Anticipation Guide

An Anticipation Guide is a set of questions answered before reading to introduce you to the conflicts and themes you will confront in your reading. In the pre-reading column, agree (A) or disagree (D) with the following statements based on your beliefs and opinions. For statements about which you feel strongly, you may strongly agree (SA) or disagree (SD) with the statement. For statements about which you feel less strongly, you may agree (A) or disagree (D) with the statement. For statements about which you are unsure, you may write "I don't know" or "I'm not sure". This serves to stimulate your thinking as you begin to read the play. After reading the play, you will determine if the play itself supports or refutes the statements. (Page and/or Line numbers) to prove this.
