Normore, Brian D. Fitch, 2012-02-01 Education Based Incarceration and Recidivism The Ultimate Social Justice Crime Fighting Tool takes a penetrating look at the needs and challenges of society s disenfranchised jail populations It is incumbent to encourage public awareness of the causes that underlie the destructive cycles plaguing these populations including the abuse and neglect that cycle through generations When effectively addressed through education the economic burden on society is lightened and an advocacy to increase understanding engenders a humane response When connecting education based incarceration to leadership and social justice several issues come to mind beginning with the universal understanding that definitions of social justice are based on a variety of factors like political orientation religious background

and political and social philosophy An increased body of researchers in educational leadership ethics law sociology corrections law enforcement criminal justice and public health agree that social justice is concerned with equal justice not just in the courts but in all aspects of society Social justice demands that people promote a just society where people have equal rights and opportunities everyone from the poorest person on the margins of society to the wealthiest deserves an even playing field The intended audience for this book includes academics national and international law enforcement agencies and correctional institutions interested in establishing and assessing the effectiveness of an education based incarceration program This book can be used by educators and students interested in studying organizational leadership correctional theory recidivism social and restorative justice and education based incarceration **Document Retrieval Index** ,1972

Sharing Our Stories of Survival Sarah Deer,Bonnie Clairmont,Carrie A. Martell,2008 A general introduction to the social and legal issues involved in acts of violence against Native women this book s contributors are lawyers social workers social scientists writers poets and victims In the U S Native women are more likely than women from any other group to suffer violence from rape and battery to more subtle forms of abuse and Sharing Our Stories of Survival explores the causes and consequences of such behavior The stories and case studies presented here are often painful and raw and the statistics are overwhelmingly grim but a countervailing theme also runs through this extremely informative volume Many of the women who appear in these pages are survivors often strengthened by their travails and the violence examined here is human violence meaning that it can be changed if only with much effort and education The first step is to lay out the truth for all to see and that is the purpose accomplished by this book **Departments of Commerce, Justice, and State, the Judiciary,**
