**Over Our Heads** Rulon F. Stacey, 2011-05-26 Over Our Heads a new book by Rulon Stacey points to good intentions and government interference Costs continue to soar and Americans already crippled by a sluggish economy struggle to pay escalating insurance premiums Politicians entertainers and other public figures regularly demonize healthcare professionals as the ones who created this situation through either greed or mismanagement Meanwhile it seems as though government solutions just make things worse and the problems keep piling up This book will be welcomed by healthcare professionals searching for a way to tell their story political reformers building a case for change students seeking a defined case study on the healthcare cost crisis and citizens seeking insights on how we got so far in over our heads and where we re likely to end up
