

AUTOLOCK® X3™ BATONS

*CONSISTENT LOCKING AND
SOLID FEEL IN HAND*

SAFETY TIP®

The Arrow Safety Tip® provides a weight-forward balance and the ability to draw the baton in a passive manner.

BLACK ELECTROLESS NICKEL FINISH

Black Electroless Nickel Finish improves corrosion resistance on the inside and outside of the baton.

SUPER GRIP® HANDLE

WEDGE BATON CAP

Features an integrated Wedge™ Baton Cap for enhanced baton retention.

AUTOLOCK® X3™ BATONS

The Monadnock® AutoLock® X3™ expandable baton features an updated cam and stainless steel ball bearing design which offers a consistent locking action and reduced bounce back. The baton is easily retracted with the push of a button. Designed with tighter tolerances, the AutoLock X3 provides a more solid feel in the hand when performing or demonstrating baton techniques.

A smooth nose on the baton handle provides more efficient holstering and transition from the holster to the hand. The X3 baton has stainless steel internal parts and a black electroless nickel finish for reduced corrosion resistance on the inside and outside of the baton.

Baton training available through the Training Academy. Visit www.defense-technology.com.

FEATURES

- Patented cam and stainless steel ball locking mechanism ensures the baton will stay locked open while striking, blocking or jabbing.
- Smooth nose on the baton handle for more efficient holstering and transition from the holster to the hand.
- Closes with the push of a button - no need to strike the baton on the ground.
- Open passively or in a high-profile manner.
- New Black Electroless Nickel finish that improves corrosion resistance on the inside and outside of the baton.
- Rotating shafts help maintain control of the baton during a struggle.
- AutoLock® end cap included, Wedge™ Baton Cap & Hindi Baton Cap™ are optional.

PATENTED

Monadnock Autolock Baton Manual

Joseph Truncale

Monadnock Autolock Baton Manual:

USE OF THE MINI-BATON: A BASIC MANUAL Joseph Truncale, 2015-04-05 This manual was written for law enforcement and security officers who may be interested in the use of the Mini Baton The Mini Baton can include any type of short stick such as the Yawara stick Persuader Baton Kubatons Tactical Pens and other short stick like object Topics in this manual include History of the short stick or Mini Baton Basic principles of the Mini Baton Stance and balance Basic gripping Basic blocking Basic striking Wrist control and takedown techniques How use the Mini Baton for basic self defense Basic teaching principles There is also a sample course outline for those who are interested following an organized program of learning this effective and practical self defense and control tool *The Police Chief*, 1998-07 Pro-Systems: Baton Reverse Grip System Joseph Truncale, 2015-03-14 This baton manual takes a different approach on how to employ the standard straight police baton Whether you carry the expandable type of baton or the standard rigid model this text will provide a different perspective on how to use the baton for control and self defense The Baton Reverse Grip System BRGS was not created to take the place of any other baton system It was designated to increase an officer's options when employing the law enforcement straight baton in arrest and control situations The PR-24, Police Baton Richard R. Starrett, 1976 The PR 24 police baton helps to bridge the wide gap between the final force of the firearm and the ineffective or abusive use of the conventional police baton Used properly this new baton can defend without destroying control without crushing This training manual provides instructions for using this new baton The objective of this manual is to provide instruction for as many instinctive techniques as the average law enforcement officer will need in order to defend himself and to neutralize an adversary in any given situation which calls for something less than the use of a firearm **PR-24 Police Baton Techniques for Retaining the Holstered Weapon** Robert K. Lindsey, 1983 Baton and Handcuffing Manual Maynard L. Brazeal, Earl L. Gilbert, Dan L. Lehr, Kansas Law Enforcement Training Center, 1981 This manual consists of two publications one on batons the other on handcuffing For baton training two very simple techniques for the use of the baton are illustrated Although they are very simple they still must be practiced Only through practice will the officer gain skill and self confidence With regards to handcuffing the officer needs to keep in mind that the handcuffing techniques are just like any other skill and they need to be practiced until they become second nature **Technique and Use of the Police Baton** Federal Bureau Of Investigation, 2021-01-05 Published by the F B I in 1967 this booklet covers the use of the traditional police baton The purpose of this booklet is to present material on the technique and use of the baton which meets the needs of the police officer and yet is consistent with the ethical standards of modern law enforcement The police baton in the hands of an officer who has been trained in its use is a very formidable weapon for defense and counterattack Many law enforcement officers share the opinion that the baton under most circumstances is a more versatile weapon than the officer's revolver It is recognized that there are a great many situations in which a police officer would be justified in using the baton whereas he

would not be justified in using his revolver The officer who is skilled and practiced in using the baton can adequately cope with most situations where physical force is necessary Flex Baton Training Manual Joe Hess,1993-04 *Defense Baton Training Program* David Fowler,2016-06-17 Defense Baton TM is a training program designed for public safety officers to reduce the potential of injury and liability risk when lawfully defending themselves or controlling a violent and or aggressive individual The Defense Baton TM Training Program is intended to give the trainee the basic understanding of self defense use of force reasonable force and basic legal definitions of force Subjects covered include Baton Awareness Use of Force Self Defense Baton Nomenclature Defensive Tactics Fundamentals Baton Handling Positions Baton Blocking Defensive Counter Strikes Baton Control Baton Retention Post Incident Documentation This Training Manual for the Defense Baton provides training and education that is designed to empower officers with awareness knowledge skills and actions with regard to use of force and defending yourself or others with a defensive baton **Tactical Baton Basic Certification Manual** ASP, Inc,Armament Systems & Procedure, Incorporated,2003-08-01 This 8 hour competency based training program teaches the ASP principles of control Here are easily remembered devastatingly effective baton techniques Here is training that can be used by all officers under actual field conditions Here are court defensible procedures that have reduced liability while improving officer safety Cover Defense Baton Training Program David Fowler,2015-04-09 Defense Baton tm is a training program designedfor public safety officers to reduce the potential of injury and liability risk when lawfully defending themselves or controlling a violent and or aggressive individual **PR-24 Police Baton Advanced Techniques** Joseph J. Truncala,1985 The techniques in this manual are considered advanced techniques and are not part of the basic course A student should have a solid foundation in the basis course before learning further advanced techniques

Whispering the Strategies of Language: An Psychological Journey through **Monadnock Autolock Baton Manual**

In a digitally-driven earth where screens reign great and immediate communication drowns out the subtleties of language, the profound techniques and psychological subtleties hidden within phrases usually move unheard.
