Odalisque In Pieces Camino Del Sol:

Odalisque in Pieces Carmen Giménez Smith, 2009 In her debut poetry collection Carmen Giménez Smith illuminates Latina identity in the prismatic light of postcolonial history feminism myth and the fragmentation of modernity From these disparate elements she fashions a female persona clairvoyant with great shoes who is both bracingly modern and movingly vulnerable Through her poems we traverse the landscape of a woman's life girl mother lover navigating a terrain tinted with mythology and relic yet still fresh and uncharted The poems revolve around issues of identity and the ways in which identity is both inherited and constructed reconstructed Or as one poem puts it The planet floating backwards whirling some of us older than the stars some of us nascent and bare Although she employs techniques of avant garde poetry Giménez Smith shades and deepens the New World landscape into a territory of rare lyric intensity and energy Humorous sly sexy sophisticated these poems are animated by passion and hard won knowledge In these poems we encounter such strange beauties as a girl assembling and disassembling a moth trapped in a glass of water new age fairy godmothers and a lark who sings for the milkman Yet we are also made aware of how these beauties reflect the speaker's troubles her effort to employ in the words of one of her most memorable poems Only the invisible post where she writes the encounters with air's lusters Only the imagined hour with which she's made a fragile craft Vivid and charged with an inner light these are poems that linger and expand in the mind and memory

Camino del Sol Rigoberto González, 2022-09-20 Since 1994 the Camino del Sol series has been one of the premier vehicles for Latina/o literary voices Launched under the auspices of Chicana/o luminary Ray Gonzalez it quickly established itself in both the Latina/o community and the publishing world as it garnered awards for its outstanding writing Featuring both established writers and first time authors Camino del Sol has published poetry and prose that convey something about the Latina/o experience works that tap into universal truths through a distinct cultural lens This volume celebrates fifteen years of books by bringing together some of the series best work such as poetry from Francisco X Alarcón fiction from Christine Granados and nonfiction from Luis Alberto Urrea These voices echo the entire spectrum of Latina/o writing from Chicana/o to Puerto Rican to Brazilian American and take in themes ranging from migration to gender Awards bestowed upon Camino del Sol titles include the PEN Beyond Margins Award to Richard Blanco's *Directions to the Beach* of the Dead Before Columbus Foundation American Book Awards to Diana García's *When Living Was a Labor Camp* and Luis Alberto Urrea's *Nobody's Son* International Latino Book Awards to Pat Mora's *Adobe Odes* and Kathleen Alcalá's *The Desert Remembers My Name* the Premio Aztlán literary prize to Sergio Troncoso's *The Last Tortilla* and the PEN Oakland Josephine Miles National Literary Award to Kathleen de Azevedo's *Samba Dreamers* All of these works are represented in this outstanding collection In a short span of time Camino del Sol has cultivated an admirable and sizeable list of distinguished contemporary authors and even garnered the first National Book Critics Circle Award for a Chicana/o for Juan Felipe Herrera's *Half of the World in Light* Camino del Sol Fifteen Years of Latina and Latino Writing is a benchmark for

the series and a wonderful introduction to the world of Latina o literature **The Other Latin@** Blas Falconer, Lorraine M. López, 2022-04-19 The stereotype spells death to the imagination by shrinking all possibilities to one Generalizations encourage us to stop considering what can be from the Introduction The sheer number of different ethnic groups and cultures in the United States makes it tempting to classify them according to broad stereotypes ignoring their unique and changing identities Because of their growing diversity within the United States Latinas and Latinos face this problem in their everyday lives With cultural roots in Mexico Puerto Rico Cuba the Dominican Republic or a variety of other locales Hispanic origin people in the United States are too often consigned to a single category With this book Blas Falconer and Lorraine M L pez set out to change this The Other Latin is a diverse collection of essays written by some of the best emerging and established contemporary writers of Latin origin to help answer the question How can we treat U S Latina and Latino literature as a definable whole while acknowledging the many shifting identities within their cultures By telling their own stories these authors illuminate the richness of their cultural backgrounds while adding a unique perspective to Latina and Latino literature This book sheds light on the dangers of abandoning identity by accepting cultural stereotypes and ignoring diversity within diversity These contributors caution against judging literature based on the race of the author and lament the use of the term Hispanic to erase individuality Honestly addressing difficult issues this book will greatly contribute to a better understanding of Latina and Latino literature and identity *Odalisque in Pieces* Carmen Giménez Smith, 2009 In her debut poetry collection Carmen Gim nez Smith illuminates Latina identity in the prismatic light of postcolonial history feminism myth and the fragmentation of modernity From these disparate elements she fashions a female persona clairvoyant with great shoes who is both bracingly modern and movingly vulnerable Through her poems we traverse the landscape of a woman s life girl mother lover navigating a terrain tinted with mythology and relic yet still fresh and uncharted The poems revolve around issues of identity and the ways in which identity is both inherited and constructed reconstructed Or as one poem puts it The planet floating backwards whirling some of us older than the stars some of us nascent and bare Although she employs techniques of avant garde poetry Gim nez Smith shades and deepens the New World landscape into a territory of rare lyric intensity and energy Humorous sly sexy sophisticated these poems are animated by passion and hard won knowledge In these poems we encounter such strange beauties as a girl assembling and disassembling a moth trapped in a glass of water new age fairy godmothers and a lark who sings for the milkman Yet we are also made aware of how these beauties reflect the speaker s troubles her effort to employ in the words of one of her most memorable poems Only the invisible post where she writes the encounters with air s lusters Only the imagined hour with which she s made a fragile craft Vivid and charged with an inner light these are poems that linger and expand in the mind and memory **Milk and Filth** Carmen Giménez Smith, 2013-10-10 National Book Critics Circle Award Finalist Adding to the Latina tradition Carmen Gim nez Smith politically aware and feminist oriented focuses on general cultural references rather than a sentimental personal

narrative She speaks of sexual politics and family in a fierce determined tone voracious in its opinions about freedom and responsibility The author engages in mythology and art history musically wooing the reader with texture and voice As she references such disparate cultural figures as filmmaker Lars Von Trier Annie from the film Annie Get Your Gun Nabokov's Lolita Facebook entries and Greek gods they appear as part of the poet's cultural critique Phrases such as the caustic domain of urchins and the gelatin shiver of tea's surface take the poems from lyrical images to comic humor to angry intense commentary On writing about downgrading into human she says Then what Amorality osteoporosis and not even a marble estuary for the ages Gim nez Smith's poetic arsenal includes rapier sharp wordplay mixed with humor at times self deprecating at others an ironic comment on the postmodern world all interwoven with imaginative language of unexpected force and surreal beauty Revealing a long view of gender issues and civil rights the author presents a clever comic perspective Her poems take the reader to unusual places as she uses rhythm images and emotion to reveal the narrator's personality Deftly blending a variety of tones and styles Gim nez Smith's poems offer a daring and evocative look at deep cultural issues *Camino del sol* , Camino Del Sol Georgia Mihalcea,2018-08-22 Tales about a heart falling together
