**Olaf the Glorious: a Story of the Viking Age** Robert Leighton (Author of "The Pilots of Pomona".),1926

Olaf the Glorious: A Story of the Viking Age Robert Leighton,1894-01-01 It happened in the beginning of the summer that Sigurd Erikson journeyed north into Esthonia to gather the king s taxes and tribute His business in due course brought him into a certain seaport that stood upon the shores of the great Gulf of Finland He was a very handsome man tall and strong with long fair hair and clear blue eyes There were many armed servants in his following for he was a person of great consequence and was held in high honour throughout the land He rode across the marketplace and there alighted from his horse and turned his eyes towards the sea Before him stretched the rippling sunlit bay with its wooded holms A fleet of fishing boats was putting out with the flood tide and some merchant vessels lay at anchor under shelter of the green headland Nearer to the strand a long dragonship with a tall gilded prow rising high above the deck tent was moored against a bank of hewn rock that served as a wharf At sight of the array of white shields along this vessel s bulwarks his eyes brightened for he knew that she was a viking ship from his own birth land in distant Norway and he was glad Not often did it chance that he could hold speech with the bold warriors of the fiords Close by the ship there was a noisy crowd of men and boys He strode nearer to them and heard the hoarse voices of the vikings calling out in loud praise of a feat that had been performed by someone in their midst Sigurd joined the crowd and saw a boy step out upon the vessel s narrow gangplank and there standing between the ship and the shore begin to throw a knife high up into the sunny air catching it as it fell It seemed that the lad was of good station for his clothing was of finely woven cloth and there was a gold neckband to his kirtle and his long black hair was well combed and curled Thrice he threw up his glittering knife high above his head and deftly caught it again But soon thinking perhaps to excel those who had gone before him he took a second knife from his belt and juggled with them both with such skill that the shipmen watching him from under the awning swore by the hammer of Thor that the feat could never be surpassed Well done well done they shouted And the boys on the bank cried out Well done Rekoni At this the youth put fuller strength into his arms and flung the knives yet higher into the air But his ambition for the praise of the warriors was greater than his caution for in reaching forward to catch one of the weapons he lost his balance and fell headlong into the deep green water beneath And as he swam to shore the vikings laughed aloud and some who had thought of giving him a reward put back their gold into their wallets and turned away Now very close to where Sigurd Erikson was there stood two boys whose close cropped hair and dress of coarse white vadmál showed them to be slaves One of them was a tall gaunt youth with pale thin cheeks and large sad eyes He was fair of skin and by this Sigurd knew that he

was not an Estonian His companion seemed about twelve winters old sturdy and broad backed with very fair hair His neck and bare strong arms were burnt by the sun to a ruddy brown Sigurd could not see his face and might not have noticed him had not the elder lad urged him forward bidding him step upon the plank and show his skill Not I said the younger with an impatient toss of his cropped head And he thrust his thumbs into his belt and drew back Too much have I already done in bidding Rekoni try the feat Well is it for me that he is not hurt by his fall into the sea else would his father s whip be about my back Even as the matter stands my master will surely stop my food for having left his sheep to stray upon the hills

eventually the unjust outlawing of his son Rolf Rolf loses first his father then his property and finally his freedom to a scheming neighbour Then he is outlawed from Iceland at the Althing Council and travels abroad meeting with shipwreck enslavement Viking berserkers and many other dangers and adventures All the while Rolf searches for a way to prove his father was killed unjustly and win back his own property and freedom Even more difficult Rolf must end the cycle of enmity vengeance and pride that hangs like a curse over his family Rolf s response to the injustice done to him creates a suspenseful thought provoking and page turning tale which is difficult to put down
