treasure trove for fans of James works and students of American literature alike Henry James's keen insights into human nature and society make this collection a must read for anyone interested in the complexities of the human experience and the art of storytelling

A London Life, and Other Tales Henry James, 2019-11-22 In *A London Life and Other Tales* Henry James delves into the complexities of human relationships and the intricate social fabrics of late 19th century London. The collection features rich nuanced prose that exemplifies James's mastery of psychological realism depicting characters caught between desire and societal expectations. Each tale is carefully constructed revealing the subtleties of middle class life and the moral dilemmas that arise within it. The stories reflect the transitional period of Victorian England intricately interweaving themes of expatriation and identity that resonate with audiences of his time and beyond. Henry James an American expatriate who spent a significant portion of his life in Europe was deeply influenced by his experiences as an observer of cultural intersections. His unique perspective as a transatlantic writer informed his exploration of British societal norms and the nuances of personal interactions. *A London Life* is emblematic of his literary evolution during this period highlighting his keen insights into the lives of both the English and American expatriates. This collection is a must read for those intrigued by the interplay of individual psychology and social commentary. James's keen observations and profound understanding of human nature invite readers into a world that is both familiar and foreign making this work an essential addition to the canon of modern literature.

Numbered Discourses Bhikkhu Sujato, SuttaCentral, SuttaCentral has published an entirely new translation of the four Pali Nikayas by Bhikkhu Sujato which is the first complete and consistent English translation of these core texts. This is an ebook version of Bhikkhu Sujato's translation of the *A guttara Nikaya* which can also be read at SuttaCentral website. The *Numbered* or *Numerical Discourses* are usually known as *A guttara Nikaya* in Pali abbreviated AN. However the Pali tradition also knows the form *Ekottara* one up or incremental and this is the form usually found in the northern collections. These collections organize texts in numbered sets from one to eleven. Compared to the other nikayas they are more oriented to the lay community. The *Ekottarik gama* EA in Chinese is a highly unusual text which features a range of variations within itself when it comes even to basic doctrines. It shares considerably less in common with the Pali *A guttara* than the other collections do with their counterparts. In addition there is a partial *Ekottarik gama* in Chinese as well as a variety of individual discourses and fragments in Chinese and Sanskrit. This translation of *A guttara Nikaya* was updated on March 6th 2023.
