Overcoming Zionism Creating A Single Democratic State In Israelpalestine

Kathleen Christison

Overcoming Zionism Creating A Single Democratic State In Israelpalestine:

Overcoming Zionism Joel Kovel,2007-02-28 I think that if persons concerned about the problems of Jews and Zionism could have but one book on the subject on their shelf it should be this one Socialism and Democracy The Zionist movement has had an unprecedented impact on global politics The quest for a Jewish nation state has caused turmoil and despair for the Palestinian people and has redefined what it means to be Jewish Prominent American activist and intellectual Joel Kovel has written a critical exploration of the history of Zionism arguing that a one state solution is the only viable option for peace Kovel recounts the extraordinary genesis of the Zionist movement and the explicit goals of its founders to create a Jewish only state in Palestine He examines how the pursuit of this path has changed the nature of Jewry the fate of the Palestinian people and the relationship between the Western and the Muslim world Kovel s passionate concern for social justice makes him unable to accept the two state solution for Palestine and Israel as a path to peace and incapable of reconciling his Jewish identity with the goals of Zionism

Overcoming Zionism Joel Kovel,2007-02-20 A call to transform Israel into a secular democracy by a leading writer This book is absolutely fundamental for those who reject the unfortunate confusion between Jews Judaism Zionism and the State of Israel a confusion which is the basis for

Overcoming Zionism Joel Kovel,2007-02-20 Israel is an incorrigible human rights offender because by discriminating against Arabs it is guilty of state sponsored racism argues Joel Kovel Like apartheid South Africa the best hope for peace in Israel is to return to the idea of a one state solution where Jews and Palestinians can co exist in a secular democracy Kovel is well known writer on the Middle East conflict This book draws on his detailed knowledge to show that Zionism and democracy are essentially incompatible He offers a thoughtful account of the emotional and psychological aspects of Zionism that helps us understand the relationship between ideology culture and political processes Ultimately Kovel argues a two state solution is essentially hopeless as it concedes too much to the regressive forces of nationalism wherein lie the roots of continued conflict

Jews against Zionism: Voices for justice Ayoub Issa Ayoub Abu Dayyeh,2025-04-13 In this biography of Jewish and Israeli humanists who are engaged in literature history journalism philosophy theology politics economics law education and the natural and applied sciences we tend to believe that they represent a group of 67 people who enjoy a humanist global way of thinking that is not intolerant of religion sect gender race or class but rather advocate of empathy humanity justice fairness compassion self determination human rights and the decent way of life for all We chose the title of the book Voices for Justice because justice transcends peace in that peace may be conditional on circumstances that may not achieve justice

Islam in the Eyes of the West Tareq Y. Ismael,Andrew Rippin,2010-07-02 From the terrorist attacks of September 11 2001 in New York to the Madrid and London bombings of 2004 and 2005 the presence of Muslim communities in the West has generated security issues and major political concern The government the media and the general public have raised questions regarding potential links between Western Muslims radical Islam and terrorism This speculation has given rise to popular

myths concerning the Islamic world and led to a host of illiberal measures such as illegal warranting denial of Habeas Corpus black prisons and extreme torture throughout the democratic world This book challenges the authenticity of these myths and examines the ways in which they have been used to provide an ideological cover for the war on terror and the subsequent Iraq war It argues that they are not only unfounded and hollow but have also served a dangerous purpose namely war mongering and the empowering of the national security state It further considers the origin and transmission of these myths focusing on media government policy and popular discourse

Between Jew and Arab David N. Myers, 2009-03-15 An exploration of the fascinating Jewish thinker Simon Rawidowicz and his provocative views on Arab refugees and the fate of Israel

Women in Israel Doctor Nahla Abdo, 2013-07-04 Women in Israel provides a fresh gendered analysis of citizenship in Israel Working from a framework of Israel as a settler colonial regime this important insightful book presents historical and contemporary comparative approaches to the lives and experiences of Ashkenazi Mizrahi and Palestinian Arab women citizens Nahla Abdo shows that no solution to the problems of the region can be found without changing existing racial and gender boundaries to citizenship

Visualizing the Palestinian Struggle Terri Ginsberg, 2016-10-26 This book offers a much needed focus on Palestine solidarity films supplying a critical theoretical framework whose intellectual thrust is rooted in the challenges facing scholars censored for attempting to rectify and reverse the silencing of a subject matter about which much of the world would remain uninformed without cinematic and televisual mediation Its innovative focus on Palestine solidarity films spans a selected array of works which began to emerge during the 1970s made by directors located outside Palestine Israel who professed support for Palestinian liberation Visualizing the Palestinian Struggle analyzes Palestine solidarity films hailing from countries such as Canada the United Kingdom Egypt Iran Palestine Israel Mexico and the United States Visualizing the Palestinian Struggle is an effort to insist constructively upon a rectification and reversal of the glaring and disproportionate minimization and distortion of discourse critical of Zionism and Israeli policy in the cinematic and televisual public sphere

The Canada-Israel Nexus Eric Walberg, 2017-11-07 The Canada Israel Nexus is a comparative political history of two settler nations their colonial past their relations with the indigenous peoples on whose territories they created and imposed new states and their close linkages to former and current imperial powers The battle for justice in the Middle East involves treachery terrorism exile apostasy and yes conspiracy It is the stuff of legend of which Canada Israel and their relationship is a crucial part The conflict of interests and rights between the colonizer and the colonized is central to this narrative as is the relationship between Jews and the state in history and how that relationship was transformed by the creation of a Jewish state The history of Israel Palestine is like an accelerated version of Canada's dispossession of native peoples though with differing endgames ethnic cleansing vs forced assimilation Canada is Israel's best friend not just in former Conservative prime minister Harper's words or when a youthful Lester Pearson pushed through the plan for a separate Jewish state leading to Israel's creation and his own Nobel Peace prize but in many little known and unexpected

ways On the other hand Canadians have numbered among the few daring questioners of the Holocaust for which they have paid dearly Not least this book examines the central question of the identity of Jews in Canada will they be just that with a primal loyalty to an Israeli homeland or will they become Jewish Canadians even anti Zionist Canadians melting easily into Canadian popular culture itself replete with the influence of Jewish east European Yiddishkeit *Justice on the Cross* Kathleen Christison,2023-03-09 At its heart liberation theology is a modern theology of resistance to the oppression imposed by colonialist and post colonialist systems and even by churches that cooperate with secular centers of power to oppress the poor and disadvantaged It is a grassroots social justice theology a cri de c ur that seeks to give spiritual succor and hope to those living in seemingly hopeless circumstances Palestinians a people whose suffering has largely been forgotten by the world since Israel s establishment and who are most often stereotyped as extremists and enemies of Israel with no legitimate claim to their own homeland are among the world s most marginalized populations The small Palestinian Christian community an indigenous population descended from Jesus s first followers has created a liberation theology for the Palestinian context that reaches out to its own Christian faithful and their Muslim compatriots This is a nonviolent political theological resistance that follows Jesus s teaching that God is present with all God s children and heeds Jesus s gospel injunctions to comfort the suffering and let the oppressed go free For Palestinians their very survival in the land is resistance to Israel s efforts to remove them and liberation theology sustains their resistance Jesus was the first liberation theologian

The Zionist Illusion Haim Ben-Asher,2010-07-03 This internal critique of Zionism challenges three notions that the Jews are a nation that exile is the main cause of their past suffering and that Jewish history is made solely in Israel Zionism is an illusion because it has failed to normalize the Jewish condition In particular it has not eliminated anti Semitism but rather cultivates it in order to keep Jews within the fold Once independent the State of Israel emptied the Middle East and North Africa of their Jewish populations and prevented large numbers of Soviet Jews from settling in North America or anywhere else but Israel Now the target is France but French Jews though massively Zionist are reluctant to emigrate Israel it seems cannot thrive and prosper without draining the Diaspora of its finances its youth indeed its very identity Israeli control of Jerusalem has not brought the Messianic age any closer Rabbis used to worry that the Holocaust could mean that God abrogated His covenant with the Jews Israel s victory in 1967 convinced them that the covenant still holds The Holocaust has however encouraged Jewish paganism as Jews adulate power and define themselves purely as an ethnic group Hitlerjuden The State of Israel claims to be the culmination of Jewish history but its leaders insist that we are still in the rut of 1938 The State of Israel is perfectly capable of defending itself and has no need of solidarity rallies in the Diaspora Zionism allows the Jewish establishment to retain power but reduces the Diaspora to a subordinate role Yet Judaism was born and developed in exile If Jews divest themselves of their siege mentality Judaism can become a university for adults without examinations or tuition fees open to all **Sociology and Empire** George Steinmetz,2013-06-19 The contributors to this comprehensive

anthology critique sociology's disciplinary engagement with colonialism in varied settings while also highlighting the field's significant contributions to the theory and history of imperialism Bombardier Abroad David P.

Thomas, 2018-10-10T00:00:00Z In Bombardier Abroad Thomas examines several cases of the Canadian aerospace giant's work in the high speed rail sector in South Africa China Tibet and Israel Palestine and argues that these projects are deepening existing social and political tensions By participating in these infrastructure projects Thomas argues Bombardier is both inserting itself into highly contested social and political climates and profiting from actions that further exacerbate existing conditions of dispossession and inequality Thomas also examines the various ways in which the Canadian state supports the work of Bombardier in these countries Centred around a theoretical framework that combines concepts of dispossession political economy and important interventions from the field of settler colonial studies Bombardier Abroad is a critical look at the problematic practices of a Canadian corporation and the ways in which the Canadian state is culpable

Israeli Statecraft Yehezkel Dror, 2011-05-10 This book provides a comprehensive study of Israeli statecraft using an interdisciplinary framework to enable an in depth understanding of its characteristics challenges and responses **Politics and Resentment** Lars Rensmann, Julius H. Schoeps, 2010-10-29 Democratic polities continue to be faced with politics of resentment Along with resurgent counter cosmopolitanism and anti immigrant prejudice various political agents have mobilized old and modernized antisemitism in European democracies The first comparative study of its kind this book rigorously examines the contemporary relevance of antisemitism and other politicized resentments in the context of the European Union and beyond Presenting new approaches and state of the art research by leading authorities in the field the volume combines comparative work and political theorizing with ten single country studies using qualitative and quantitative data from Eastern and Western Europe The result is a new and sober set of arguments and findings demonstrating that antisemitism and counter cosmopolitan resentment are still all too present human rights challenges in today's cosmopolitan Europe After Israel Marcelo Svirsky, 2014-05-08 In this unique new contribution Marcelo Svirsky asserts that no political solution currently on offer can provide the cultural marrow necessary to effect a transformation of modes of being and ways of life in the State of Israel Controversially Svirsky argues that the Zionist political project cannot be fixed it is one that negatively affects the lives of its beneficiaries as well as of its victims Instead the book aims to generate a reflective attitude allowing Jewish Israelis to explore how they may divest themselves of Zionist identities by engaging with dissident

rationalities practices and institutions Ultimately the production of military hardware and technology that helps Israel control the lives of Palestinians of separate policies laws and spaces for Jews and Palestinians are all linked with the production of Zionist subjectivities and modes of being Overcoming these modes of being is to after Israel *New Directions in the Sociology of Human Rights* Patricia Hynes, Michele Lamb, Damien Short, Matthew Waites, 2016-03-23 *New Directions in the Sociology of Human Rights* is a contribution to both sociology and to human rights research particularly where these are

directed towards challenging power relations and inequalities in contemporary societies It expands and develops the sociology of human rights as a sub field of sociology and interdisciplinary human rights scholarship The volume suggests new directions for the use of social and sociological theories in the analysis of issues such as torture and genocide and addresses a number of themes which have not previously been a sustained focus in the sociology of human rights literature These range from climate change and the human rights of soldiers to corporate social responsibility and children s rights in relation to residential care The collection is thus multi dimensional examining a range of specific empirical contexts and also considering relationships between sociological analysis and human rights scholarship and activism Hence in a variety of ways it points the way for future analyses and also for human rights activism and practices It is intended to widen our field of vision in the sociology of human rights and to spark both new ideas and new forms of political engagement This book was published as a special issue of The International Journal of Human Rights

Are Racists Crazy? Sander L. Gilman, James Thomas, 2018-09-04 The connection and science behind race racism and mental illness In 2012 an interdisciplinary team of scientists at the University of Oxford reported that based on their clinical experiment the beta blocker drug Propranolol could reduce implicit racial bias among its users Shortly after the experiment an article in Time Magazine cited the study posing the question Is racism becoming a mental illness In *Are Racists Crazy* Sander Gilman and James Thomas trace the idea of race and racism as psychopathological categories from mid 19th century Europe to contemporary America up to the aforementioned clinical experiment at the University of Oxford and ask a slightly different question than that posed by Time How did racism become a mental illness Using historical archival and content analysis the authors provide a rich account of how the 19th century Sciences of Man including anthropology medicine and biology used race as a means of defining psychopathology and how assertions about race and madness became embedded within disciplines that deal with mental health and illness An illuminating and riveting history of the discourse on racism antisemitism and psychopathology *Are Racists Crazy* connects past and present claims about race and racism showing the dangerous implications of this specious line of thought for today

Gaza in Crisis Noam Chomsky, Ilan Pappé, 2013-11-25 This succinct and eye opening collection of recent interviews and essays presents sober and unflinching analysis of Gaza s humanitarian crisis Publishers Weekly While numerous books address Israel Palestine conflict *Gaza in Crisis* brings together two renowned thinkers American activist Noam Chomsky and Israeli historian Ilan Papp to examine why this conflict has lasted so long who can stop it and how Israel s Operation Cast Lead a 2008 military assault on the Gaza Strip thrust the region to the center of the discussion With expert knowledge and deep insight Chomsky and Papp survey the fallout from Israel s conduct in Gaza and place it in historical context This revised and expanded edition includes a new essay by Papp called *The Ten Mythologies of Israel* originally written for the New York session of the Russell Tribunal on Palestine Also included is Chomsky s incisive essay *Exterminate All the Brutes* Gaza 2009 and a dialogue between the two writers on *The Ghettoization of Palestine* *The Arab*

Nationalist Advisor Joseph A. Kéchichian, 2022-11-01 Shaykh Yusuf Yassin 1892-1962 marked the contemporary history of the Kingdom of Saudi Arabia in his capacity as a favorite advisor who was the founder monarchs confidential secretary relentless envoy and chief foreign policy consultant Born in Latakiyyah Syria Yassin earned the confidence of King Abdul Aziz bin Abdul Rahman Al Saud and moved to Riyadh even before the Third Saudi Kingdom was inaugurated in 1932 After obtaining citizenship he participated in critical decisions reached by the ruler as regional and international actors honed in on the wealth of the Arabian Peninsula Over the course of several decades Yusuf Yassin met with and negotiated on behalf of three monarchs Abdul Aziz and his two successors Saud and Faysal with Arab and global leaders He was present at the creation of the country and suggested that al Saudiyyah be added to its very name Al Mamlakah al Arabiyyah al Saudiyyah which reflected his personality and political outlook as an Arab nationalist who cherished the founder Joseph Kechichian has written the first political biography of the statesman based on original documents the Yassin Papers as well as Western diplomatic correspondence Kechichian provides insights into the Nationalist Al Saud Advisor who left his mark on Saudi Arabia The volume provides essential background on a man who rose from humble origins in Syria to espouse Arabian values and walks the reader through nearly five decades of Arab history including the repercussions of the infamous 1916 Sykes-Picot Agreement the creation of the League of Arab States and various Arab crises These events experienced and engaged with by Shaykh Yusuf Yassin at the highest political and diplomatic levels set the stage that empowered Saudi Arabia along with other Arab States with the wherewithal to succeed for their respective peoples

Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Overcoming Zionism Creating A Single Democratic State In Israelpalestine full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Overcoming Zionism Creating A Single Democratic State In Israelpalestine eBooks, including some popular titles.

FAQs About Overcoming Zionism Creating A Single Democratic State In Israelpalestine Books

What is a Overcoming Zionism Creating A Single Democratic State In Israelpalestine PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Overcoming Zionism Creating A Single Democratic State In Israelpalestine PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Overcoming Zionism Creating A Single Democratic State In Israelpalestine PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Overcoming Zionism Creating A Single Democratic State In Israelpalestine PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Overcoming Zionism Creating A Single Democratic State In Israelpalestine PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. **How do I compress a PDF file?** You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by

their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
