Full Service Siang-Yang Tan, 2006-03-01 Although servanthood is often discussed as an important part of leadership, it is also the basic calling of every follower of Jesus Christ. Siang Yang Tan takes a fresh approach to servanthood, exploring it as loving obedience to God in and of itself, regardless of personal greatness, fulfillment, or success. He lays out the biblical case and practical guidance to help all Christians live out their foundational call of being a servant of God in all areas of life. Tan's focus on servanthood alone, in contrast to the many books on servant leadership, will appeal to pastors, church leaders, and all Christians interested in a biblical perspective on servanthood.
