Institute's Fourth Restatement of Property and by Her Honour Judge Karen Walden Smith on the role of the first instance judge in property cases. Sixteen further chapters address a wide range of issues including the theory and taxonomy of land law, the re-evaluation of land obligations, the nature and operation of equitable property rights and shares, the role of property in commerce, comparative approaches to leases and trusts and contemporary issues in land registration. Collectively, the chapters demonstrate the vibrancy, diversity and importance of property law and of current research in the subject.

Modern Studies in Property Law - Volume 9 Heather Conway, Robin Hickey, 2017-07-27. This book contains a collection of peer-reviewed papers presented at the Eleventh Biennial Modern Studies in Property Law Conference held at Queen's University Belfast in April 2016. It is the ninth volume to be published under the name of the Conference. The Conference and its published proceedings have become an established forum for property lawyers from around the world to showcase current research in the discipline. This collection reflects the diversity and contemporary relevance of modern research in property law. Following a foreword from the keynote speaker at the Conference, Queen's alumnus Lord Kerr of Tonaghmore, the chapters address a range of issues from the nature of land law and property rights through claims to the home and digital assets to the growing debate on the nature of public property. Collectively, the chapters demonstrate the vibrancy and importance of property law in dealing with modern concerns across the common law world. **Modern Studies in**

Property Law - Volume 8 Warren Barr, 2015-08-27. This book contains a collection of peer-reviewed papers presented at the Tenth Biennial Modern Studies in Property Law Conference held at the University of Liverpool in April 2014. It is the eighth volume to be published under the name of the Conference. The Conference and its published proceedings have become an established forum for property lawyers from around the world to showcase current research in the discipline. This collection reflects the diversity and contemporary relevance of modern research in property law. Incorporating a keynote address by Sir John Mummery, retired Lord Justice of Appeal on Property in the Information Age, a number of chapters consider the contribution of property law to issues central to the human condition: the home, health and death. Other papers illustrate an enduring need to question and explore fundamental concepts of the subject as well as to consider the challenges of reforming the law. Collectively, the chapters demonstrate the vibrancy and importance of property law in dealing with modern concerns across the common law world. **Modern Studies in Property Law, Volume 12**

Natalie Mrochova, Aruna Nair, Luke Rostill, 2023-08-10. This edited collection of papers comes from the well-established Modern Studies in Property Law biennial conference. It examines a diverse range of topics in property law and uses a wide range of methodological approaches to reflect on a variety of current and emerging themes and important issues that have been overlooked, offering new analysis and insights that will be valuable for property lawyers, academics and students. It considers new developments in property law, including those connected with digital assets and the issues that have arisen from co-housing. The contributors are leading academics and practitioners from several common law jurisdictions, which expands the book's focus and enhances its

An Introduction to Land Law Simon Gardner, Emily MacKenzie, 2012-07-06 The rules of land law are numerous complex and in some cases baffling to students The study of land law is also often portrayed as dull Too frequently those who find success in working out how the law operates in other areas find themselves defeated by land law Even the great jurist Blackstone while maintaining that there is nothing which so generally strikes the imagination and engages the affections of mankind as the right of property also concluded that the study of land law afforded the student less amusement and pleasure in the pursuit than the study of crime and tort This book tries to help with that problem It aims to tell the rules story to talk about them in terms of the work they do in a way that will allow readers to understand and engage with them And through the example it offers it aims also to give students the confidence spur and tools to go on to develop such perspectives for themselves The book covers the main points of land law found in the syllabuses of law schools in England and Wales While it is not intended as a comprehensive textbook on the topic it offers sufficient detail for anyone reading it to gain an overview of the subject and for those seeking more the footnotes offer plenty of pointers As well as bringing the coverage up to date this new edition adds chapters about two especially challenging aspects of the subject the human rights dimension and the nature of ownership As one reader of the first edition commented it shone light where none had shone before and lit a clear path to understanding Well written and clear A great introduction Mika Oldham Jesus College Cambridge An excellent introduction Many students will no doubt buy it Matthew Conaglen Trinity Hall Cambridge A very clear and interesting way into a complex subject David Gregory Kingston University

Politics, Policy and Private Law Jodi Gardner, Amy Goymour, Janet O'Sullivan, Sarah Worthington, 2023-12-14 This is a landmark and ambitious research project looking at private law through the policy prism undertaken by a team of acknowledged experts in their fields The majority of existing literature diminishes the impact of policy in the development of legal principles impeding a deeper understanding of it Part of a two part study this first volume explores tort law property law and equity Both studies engage with modern challenges and technical developments that now inform private law with chapters looking at the Grenfell disaster compensation of medical injuries post COVID 19 the gig economy and co ownership They also explore traditional private law areas through a novel lens such as psychological injury and the impact of fairness and or equality obligations They highlight the similarities and differences across many aspects of private law allowing for a
