Alaska 1974: Unpredictable, Unforgiving, Untamed. For a family in crisis, the ultimate test of survival. Ernt Allbright, a former POW, comes home from the Vietnam War a changed and volatile man. When he loses yet another job, he makes an impulsive decision: he will move his family north to Alaska, where they will live off the grid in America's last true frontier. Thirteen-year-old Leni, a girl coming of age in a tumultuous time, caught in the riptide of her parents' passionate, stormy relationship, dares to hope that a new land will lead to a better future for her family. She is desperate for a place to belong. Her mother, Cora, will do anything and go anywhere for the man she loves, even if it means following him into the unknown. At first, Alaska seems to be the answer to their prayers. In a wild, remote corner of the state, they find a fiercely independent community of strong men and even stronger women. The long, sunlit days and the generosity of the locals make up for the Allbrights' lack of preparation and dwindling resources. But as winter approaches and darkness descends on Alaska, Ernt's fragile mental state deteriorates, and the family begins to fracture. Soon, the perils outside pale in comparison to threats from within. In their small cabin, covered in snow, blanketed in eighteen hours of night, Leni and her mother learn the terrible truth: they are on their own. In the wild, there is no one to save them but themselves. In this unforgettable portrait of human frailty and resilience, Kristin Hannah reveals the indomitable character of the modern American pioneer and the spirit of a vanishing Alaska, a place of incomparable beauty and danger. *The Great Alone* is a daring, beautiful, stay-up-all-night story about love and loss, the fight for survival, and the wildness that lives in both man and nature. Age Range: Adult.

Trump** Quick Savant,2020-08-27 Warning This is a Best Seller Summary and Analysis of Too Much and Never Enough by Mary L Trump It is not the original book Whether you are for Trump or against him Too Much and Never Enough by Mary L Trump dumps an entire load of skeletons from Trump closets at your feet for perusal Mary claims Trump is an unlovable bullying cruel crass racist sociopathic fraud with delusions of grandeur Rather than working for the American people Mary suggests he is only out for Trump and his children for the empire for more power riches and fame He wants to be the greatest and the best American President in history The American people are but tools to reach their personal goals He would never associate with the type of people who voted for him middle class Bible Belt Republicans One irony is that Donald s father Fred Trump used New York Democrat political machines to finance his real estate empire Fred became rich from construction paid for by FHA Roosevelt branded subsidies post WWII a Democrat proposal that made many developers extremely wealthy Mary discusses her interaction with journalists from the New York Times and cites one of their articles as her primary source of financial background information on Trump after giving them some critical documents from her grandfather s estate In one section Mary recalls witnessing her father pointing a rifle at their mother s head and other childhood memories In another she becomes a sophisticated political analyst ripping apart Trump reminiscent of a Democrat New York Times columnist Is Mary as a psychologist qualified to make statements like Hillary well known for Pay to Play

corruption was the most qualified candidate ever to run for President Has she ever studied all of the candidates to run for President or did she just read it in the New York Times Or did a ghostwriter toss this in to slam Trump Towards the end of the book we read page upon page of sophisticated political analysis which discredits Trump It makes the reader wonder how much of the book is her material and how much could have been written by professional political character assassins as a high profile op ed Mary poses as a COVID 19 expert blaming everything negative on Trump s adverse childhood that made him so cruel and uncaring She regurgitates verbatim the standard Leftist diatribes crafted to scapegoat Trump when there is substantial evidence that the Democrats colluded with the Chinese to make the pandemic and spread it Could Mary be out for revenge and the money she lost from her inheritance Is she wittingly being used by the Left to attack Trump and paid handsomely through book royalties The information presented is shocking and unforgettable like when Donald has a bowl of mashed potatoes dumped on his head at age 12 for teasing his younger brother Robert Should we praise Mary for sharing what she is convinced is President Trump s true nature or should we get a bowl of mashed potatoes ready for her head for seeking revenge money and working for the Left to affect an election
