Manual of Peritoneal Dialysis G.A. Coles, 2012-12-06 Peritoneal dialysis PD is in widespread use for the treatment of acute and chronic renal failure A considerable amount of knowledge about the various procedures and problems associated with this form of treatment has accumulated over recent years particularly since the introduction of continuous ambulatory peritoneal dialysis CAPD However to date the information regarding the more technical or practical aspects of PD has been largely scattered in various books and journals There appears to be no straightforward text concerned with these points suitable for recommending to junior doctors or nurses dealing with patients receiving this therapy Though in house training is of considerable value it takes time and I have noticed that on a number of occasions in our own unit technical problems with PD have not been dealt with quickly because of lack of knowledge in the staff on duty There thus appeared to me to be a need for a short book giving firm advice on how to perform the various procedures and how to deal with problems as they arose This manual is an attempt to fulfil that aim Initially it was tried and tested on the renal unit in the Cardiff Royal Infirmary for 3 years Prior to publishing it has been extensively revised and updated

Tarnished Julia Crouch, 2013-03-14 Wow this book was fantastic it gripped me from start to finish Goodreads reviewer Some secrets are better left buried Peg always felt a little blurred a little lacking in definition Her mother died when she was six her father simply disappeared and she was brought up by her grandparents and her obese bedridden aunt But despite all this she never developed the habit of asking questions At least not until she met Loz her straight talking psychotherapeutically literate girlfriend who urges her to confront her demons But as the skeletons come tumbling out of the

family closet and the full horror of the past begins to reveal itself Peg starts to wonder whether her youthful lack of curiosity might not have been a good thing A very good thing indeed Why readers love Tarnished You d be crazy not to read this book an absolutely brilliant writer Daily Mail Will keep you up at night to finish it and the characters will stay with you long after you have turned the last page Goodreads reviewer Truly chilling you won t want to read it alone in the house Sunday Mirror An intense psychological thriller that left me reeling Goodreads reviewer I read this one in double quick time Brilliant storytelling I had my hand over my mouth at one stage trying to stop myself talking out loud on the bus Goodreads reviewer Wow this book was fantastic it gripped me from start to finish I highly recommend it if you like family themed thrillers where you can never work out who to trust Goodreads reviewer Yikes A well written addictive story with a very twisted core It s a powerful book A page turner Goodreads reviewer I stayed up reading this novel until 11 30pm woke again at 4 30am and just had to pick the book back up and finish it It was worth losing sleep for Goodreads reviewer From Axons to Identity:
