America Without a Compass Ph. D.,2016-01-22 Americans tried to fix the world and neglected the home front resulting in failure at both ends Ignorance became fashionable and opportunistic polymorphous predators parasites and false prophets took advantage of the situation It is hard to believe how far the nation fell into violent interracial melodramas political mediocrity incivility and confusion There is no agreement on what is good and evil Everything is relative ugly and pretty real and false right and wrong American society suffers from a lack of coherence and consistency and such a heavy burden of illogical non sense that it can no longer handle all the contradictions We are unaware of where we are going **Lowering the Rate of Unemployment for the National Guard and Reserve** United States. contracted the net of social control Drawing upon a long tradition of popular resistance Platt concludes with a strategic vision of what it will take to achieve justice for all in this era of authoritarian disorder Staying in the Fight Jeffrey S. Lantis,2024-08-06 During the chaotic evacuation of the United States from Afghanistan in 2021 a group of Congress members who were also military veterans of the War on Terror leapt into action to assist vulnerable people in Afghanistan who had aided the American war effort This cohort of legislators and their staffs on Capitol Hill created hotlines and worked 24 hour shifts in an intense effort to save lives often coordinating between government agencies informal networks of veterans groups and contacts on the ground in Kabul In the process many veteran lawmakers also became vocal critics of presidential management of the crisis and said they felt a moral obligation to act In Staying in the Fight How War on Terror Veterans in Congress Are Shaping U S Defense Policy author Jeffrey S Lantis shines a spotlight on this cohort of legislators and their unique position in the American government By using exclusive interview data archival sources statistics process tracing and comparative case methodology Lantis illustrates ways that policy interventions and activism by veterans on both sides of the aisle have shaped America s involvement in conflicts from Afghanistan to Ukraine The first study of its kind to focus on this new generation of military veterans and their role in foreign and security policy decision making Staying in the Fight speaks directly to debates in civil military relations veterans studies and research on congressional foreign policy advocacy
