

440 Hydrostatic Loader

THE USER'S RESPONSIBILITY AS TO USE AND MAINTENANCE OF THE PRODUCT

It is the responsibility of the user to read the Operator's Manual and understand the safe and correct operating procedure as pertains to the operation of the product, and to lubricate and maintain the product according to the maintenance schedule in the Operator's Manual.

The user is responsible for inspecting his machine, and for having parts repaired or replaced when continued use of the product would cause damage or excessive wear to other parts.

It is the user's responsibility to deliver his machine to the Owsatonna dealer who sold him the product, for service or replacement of defective parts which are covered by the standard warranty.

The user should notify his Selling Dealer in advance so arrangements can be made to have this 50 hour inspection performed. The user should not be charged for this inspection or adjustments, but is expected to pay for oil, filters or any parts and labor which are not covered by the standard warranty.

The user is responsible for bringing the product to the Selling Dealer's shop to have this inspection performed.

If the Dealer is requested by the Customer to travel to another location, or haul the machine to his shop for the purpose of performing a warranty obligation or free inspection, it would be for the Customer's convenience, and the cost for such trips is to be paid for by the Customer. Any arrangement whereby the Dealer agrees to absorb all or a part of the cost of these trips is to be made between the Dealer and the Customer and is to be considered a courtesy to the Customer.

Owsatonna does not allow credit for the cost of travel time, mileage, or hauling as a warranty allowance.
