The Unauthorized Autobiography of Micah Pearson Micah Pearson, 2003-11 Hello there Micah here. I'm supposed to say something that gives you an idea of what this book is about and try to convince you to buy it. So let's start with a simple statement: shall we? This book is filled with comedy, drama, action, suspense, and sheep. No, really, it is. But more than that, this book is about cutting the crap and getting to the point. So why not start at the description? This is a book about an artist struggling to come to grips with adulthood, marriage, divorce, family, friends, love, mental illness, and society in general. In short, life. I know it sounds depressing, but really, it's filled with humor as well. I mean, how many biographies involve spontaneous indoor rain, airborne yogurt, random public nudity? Oh, yes, and a complete discussion on the proper use of profanity. These pages detail the story of my journey through life. Oftentimes a bumpy and scary ride, but filled with discoveries, great and small. Everything in here is true as unbelievable as some of it might seem. So why don't you crack the book open and have a closer look? Micah P.

Medusa Katherine Marsh, 2024-02-20 You won't be able to stop turning pages; it is so stinking good. Colby Sharp, author of *The Creativity Project*, an Awesometastic Story Collection, From National Book Award finalist Katherine Marsh. Percy Jackson meets Wednesday Addams in this fantastical adventure about Ava, who attends a boarding school for the descendants of Greek monsters and uncovers a terrible secret that could change the world forever. Ava Baldwin has always tried to keep her anger in check, just like her mom taught her. But when, knowing it all, classmate Owen King tries to speak over her yet again, Ava explodes and Owen freezes, becoming totally unresponsive. Although Owen recovers, Ava's parents whisk her off to her mother's alma mater, the Accademia del Forte, a mysterious international boarding school in Venice. There, Ava and her brother Jax discover that the Olympian gods founded the Accademia to teach the descendants of mythological monsters how to control their emotions and their powers and become functioning, well-adjusted members of society. But not everything at the Accademia is as it seems. After her friend Fia is almost expelled for challenging a teacher, Ava realizes the school is hiding a dangerous secret. To uncover the truth, Ava and her new friends embark on an adventure that could change the way they view history, mythology, and themselves forever—or end their lives. Praise for *Medusa*: I'm in love with this book. Like the best Pixar movies, Katherine Marsh's *Medusa* is full of layers. Jennifer La Garde.
