Edited by W. F. H. ... New Edition Walter Farquhar Hook,1875 Why Christians Should Not Tithe James D. Quiggle,2009-08-01 The premise of Why Christians Should Not Tithe is simple God having freed his people from the Law through faith in Jesus Christ does not place on them a burden from the Law The thesis is equally as simple Christian giving is not a tithe Christ challenges the believer to give himself and his possessions to the gospel cause but the tithe fixes a limit and implies nothing more is needed Why Christians Should Not Tithe is a thorough discussion of the four tithes in Moses Law Jesus comments on tithing and the twenty one principles of giving developed by the apostles in Acts and the epistles Included is a brief review of the history of tithing from post apostolic times to the present The book concludes with a new paradigm for giving not based on the tithe but on the apostles doctrine of Christian giving Should Christians tithe to support the gospel Here is a study that will help every Christian discover the biblical answer for him or her self
