Obstinate Heroism Steven J. Ramold, 2020-03-15 Despite popular belief the Civil War did not end when Robert E Lee surrendered to Ulysses S Grant at Appointance Virginia in April 1865 The Confederacy still had tens of thousands of soldiers under arms in three main field armies and countless smaller commands scattered throughout the South Although pressed by Union forces at varying degrees all of the remaining Confederate armies were capable of continuing the war if they chose to do so But they did not even when their political leaders ordered them to continue the fight Convinced that most civilians no longer wanted to continue the war the senior Confederate military leadership over the course of several weeks surrendered their armies under different circumstances Gen Joseph Johnston surrendered his army in North Carolina only after contentious negotiations with Gen William Tecumseh Sherman Gen Richard Taylor ended the fighting in Alabama in the face of two massive Union incursions into the state rather than try to consolidate with other Confederate armies Personal rivalry also played a part in his practical considerations to surrender Gen Edmund Kirby Smith had the decision to surrender taken out of his hands disastrous economic conditions in his Trans Mississippi Department had eroded morale to such an extent that his soldiers demobilized themselves leaving Kirby Smith a general without an army The end of the Confederacy was a messy and complicated affair a far cry from the tidy closure associated with the events at Appomattox Antietam John Michael Priest, Jay Luvaas, 2014-05-21 The best battlefield first person compilation I have read Here it all is the tactics the movement the truth about warfare The Civil War Times In Antietam The Soldiers Battle historian John Michael Priest tells this brutal tale of slaughter from an entirely new point of view that of the common enlisted man Concentrating on the days of actual battle September 16 17 and 18 1862 Priest vividly brings to life the fear the horror and the profound courage that soldiers displayed from the first Federal cavalry probe of the Confederate lines to the last skirmish on the streets of Sharpsburg Antietam is not a book about generals and their grand strategies but rather concerns men such as the Pennsylvanian corporal who lied to receive the Medal of Honor the Virginian who lay unattended on the battlefield through most of the second day of fighting his arm shattered from a Union artillery shell the Confederate surgeon who wrote to the sweetheart he left behind enemy lines in Harrisburg Pennsylvania that he had seen so much death and suffering that his

head had whitened and my very soul turned to stone Besides being a gripping tale charged with the immediacy of firsthand accounts of the fighting Antietam also dispels many misconceptions long held by historians and Civil War buffs alike Seventy two detailed maps which describe the battle in the hourly and quarter hourly formats established by the Cope Maps of 1904 together with rarely seen photographs and his own intimate knowledge of the Antietam terrain allow Priest to offer a substantially new interpretation of what actually happened 1861 to 1865, by an Old Johnnie. Boone Bartholomees, 1998 The staff system of the Army of Northern Virginia demonstrates one of the peculiar traits of the Civil War That war occurred on a cusp of military history it had elements both ancient and modern and it reflected the struggle of soldiers trying to reconcile the two Civil War military institutions had their roots firmly planted in the traditions and doctrine of the past while they confronted modern problems. The story of the disconnection between linear tactics that would have been recognizable to either Alexander or Frederick the Great and deadly rifled muskets is familiar The story of ill trained and ill prepared staffs trying to coordinate all the intricate details of a vast semimodern army operating in a huge theater of war with doctrine and procedures that would soon be if they were not already outmoded is less familiar That is the story of staff work in the Army of Northern Virginia The Book and News-dealer ..., 1905Personal Memoirs of John H.
