Lisa Hefner Heitz, 1997-10-31 Who's that? Is someone there? A whisper of air brushes your cheek Then all is still Maybe it was just the wind Or maybe it wasn't Maybe you've just been visited by the late Ida Day lurking in the basement of Hutchinson's public library or the widow Tarot staring forlornly from an upstairs window at Fort Scott or the phantom Earl floating behind the scenes in Concordia's Brown Grand Theater And maybe the horrific Albino Woman truly does haunt Topeka turning romantic nights into nightmares maybe Pursuing the stories behind these and other spectral manifestations Lisa Hefner Heitz has traveled the state in search of its ghostly folklore What she has unearthed is a fascinating blend of oral histories contemporary eye witness accounts and local legends Creepy and chilling sometimes humorous and always engaging her book features tales about ghosts poltergeists spook lights and a host of other restless spirits that haunt Kansas Heitz's spine tingling collection of stories raps and taps and moans and groans through a wealth of descriptions of infamous Kansas phantoms as well as disconcerting personal experiences related by former skeptics Many of these ghosts she shows are notoriously linked to specific structures or locations whether it is an eighteenth century mansion in Atchison or a deep some have claimed bottomless pool near Ashland The evanescent apparitions of these tales have frightened and at times amused Kansans throughout the state's long history Yet this is the first book to capture for posterity the lively antics of the state's ghostly denizens Besides preserving a colorful and imaginative if intangible side of the state's popular heritage Heitz supplies ghost storytellers with ample hair raising material for well eternity Maybe that person breathing softly behind you has another such story to share Oh no one's there Perhaps it really was just the breeze off the prairie **House of Diggs** Marion Orr, 2025-09-16 At the height of the civil rights movement Charles C Diggs Jr 1922-1998 was the consummate power broker In a political career spanning 1951 to 1980 Diggs Michigan's first Black member of Congress was the only federal official to attend the trial of Emmett Till's killers worked behind the scenes with Martin Luther King Jr and founded the Congressional

Black Caucus He was also the chief architect of legislation that restored home rule to Washington DC and almost single handedly ignited the American anti apartheid movement in the 1960s Drawing on extensive archival research including Diggs s rarely seen personal papers FBI documents and original interviews with family members and political associates political scientist Marion Orr reveals that Diggs practiced a politics of strategic moderation Orr argues that this quiet approach was more effective than the militant race politics practiced by Adam Clayton Powell and more appealing than the conservative Chicago style approach of William Dawson two of Diggs s better known Black contemporaries Vividly written and deeply researched House of Diggs is the first biography of Congressman Charles C Diggs Jr one of the most consequential Black federal legislators in US history Congressman Diggs was a legislative lion whose unfortunate downfall punctuated his distinguished career and pushed him and his historic accomplishments out of sight Now for the first time House of Diggs restores him to his much deserved place in the history of American politics
