice systems across the world

The Wiley Handbook of What Works in Correctional Rehabilitation Leam A. Craig, Louise Dixon, Theresa A. Gannon, 2024-09-05 Theory assessment and treatment strategies for offenders across forensic populations with practical examples and discussion of often overlooked cultural considerations The Wiley Handbook of What Works in the Rehabilitation of People Who Have Offended comprehensively outlines effective rehabilitation strategies for offenders while acknowledging

the challenges in implementation and discussing ethical considerations potential biases and the need for ongoing evaluation The book introduces the current state of effective practices outlines up to date risk assessment processes for various crime types investigates effective treatments for diverse forensic populations explores treatments for those in prison and mental health settings and examines the often overlooked cultural factors influencing rehabilitation efforts This Second Edition expanded from 25 to 32 chapters has been written by leading researchers seasoned professionals and academics providing a wealth of expertise and diverse perspectives Each chapter offers a well researched and balanced review of existing literature laying a solid foundation for comprehending the effectiveness of various rehabilitation approaches Practical examples enhance the content s applicability emphasizing evidence based practices crucial for accountability and effectiveness in the criminal justice system Some of the sample topics discussed in *The Wiley Handbook of What Works in the Rehabilitation of People Who Have Offended* include Risk Need and Responsivity principles used in the assessment and triage of offenders and evidence for the Good Lives Model in supporting rehabilitation and desistance from offending Recidivism risk in people convicted of intimate partner violence and treatment of aggressive and problematic adjudicated youth in a secure psychiatric setting Treatment of persons convicted of sexual offenses in the community including online offending Strategies to prevent and reduce gang involvement and rehabilitation of intellectually disabled individuals who have harmful sexual behavior Offering a valuable evidence based coverage in the pursuit of effective rehabilitation strategies the Second Edition of *The Wiley Handbook of What Works in the Rehabilitation of People Who Have Offended* is an indispensable resource for anyone involved in the criminal justice system including professionals policymakers researchers and students

Foundations for Offender Management Anne Robinson, 2011-07-13 This title provides a comprehensive account of the contexts and challenges of working with people convicted of criminal offences

Prisons and Community Corrections Philip Birch, Louise Sicard, 2020-08-09 This edited collection brings together leading international academics and researchers to provide a comprehensive body of literature that informs the future of prison and wider corrective services training education research policy and practice This volume addresses a range of 21st century issues faced by modern corrective services including prison overcrowding young and ageing offenders mental health sexual assault in corrective facilities trans communities in corrective services and radicalisation of offenders within corrective services Taking a multi disciplinary approach and drawing together theoretical and practice debates the book comprehensively considers current challenges and future trajectories for corrective systems the people within them and service delivery This volume will also be a welcomed resource for academics and researchers who have an interest in prisons corrective services practice and broader criminal justice issues It will also be of interest to those who want to join corrective services those who are currently training to become personnel in corrective services and related allied professions and those who are currently working in the field

The Oxford Textbook on Criminology Stephen Case, Steve Case, David Manlow, Philip Johnson, Kate Williams, Roger Smith, 2021 The

Oxford Textbook on Criminology has been developed by a team of experts to equip you with the knowledge confidence skills and enthusiasm you need to achieve your full potential as a criminologist Back cover New Frontiers in Offender Treatment Elizabeth L. Jeglic, Cynthia Calkins, 2018-11-16 This book reviews how new and promising evidence based interventions are being used with those involved in the criminal justice system While there has been an increased emphasis on evidence based practice within forensic treatment there remains a disjoint between what we know works and adapting these interventions to those involved in the criminal justice system This book seeks to bridge that gap by providing an overview of what we know works and how that information has been translated into offender treatment In addition it highlights avenues where additional research is needed This book is comprised of three parts In the first part current models of correctional treatment including the Risk Needs Responsivity Model The Good Lives Model and Cognitive Behavioral Models are presented In the second part the chapters address clinical issues such as the therapeutic alliance clinician factors and diversity related issues that impact treatment outcome In the third and final part of the book adaptations of innovative and cutting edge evidence based treatments such as Dialectical Behavior Therapy Trauma Informed Care Mindfulness Motivational Interviewing Assertive Community Treatment Multisystemic Treatment New frontiers in Intimate Partner Violence treatment and the current research on the treatment of those with psychopathy are presented Research supporting these treatment approaches targeting areas such as self management psychological well being treatment engagement and retention and their relationship to recidivism will be reviewed while their adaptation for use with forensic populations is discussed The book concludes with the editors summary of the findings and a discussion of the future of evidence based interventions within the field of forensic psychology Probation Fergus McNeill, Ioan Durnescu, René Butter, 2016-06-24 This volume poses a series of key questions about the practice of probation as an integral part of the European criminal justice system The contributors are established experts in their respective fields of study and together their questions address the legitimacy and perhaps continued existence of probation The book offers analyses of why people offend and stop offending and the wide ranging impacts of probation This includes the impact on offenders social reintegration as a form of reparation for victims and communities on public desire for justice and punishment and on probationers themselves The contributors further assess the state of probation and its adaptation to the current state of penalty and society the role of probation officers in pre sentencing decision making and the promotion of community sanctions and measures By providing important recommendations and suggestions for application to practice the book will be of great interest to academics students policy makers and practitioners alike **Human Rights in Probation** Kyros Hadjisergis, 2024-08-01 Exploring the application theory implications and socio legal underpinnings of human rights in probation and associated offender management this book examines the key imperatives and practices of the Probation Service in England and Wales in relation to the Human Rights Act 1998 HRA Outlining how the duties of probation officers are interpreted in light of the HRA this

book refers to applicable principles and case law as a means to present and exemplify the direct operation of human rights law in probation and instances of human rights interferences Chapters also discuss the infrastructure of Probation to demonstrate challenges of awareness implementation and compliance Based on qualitative studies analysed through a socio legal lens and the relevant human rights framework key themes explored include Crime Control and Due Process which are reflective of the tensions and imbalances experienced between risk or public protection and human rights The book also includes case studies of Serious Further Offences that have either revealed the shortcomings in the area of human rights in probation or highlighted factors linked to human rights including scapegoating cumulative systemic failures miscommunications and over reliance on risk assessments Finally it provides clarity as to what the human rights duties of the Service are what relevant policies may apply alongside the HRA and how court decisions may affect risk and offender management An important and timely study of probation in England and Wales Human Rights in Probation will be of great interest to students and academics in probation studies criminology and criminal justice and human rights It will also be of value to Probation Officers including trainees and other practitioners working in offender management services

An Introduction to Penology: Punishment, Prisons and Probation Lawrence Burke, Dr Helena Gosling, 2022-11-23

An Introduction to Penology is a concise informative scholarly guide that will speak to a variety of audiences interested in how the notion of punishment plays out in community and custodial settings with people who have broken the law With a particular focus on prisons and probation the book provides an opportunity for readers to critically engage with the concept of punishment in theory and practice and consider different ways in which we as a society can respond to lawbreaking The text will allow students to pursue a more in depth study of two of the main criminal justice institutions through the lens of their organisational structures cultures service delivery and responses to the needs of minority and vulnerable groups Throughout the text students will be encouraged to critically engage with longstanding penological debates taking into consideration the theory policy and practice of punishment and will explore ways in which we can rethink penology on an individual and social level and begin to make a case for social justice rather than criminal justice This innovative and contemporary text is a must read for students studying criminology criminal justice penology and those interested in pursuing a career in either the prison or probation services

Lol Burke is Professor in Criminal Justice and Dr Helena Gosling is a Senior Lecturer in Criminal Justice at Liverpool John Moores University

Offender Rehabilitation Theory Research And Practice Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Offender Rehabilitation Theory Research And Practice PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Offender Rehabilitation Theory Research And Practice PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms

offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Offender Rehabilitation Theory Research And Practice free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.
