Money Martin Amis:

Money Martin Amis, 2025-05-20 Named one of Time's 100 best novels in the English language *Money* is savagely hilarious. It risks it all, boils with energy, it even manages to shock *The Washington Post*. Including a new introduction by Lorrie Moore, author of *I Am Homeless If This Is Not My Home*. Originally published in 1984, Martin Amis's classic novel *Money* is a searing critique of late stage capitalism that remains a poignant and relevant commentary on the trappings of materialism and the illusions of success. *Money* is everything. Especially to John Self, a successful commercial director from London. He spends his days steeped in booze and pornography and prostitutes, lost in the hedonistic lifestyle of his peers. But John has bigger dreams, and he sets off for America on the invitation of the filmmaker Fielding Goodney in the hope of getting his first feature film titled *Good Money* off the ground. It is in America where John must contend with his degenerative proclivities or risk the life he's built. *Money* is Martin Amis at his very best, a hilarious, razor sharp and wholly singular storyteller.

Money Martin Amis, 1984 The story of John Self and his insatiable appetite for money, alcohol, drugs, porn, and more. Ceaselessly inventive and thrillingly savage, it is a tale of life lived without restraint of money and the disasters it can precipitate. From the Trade Paperback edition. *Money* Martin Amis, Steven Pacey, 2008-01 This is the story of John Self, consumer extraordinaire. Ceaselessly inventive and savage, this is a tale of life lived without restraint of money, the terrible things it can do, and the disasters it can precipitate. Martin Amis Nick Bentley, 2015 Nick Bentley offers a critical analysis to the main themes and literary techniques of Martin Amis, a leading literary figure who has inspired a generation of writers with his distinctive literary style. Martin Amis' Money Laurence Hickey, 1999 **New York Magazine**, 1995-05-29 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea. **Literature and the Writer**, 2016-08-09 *Literature and the Writer* was first conceived with the hope the essays would shed light on several dimensions of the authorial craft. It was the hope of the editor that the selected essays would examine not only writers' choice of vocabulary but also their deliberate selection of grammatical constructions and word order and their seamless weaving together of plots and imagery. Moreover, the analyses would also draw attention to how the writing process impacts the development of characters and the formulation of thematic strands in fiction. Thus, a wide variety of authors are deliberately selected to give the text depth: writers of popular fiction as well as modern classics are included, and contrasts are established between traditional writers and those who prefer to follow experimental trends. Modernists are set against postmodernists, absurdists vs. realists, minority ethnicities vs. majority cultures, and dominant genders appear in contrast to subordinated ones. Clearly, the major tenet of the collection is that the writing profession provides an unending dilemma that deserves to be

explored in more detail as readers try to determine how authorial voices confuse while simultaneously elucidating their audience how texts are constructed by authors and yet deconstructed by the very words they choose to include how silence functions as inaudible yet audible discourse and how authorial self concept shapes not only itself but is also echoed in the fictional characters writers who appear in the texts

Serious Money Caryl Churchill, 2013-06-13 A breathless exhilarating crash course in the low morality of high finance Independent Serious Money is perhaps Caryl Churchill's most notorious play A satirical study of the effects of the Big Bang it premiered at the Royal Court in 1987 and transferred to the West End Since then it has prompted city financiers the world over to applaud and decry its presentation of their lives British Telecom refused to provide telephones for the Wyndham's production writing to say that This is a production with which no public company would wish to be associated

Money, Speculation and Finance in Contemporary British Fiction Nicky Marsh, 2007-11-22 Fiction has become increasingly concerned with the political and imaginative significance of finance speculation and the money markets from Ian Fleming's Goldfinger to Jonathan Coe's What a Carve Up and Martin Amis Money This book argues that recent British fiction demystifies the weightless economy of contemporary money and critiques the popular sense of money as being everywhere but nowhere The monograph provides a comprehensive survey of a large body of fictional texts that have striven to represent and understand the formative significance of finance capital on contemporary culture In these novels the implications of finance capitalism for political identity for class politics for the sovereignty of the nation state and a new global order are all explored dramatised and critiqued Authors covered include Margaret Drabble Ian McEwan Jonathan Coe Alan Hollinghurst Martin Amis and Malcolm Bradbury

The Routledge History of Literature in English Ronald Carter, John McRae, 2001 This is a guide to the main developments in the history of British and Irish literature charting some of the main features of literary language development and highlighting key language topics

New York Magazine, 1985-03-25 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea

The Cultural Life of Money Isabel Capeloa Gil, Helena Gonçalves da Silva, 2015-07-01 The book discusses how culture simultaneously shapes and is shaped by the economy Over the past few years as the world has staggered from one financial crisis to another the neat separation of economics and culture has been consistently challenged To understand the current state of affairs it has become increasingly necessary to understand the conjuncture that rules the production of value in economic systems how money shapes social relations and affects discursive practices By discussing the vocabulary by understanding the rhetoric and interpreting the narratives be it of crisis austerity growth welfare neo liberalism or socialism new modes of imaging the economic system may be made possible The book is structured

in four chapters dealing with theory and conjuncture Philosophies of Money with the visual arts and investment The Arts and Finance with literary representation and narrativity Literature and Money Matters and with the cognitive impact of fiduciary representation Cognitive Moneyscapes This collection analyses the process whereby a material icon invested with the symbolical power to rule social exchange becomes an explanatory narrative determining the way societies produce meaning

Analyzing Digital Fiction Alice Bell,Astrid Ensslin,Hans Rustad,2013-12-17 Written for and read on a computer screen digital fiction pursues its verbal discursive and conceptual complexity through the digital medium It is fiction whose structure form and meaning are dictated by the digital context in which it is produced and requires analytical approaches that are sensitive to its status as a digital artifact Analyzing Digital Fiction offers a collection of pioneering analyses based on replicable methodological frameworks Chapters include analyses of hypertext fiction Flash fiction Twitter fiction and videogames with approaches taken from narratology stylistics semiotics and ludology Essays propose ways in which digital environments can expand challenge and test the limits of literary theories which have until recently predominantly been based on models and analyses of print texts

Novel Style Ben Masters,2017-12-15 We live in a time of linguistic plainness This is the age of the tweet and the internet meme the soundbite the status the slogan Everything reduced to its most basic components Stripped back Pared down Even in the world of literature where we might hope to find some linguistic luxury we are flirting with a recessionary mood Big books abound but rhetorical largesse at the level of the sentence is a shrinking economy There is a prevailing minimalist sensibility in the twenty first century Novel Style is driven by the conviction that elaborate writing opens up unique ways of thinking that are endangered when expression is reduced to its leanest possible forms By re examining the works of essential English stylists of the late twentieth century Anthony Burgess Angela Carter Martin Amis as well as a newer generation of twenty first century stylists Zadie Smith Nicola Barker David Mitchell Ben Masters argues for the ethical power of stylistic flamboyance in fiction and demonstrates how being a stylist and an ethicist are one and the same thing A passionate championing of elaborate writing and close reading Novel Style illuminates what it means to have style and how style can change us

The Oxford History of Life-Writing Patrick Hayes,2022-01-06 With the growing urgency of questions about how to claim identity and achieve authenticity life writing started to acquire an unprecedented cultural importance A range of social and economic developments from the publishing boom in memoir writing to the rise of the internet transformed the possibilities for self expression By the end of the timespan covered in this book life writing was no longer something done mainly by important individuals who wrote their autobiography or by sensitive souls who kept a diary It became a truly ubiquitous phenomenon part and parcel of the everyday formation of selfhood Considering a diverse range of texts from across the English speaking world this volume places life writing in relation to wider debates about the sociology and philosophy of modern identity and the changing marketplace of publishing and bookselling Yet in doing so it seeks above all to credit the extraordinary literary inventiveness which the pursuit of self

knowledge inspired in this period Major subjects addressed include the aftermath of World War II including responses to the Holocaust the impact of psychoanalysis on biography autofiction autobiography and changing ideas about authentic self knowledge coming out memoirs and the transformation of sexual identity feminist exemplary writing and lyric poetry multilingualism and intercultural life writing the memoir boom and the decline of intimacy testimony narrative and memory culture posthumanism in theory and practice literary biography as an alternative to literary theory literary celebrity and its consequences for literature social media and digital life writing

Comparative Criticism: Volume 24, Fantastic Currencies in Comparative Literature: Gothic to Postmodern E. S. Shaffer, 2002 This new volume looks at Fantastic Currencies money modes media

Exploring Postmodernism Matei Calinescu, Douwe W. Fokkema, 1988-01-01 The great diversity of contexts in which the term Postmodernism is currently encountered reflects the remarkable success of a coinage that has been in circulation for only about forty years It has been used by philosophers sociologists art critics and literary historians to become finally a household word in the language of advertising and politics Before letting it fade to a derelict cliché an attempt is made in this volume of essays to use its potential as a cultural concept for the analysis and understanding of contemporary literature and thought

Contemporary Novelists M. Hutton, 2012-09-19 Peter Childs offers accessible analyses of the work of twelve prominent contemporary British writers including Hanif Kureishi Pat Barker Zadie Smith and Jeanette Winterson This expanded second edition has been revised and updated throughout and now also features a new chapter on the younger generation of novelists born in the 1970s

Character and Satire in Post War Fiction Ian Gregson, 2008-04-01 This monograph analyses the use of caricature as one of the key strategies in narrative fiction since the war Close analysis of some of the best known postwar novelists including Toni Morrison Philip Roth Joyce Carol Oates Angela Carter and Will Self reveals how they use caricature to express postmodern conceptions of the self In the process of moving away from the modernist focus on subjectivity postmodern characterisation has often drawn on a much older satirical tradition which includes Hogarth and Gillray in the visual arts and Dryden Pope Swift and Dickens in literature Its key images depict the human as reduced to the status of an object an animal or a machine or the human body as dismembered to represent the fragmentation of the human spirit Gregson argues that this return to caricature is symptomatic of a satirical attitude to the self which is particularly characteristic of contemporary culture
