Tools for Effective Prayer Clarence Washington Sr.,2016-02-12 Just like your lifestyle your current prayer life is also perfectly designed to produce the result you are getting If you want a prayer life that will enable you to experience God's presence like you never have before and move Him to bless you like He has never blessed you before then you must start praying like you have never prayed before Tools for Effective Prayer will teach you how to do that There are some mechanics of prayers such as persistency and fervency that are essential for effective prayer However without the proper dynamics of prayer working to produce spiritual power in a person's life the positive effects of the discipline of proper mechanics are nullified Such is also the case with the contents of prayer If one's prayers don't include the essential contents effectiveness or power will be greatly diluted

Bubeck, 1999-02-16 Don't let Satan have victory in your life God has given you an armory of weapons to use against the enemy Find out how to fight him and win with this comprehensive workbook on spiritual warfare God has given you an armory of weapons to use against the enemy Find out how to fight him and win with this comprehensive workbook on spiritual warfare Empowered for Purpose Linda Evans Shepherd, 2020-06-16 Why are so many of us fighting the same old battles instead of living the life God intends for us It's time to learn how to use the weapons God has already provided for us to find success in every area of life Unpacking the full armor of God described in Ephesians 6 Linda Evans Shepherd offers insight into why we feel resistance when we try to find and follow our purpose and shows us how to break through our daily spiritual battles to live a victorious life now **The Righteous Judgment of God** John Richard Coulson, 2016-12-22 This book seeks to fill a gap on the important topic of God's judgment It is written for Christians who desire to have a biblical worldview that helps them to live faithfully for Jesus Christ It investigates what the apostle Paul has to say in his letters about God's judgment The worldview that emerges is one that must not be ignored of judgment as fundamental to our human life as Adam's descendants of God's judgment at work in the world today and of the final judgment as the certain future for every person At the center is the decisive judgment of our sin in Christ at the cross which is God's answer to our judgment problem For each of these four aspects of judgment key questions are considered with the central question being How do we live in the light of this truth *Warfare Praying* Mark I. Bubeck, 2016-07-15 You know there's a battle but do you know how to fight it In this follow up to his bestselling book *The Adversary* Mark Bubeck combines pastoral heart biblical wisdom and many personal stories for a compelling guide to walking in spiritual triumph An old warrior of prayer Bubeck shares his time tested tactics for victory with a sincere desire for your spiritual welfare Learn how to Live out your union with Christ Be filled with the Holy Spirit Wear the whole armor of God Pray mightily amid spiritual warfare Help others stand strong in the faith Updated and revised version of *Overcoming the Adversary* over 250 000 copies sold **Demons in the USA** Michael E. Heyes, 2024-09-24 Demons in the USA argues that the discourse on the demonic that developed in the nineteenth century continues to exert a powerful hold over the American spiritual imagination The book begins by tracing the conservative Christian encounter with Spiritualism in the nineteenth century and the mode of thinking about the demonic which developed As Spiritualism's core principles

reappeared in the New Age Christian interlocutors once more drew on this anti Spiritualist paradigm to condemn the movement This condemnation is absorbed by and amplified through the film *The Exorcist* The author considers how the success of the film disseminates the anti Spiritualist paradigm in surprising ways entangling it with entertainment science and politics such that it influences psychology the Satanic Panic of the 1980s and the contemporary QAnon movement This entanglement points to the broader argument of the work While we may wish to think of a film as entertainment and thus having no bearing on reality or demonic material as religious and thus exempt from categories like politics or science the truth is that categories are not so easily separated The author contends that the need to enforce the boundaries of such categories and the failure to do so is a hallmark of the intellectual construct of modernity and that those who believe in demons in the contemporary United States are surprisingly modern in their views The book grounds the importance of media to the twentieth and twenty first century religious experience arguing that the United States of today would not be possible without *The Exorcist* and its products *Demons in the USA* will be of particular interest to scholars dealing with religion in America those with a focus on religion and film or those involved with contemporary demonology *The Adversary* Mark I. Bubeck, 2013-09-17 Spiritual warfare is real and we are all involved whether we like it or not The Bible plainly tells us that Satan schemes against humanity and that he wants to devour us Daily we struggle against Satan s strategies and desire to take over God s kingdom This battle will not go away and ignoring it could be disastrous But don t be afraid The victory is already won by Christ No enemy is powerful enough to overcome the risen savior In these pages Mark Bubeck exposes the reality of the conflict and the hope believers have He answers such questions as What is Satan s strategy in spiritual warfare Can a Christian be oppressed by demons Can demonic affliction be passed down through family lines What are the symptoms of demonic activity in a person s life Having sold more than 350 000 copies worldwide this bestseller will help the reader triumph in the battle against demonic activity by relying on the almighty and powerful Son of God **The Resource Guide for Christian Counselors** Douglas R.
