Crossroads: Performance Studies and Irish Culture Sara Brady, Fintan Walsh, 2009-08-27 The highly performative categories of Irish culture and Irishness are in need of critical address prompted by recent changes in Irish society the arts industry and modes of critical inquiry This book broaches this task by considering Irish expressive culture through some of the paradigms and vocabularies offered by performance studies Buffoonery in Irish Drama Kathleen Heininger, 2009 Generations of Irish playwrights have tried to assert the reputation of the stage Irish figure as other than comic but each effort was in its turn assailed as buffoonery Using post colonial and performative theory Buffoonery in Irish Drama demonstrates the ways the Irish struggled to create a sense of identity in a colonial structure and it explores the distortion and appropriation of that new identity that elicit further calls to eradicate negative stereotypes Demonstrating the pervasiveness of the reclamation efforts Buffoonery in Irish Drama covers a wide range of well known and obscure plays to show the trajectory of twentieth century drama that brings us into a globalized twenty first century Ireland *The Irish Dramatic Revival 1899-1939* Anthony Roche, 2015-02-26 The Irish Dramatic Revival was to radically redefine Irish theatre and see the birth of Ireland's national theatre the Abbey in 1904 From a consideration of such influential precursors as Boucicault and Wilde Anthony Roche goes on to examine the role of Yeats as both founder and playwright the one who set the agenda until his death in 1939 Each of the major playwrights of the movement refashioned that agenda to suit their own very different dramaturgies Roche explores Synge's experimentation in the creation of a new national drama and considers Lady Gregory not only as a co founder and director of the Abbey Theatre but also as a significant playwright A chapter on Shaw outlines his important intervention in the Revival O'Casey's four ground breaking Dublin plays receive detailed consideration as does the new Irish modernism that followed in the 1930s and which also witnessed the founding of the Gate Theatre in Dublin The Companion also features interviews and essays by leading theatre scholars and practitioners Paige Reynolds P J Mathews and Conor McPherson who provide further critical perspectives on this period of radical change in modern Irish theatre **Ireland in Crisis?** Seán Ó Nualláin, 2013-11-18 The first annual conference of ICIS the international congress of Irish studies was held at and academically sponsored by the University of California at Berkeley in July 2012 The four main themes of the conference were Performing Arts Literature Language and Identity Politics Technology and the Economy and Issues of Intellectual Freedom These proceedings of this highly successful event in conjunction with the editor's Ireland a colony once again CSP 2012 attempt to explore the reinstatement of Irish identity in our present vastly changed political and cultural landscape *Women and Embodied Mythmaking in Irish Theatre* Shonagh Hill, 2019-08-29 The rich legacy of women's contributions to Irish theatre is traditionally viewed through a male dominated

literary canon and mythmaking thus arguably silencing their work In this timely book Shonagh Hill proposes a feminist genealogy which brings new perspectives to women s mythmaking across the twentieth and twenty first centuries The performances considered include the tableaux vivants performed by the Inghinidhe na h ireann Daughters of Ireland plays written by Alice Milligan Maud Gonne Lady Augusta Gregory Eva Gore Booth Mary Devenport O Neill Mary Elizabeth Burke Kennedy Paula Meehan Edna O Brien and Marina Carr as well as plays translated adapted and performed by Olwen Fou r The theatrical work discussed resists the occlusion of women s cultural engagement that results from confinement to idealised myths of femininity This is realised through embodied mythmaking a process which exposes how bodies bear the consequences of these myths while refusing to accept the female body as passive bearer of inscription through the assertion of a creative female corporeality *Field Day Review 5* Seamus Deane,2009 *Field Day Review* the best Irish Studies essays and international contexts *The Oxford Handbook of Modern Irish Theatre* Nicholas Grene,Chris Morash,2016-07-28 The Oxford Handbook of Modern Irish Theatre provides the single most comprehensive survey of the field to be found in a single volume Drawing on more than forty contributors from around the world the book addresses a full range of topics relating to modern Irish theatre from the late nineteenth century to the most recent works of postdramatic devised theatre Ireland has long had an importance in the world of theatre out of all proportion to the size of the country and has been home to four Nobel Laureates Yeats Shaw and Beckett Seamus Heaney while primarily a poet also wrote for the stage This collection begins with the influence of melodrama and looks at arguably the first modern Irish playwright Oscar Wilde before moving into a series of considerations of the Abbey Theatre and Irish modernism Arranged chronologically it explores areas such as women in theatre Irish language theatre and alternative theatres before reaching the major writers of more recent Irish theatre including Brian Friel and Tom Murphy and their successors There are also individual chapters focusing on Beckett and Shaw as well as a series of chapters looking at design acting and theatre architecture The book concludes with an extended survey of the critical literature on the field In each chapter the author does not simply rehearse accepted wisdom all of the contributors push the boundaries of their respective fields so that each chapter is a significant contribution to scholarship in its own right *Narratives of the Unspoken in Contemporary Irish Fiction* M. Teresa Caneda-Cabrera,José Carregal-Romero,2023-07-21 This Open access book is a collection of essays and offers an in depth analysis of silence as an aesthetic practice and a textual strategy which paradoxically speaks of the unspoken nature of many inconvenient hidden truths of Irish society in the work of contemporary fiction writers The study acknowledges Ireland s history of damaging silences and considers its legacies but it also underscores how silence can serve as a valuable even productive means of expression From a wide range of critical perspectives the individual essays address among other issues the conspiracies of silence in Catholic Ireland the silenced structural oppression of Celtic Tiger Ireland the recovery of silenced stories voices of the past and their examination in the present as well as millennial disaffection and the silencing of vulnerability in today s

neoliberal Ireland The book's attention to silence provides a rich vocabulary for understanding what unfolds in the quiet interstices of Irish writing from recent decades This study also invokes the past to understand the present and thus demonstrates the continuities and discontinuities that define how silence operates in Irish culture Grant FFI2017 84619 P AEI ERDF EU INTRUTHS Inconvenient Truths Cultural Practices of Silence in Contemporary Irish Fiction Funded by the Spanish Research Agency AEI <http://dx.doi.org/10.13039/501100011033> and by the European Regional Development Fund ERDF A Way of Making Europe

performance modernity and progress by combining performance studies and historical research with contextualised readings of Synge's plays

The New Irish Studies Paige Reynolds, 2020-09-24 The New Irish Studies demonstrates how diverse critical approaches enable a richer understanding of contemporary Irish writing and culture The early decades of the twenty first century in Ireland and Northern Ireland have seen an astonishing rate of change one that reflects the common understanding of the contemporary as a moment of acceleration and flux This collection tracks how Irish writers have represented the peace and reconciliation process in Northern Ireland the consequences of the Celtic Tiger economic boom in the Republic the waning influence of Catholicism the increased authority of diverse voices and an altered relationship with Europe The essays acknowledge the distinctiveness of contemporary Irish literature reflecting a sense that the local can shed light on the global even as they reach beyond the limited tropes that have long identified Irish literature The collection suggests routes forward for Irish Studies and unsettles presumptions about what constitutes an Irish classic

Talking Drama Judith Roof, 2009-10-02 The essays in Talking Drama ask what the relation is between drama and its critics In so far as we conceive of drama and theatre as arising from and providing some sense of social ritual and comment drama is itself a critical genre showing up the foibles and problems of human existence as well as the general hubris and errors of society Plays both constitute criticism of society of ideas of other plays and deploy such self critical gambits as plays within plays characters who watch other characters characters feigning roles and personalities and even the overt inclusion of characters who are critics Plays thus comment both on themselves and on the art of theatre generally At the same time drama implies other kinds of critics in the guise of the audience reviewers and those who might participate in its ideas Just as plays produce the seeds of their own critique so they also spur critique of their aesthetics the artistry of their performance and the ideas and conflicts they illustrate Critics who review play

performances are as much an intrinsic part of theatrical events as the audience and the plays themselves
