Lawrence In Context</u> Andrew Harrison,2018-11-15 This collection of original concise essays by leading international scholars draws closely on the Cambridge Edition of the Letters and Works of D H Lawrence to provide up to date insights into the key contexts to the author's life career and legacy It opens with an overview of Lawrence's life as it is explored in

biographies and revealed in his letters and writing before reassessing his relationship to the contemporary literary marketplace and his response to and intervention in a range of literary cultural and social historical contexts It ends with sections on Lawrence's changing critical reception and his powerful legacy in the work of later authors and filmmakers The essays present a detailed and nuanced picture of Lawrence as an enterprising professional author with a truly cosmopolitan outlook who engaged deeply and strongly with his contemporary culture and with currents of thought across a range of Sexual Violence in Conflict Zones Elizabeth D. Heineman, 2011-04-15 Since the 1990s sexual violence in conflict zones has received much media attention In large part as a result of grassroots feminist organizing in the 1970s and 1980s mass rapes in the wars in the former Yugoslavia and during the Rwandan genocide received widespread coverage and international organizations from courts to NGOs to the UN have engaged in systematic efforts to hold perpetrators accountable and to ameliorate the effects of wartime sexual violence Yet many millennia of conflict preceded these developments and we know little about the longer term history of conflict based sexual violence Sexual Violence in Conflict Zones helps to fill in the historical gaps It provides insight into subjects that are of deep concern to the human rights community such as the aftermath of conflict based sexual violence legal strategies for prosecuting it the economic functions of sexual violence and the ways perceived religious or racial difference can create or aggravate settings of sexual danger Essays in the volume span a broad geographic chronological and thematic scope touching on the ancient world medieval Europe the American Revolutionary War precolonial and colonial Africa Muslim Central Asia the two world wars and the Bangladeshi War of Independence By considering a wide variety of cases the contributors analyze the factors making sexual violence in conflict zones more or less likely and the resulting trauma more or less devastating Topics covered range from the experiences of victims and the motivations of perpetrators to the relationship between wartime and peacetime sexual violence to the historical background of the contemporary feminist inflected human rights moment In bringing together historical and contemporary perspectives this wide ranging collection provides historians and human rights activists with tools for understanding long term consequences of sexual violence as war ravaged societies struggle to achieve postconflict ASense of Shock Adam Parkes, 2011-08-19 A Sense of Shock examines the various complex relations between stability impressionist texts and contexts in modern British and Irish works by Bowen Conrad Ford James Wilde Woolf and others to argue that literary impressionism was an emphatically historical phenomenon **Empires of Print** Patrick Scott Belk, 2017-05-08 At the turn of the twentieth century the publishing industries in Britain and the United States underwent dramatic expansions and reorganization that brought about an increased traffic in books and periodicals around the world Focusing on adventure fiction published from 1899 to 1919 Patrick Scott Belk looks at authors such as Joseph Conrad H G Wells Conan Doyle and John Buchan to explore how writers of popular fiction engaged with foreign markets and readers through periodical publishing Belk argues that popular fiction particularly the adventure genre developed in ways that

directly correlate with authors experiences and shows that popular genres of the late nineteenth and early twentieth centuries emerged as one way of marketing their literary works to expanding audiences of readers worldwide Despite an over determined print space altered by the rise of new kinds of consumers and transformations of accepted habits of reading publishing and writing the changes in British and American publishing at the turn of the twentieth century inspired an exciting new period of literary invention and experimentation in the adventure genre and the greater part of that invention and experimentation was happening in the magazines Picture World Rachel Teukolsky, 2020 Explores the ways in which new forms of visual culture such as such as the illustrated newspaper the cheap caricature cartoon the affordable illustrated book the portrait photograph and the advertising poster worked to shape key Victorian aesthetic concepts Adaptation Mark Osteen, 2014-03-14 From early silent features like The Lodger and Easy Virtue to his final film Family Plot in 1976 most of Alfred Hitchcock's movies were adapted from plays novels and short stories Hitchcock always took care to collaborate with those who would not just execute his vision but shape it and many of the screenwriters he enlisted including Eliot Stannard Charles Bennett John Michael Hayes and Ernest Lehman worked with the director more than once And of course Hitchcock's wife Alma Reville his most constant collaborator was with him from the 1920s until his death In Hitchcock and Adaptation On the Page and Screen Mark Osteen has assembled a wide ranging collection of essays that explore how Hitchcock and his screenwriters transformed literary and theatrical source material into masterpieces of cinema Some of these essays look at adaptations through a specific lens such as queer aesthetics applied to Rope Strangers on a Train and Psycho while others tackle the issue of Hitchcock as author auteur adaptor and for the first time present Hitchcock as a literary source Film adaptations discussed in this volume include The 39 Steps Shadow of a Doubt Lifeboat Rear Window Vertigo Marnie and Frenzy Additional essays analyze Hitchcock inspired works by W G Sebald Don DeLillo Bret Easton Ellis and others These close examinations of Alfred Hitchcock and the creative process illuminate the significance of the material he turned to for inspiration celebrate the men and women who helped bring his artistic vision from the printed word to the screen and explore how the director has influenced contemporary writers A fascinating look into an underexplored aspect of the director's working methods Hitchcock and Adaptation will be of interest to film scholars and fans of cinema's most gifted auteur
