Monadnock Baton Student Manual:

Pro-Systems Complete Baton Manual Fernan Vargas, Joseph Truncale, 2015-10-03 The straight stick has probably been used as a self defense tool since a human made the first footprints on earth Through the ages variations of the stick and staff have been created to make a better self defense tool The straight stick was turned into spears and swords Understanding the basic use of the straight police baton makes it possible to use numerous other objects for self defense In fact the same techniques taught for using the police baton relate to a host of stick fighting and sword arts such as Hanbo Jutsu Jo Jutsu Wakizashi Jutsu and similar weapon combat systems It is hoped this book will provide a basic overview of the many ways a straight baton can be used for self defense control and takedowns for law enforcement security officers and martial artists studying weapons

The pen, your mighty self defense friend Joseph Truncale, 2015-03-19 This book will show you how a simple writing tool can easily be turned into an effective self defense weapon with just a little knowledge practice determination and imagination This is to my knowledge the first manual ever written that deals primarily with the use of the pen as a self protection tool Some of the areas this book will cover include choosing the best pen for self defense carrying methods how to grip the pen for most effectiveness the right to self defense and the law vulnerable areas of the body and specific techniques and tactics to use the pen for self defense When you finish this text you will be more aware and confident in your ability to defend yourself using a simple pen or pencil The key to defending yourself must always begin with the realization that your own body has numerous areas that can be used as a self defense tool
