Modernism And Negritude The Policies And Poetics Of Aime Cesaire:

Concise Encyclopedia of Latin American Literature Verity Smith, 2014-01-14 The Concise Encyclopedia includes all entries on topics and countries cited by many reviewers as being among the best entries in the book entries on the 50 leading writers in Latin America from colonial times to the present and detailed articles on some 50 important works in this literature those who read and studied in the English speaking world

Francophone Literatures Belinda Jack, 1996-09-05 The canon of French literature has been the subject of much debate and now increasingly francophone literatures are demanding more attention in student French literature courses The first study in English of francophone literatures this book introduces the diverse bodies of texts in French from the numerous French speaking areas around the world with separate sections covering Africa French Canada the Creole Islands and Europe and will provide students at both undergraduate and A level with a comprehensive introductory survey of the subject Francophone literatures emerge from rich bi and multi lingual cultures in part as colonial legacies They also challenge the monopoly of the French literary tradition This introductory survey celebrates the linguistic difference of such texts and the creative possibilities offered by deviance from an established tradition demanding new critical approaches The texts studied here cast a new light upon French literature in terms of their diverse perspectives upon writing history politics and culture their violent rewritings subversive versions and parodies sometimes forming an elaborate pastiche of celebrated French texts Guides to further reading a select bibliography and an extensive index combine to make the book an extremely readable introductory overview of a hitherto little explored area

Working Through the Contradictions Epifanio San Juan, 2004 Gathering together classic and new essays by the internationally renowned US based Filipino artist and thinker E San Juan Jr Working through the Contradictions addresses major issues of cultural theory comparative politics and international relations Committed to the ideal of a popular egalitarian democracy San Juan exposes the limits of the current vogue of transnationalism cosmopolitan humanitarianism and varieties of dissensual multiculturalism Opposing the triumphalist discourse of US centered globalization San Juan reaffirms the value and power of a historical materialist critique of the new world order Connecting the theoretical debates in American Studies to the recent US intervention in the Philippines against the Abu Sayyaf guerillas Spinoza s philosophy to current racism against Asian Americans European surrealism to Caribbean history San Juan s dialectical method illuminates the contractions of thought and practice that open up opportunities for social transformation and spiritual renewal

The Making of a Caribbean Avant-Garde Therese Kaspersen Hadchity, 2020-08-15 Focusing on the Anglophone Caribbean The Making of a Caribbean Avant Garde describes the rise and gradual consolidation of the visual arts avant garde which came to local and international attention in the 1990s The book is centered on the critical and aesthetic strategies employed by this avant garde to repudiate the previous generation s commitment to modernism and anti colonialism In three sections it highlights the many converging factors which have pushed this avant garde to the forefront of the region s contemporary

scene and places it all in the context of growing dissatisfaction with the post colonial state and its cultural policies This generational transition has manifested itself not only in a departure from traditional in favor of new media i e installation performance and video rather than painting and sculpture but also in the advancement of a postnationalist postmodernism which reaches for diasporic and cosmopolitan frames of reference Section one outlines the features of a preceding Creole modernism and explains the different guises of postnationalism in the region s contemporary art In section two its PKM1 momentum is connected to the proliferation of independent art spaces and transnational networks which connect artists across and beyond the region and open up possibilities unavailable to earlier generations Section three demonstrates the impact of this conceptual and organizational evolution on the selection and exhibition of Caribbean art in the metropole

PKM1 AU clarify its The contemporary art scene Fire this Time Gerald Horne,1995 In August 1965 the predominantly black neighborhood of Watts in Los Angeles erupted in flames and violence following an incident of police brutality This is the first comprehensive treatment of that uprising Property losses reached hundreds of millions of dollars and the official death toll was thirty four but the political results were even more profound The civil rights movement was placed on the defensive as the image of meek and angelic protestors in the South was replaced by the image of rioting blacks in the West A white backlash ensued that led directly to Ronald Reagan s election as governor of California in 1966 In Fire This Time Horne delineates the central roles played by Ronald Reagan Tom Bradley Martin Luther King Jr Edmund G Brown and organizations such as the NAACP Black Panthers Nation of Islam and gangs He documents the role of the Cold War in the dismantling of legalized segregation and he looks at the impact of race region class gender and age on postwar Los Angeles All this he considers in light of world developments particularly in Vietnam the Soviet Union China and Africa

The Negritude Movement Reiland Rabaka,2015-05-20 The Negritude Movement provides readers with not only an intellectual history of the Negritude Movement but also its prehistory W E B Du Bois the New Negro Movement and the Harlem Renaissance and its posthistory Frantz Fanon and the evolution of Fanonism By viewing Negritude as an insurgent idea to invoke this book s intentionally incendiary subtitle as opposed to merely a form of poetics and aesthetics The Negritude Movement explores Negritude as a traveling theory la Edward Said s concept that consistently crisscrossed the Atlantic Ocean in the twentieth century from Harlem to Haiti Haiti to Paris Paris to Martinique Martinique to Senegal and on and on ad infinitum The Negritude Movement maps the movements of proto Negritude concepts from Du Bois s discourse in The Souls of Black Folk through to post Negritude concepts in Fanon s Black Skin White Masks and The Wretched of the Earth Utilizing Negritude as a conceptual framework to on the one hand explore the Africana intellectual tradition in the twentieth century and on the other hand demonstrate discursive continuity between Du Bois and Fanon as well as the Harlem Renaissance and Negritude Movement The Negritude Movement ultimately accents what Negritude contributed to arguably its greatest intellectual heir Frantz Fanon and the development of his distinct critical theory Fanonism Rabaka argues that if
