# Owasco Lake Ny Postcard History

**Rachel S Tattersall**

## **Owasco Lake Ny Postcard History:**

**Owasco Lake** Paul K. Williams, Charles N. Williams, 2002 On the eastern edge of the famed New York State Finger Lakes is Owasco Lake a name believed to have been derived from Mohawk and Iroquois tribes referring to a crossing Its rich history includes a Native American settlement an early pioneer farming community the site of a Victorian era amusement park important railroad lines and steamers and elaborate summer homes called camps owned by local wealthy industrialists In Owasco Lake the reader will explore the lake's bountiful and beautiful past featured on postcards sent around the world

*Finger Lakes* Charles R. Mitchell, 2008 For more than a century the natural scenic beauty of the Finger Lakes has drawn generations of tourists The vineyards glens and steamers that made the region famous are displayed through the vintage images in this volume These postcards capture the lively and dynamic atmosphere that has kept visitors flocking to the area for years eager to mail a piece of their memories back home

*Skaneateles Lake* Paul K. Williams, Charles N. Williams, 2002 On the eastern edge of the famed New York State Finger Lakes is situated Skaneateles Lake a name believed to have been derived from the Native American Onondaga tribe meaning long lake The lake is in fact just over fifteen miles long with an astonishing depth of three hundred fifty feet and for over a century it was thought to have been one of the purist bodies of water in the world With nearly two hundred images Skaneateles Lake shows early farmland parks sailboat races and well known Victorian places of water recreation and touring for those seeking the health spas and bizarre ornate hydrotherapies popular at the time The lake and village have been enjoyed by many historical figures through time from wealthy New York City summer visitors to presidential families from the Roosevelts to the Clintons

**Levanna** Jack Rossen, 2019-06-14 Levanna was a famous and well visited archaeological site in central New York along the eastern side of Cayuga Lake during the Great Depression It was primarily known for its spectacular animal effigies But were they real or forgeries Jack Rossen takes us on a journey through the 1920s and 1930s the era of an outdoor museum and professional attempts by the Society for American Archaeology SAA to suppress it Larger than life characters include Arthur C Parker future President of the SAA William A Ritchie future State Archaeologist of New York and Harrison C Follett the entrepreneurial archaeologist The book also takes us through the 2007 2009 re excavation of Levanna and the related 2011 2014 excavations at the Myers Farm site Along the way Cayuga history is reinterpreted as more peaceful than previously believed and the case is made for a Haudenosaunee Iroquois Confederacy more than one thousand years old An older confederacy is more in line with oral traditions than previous archaeological ideas of a brief confederacy that began either just before or after European contact The work was conducted through the framework of indigenous collaborative archaeology with leaders of the Cayuga and Haudenosaunee Confederacy The narrative approach includes stories of the contemporary people both Native and non Native who protected the site supported the research and provided ideas wisdom inspiration and friendship

**A Life in Dark Places** Paul J. Giannone, 2019-03-19 At its heart A Life in Dark Places is an adventure story its heroes the men and

women who have risked their lives to minister to the vulnerable Paul Giannone writes masterfully about what he has seen and experienced with a keen eye for detail and a leavening of humor The author has found himself a participant in some of the most dramatic and horrific events of the past half century America s defeat in Vietnam and the subsequent boat people crisis the fall of the Shah of Iran the unspeakable acts committed by violent groups in sub Saharan Africa the tension along the Pakistan Afghan border following 9 11 the flood of refugees unleashed by the war in Syria A Life in Dark Places is more than a memoir of one man s journey and evolution It is a wakeup call to America and its citizens Central New York Henry W. Schramm,1987 **Musical America** ,1928 **Forthcoming Books** Rose Arny,2003 **Tour Book** ,2004 *Land Steward* Finger Lakes Land Trust (N.Y.),1989 *Travel* ,1954 Trains ,1976 *Hobbies* ,1944 *A View from the Schoolhouse* Center Street Elementary School (Oneonta, N.Y.). Young Yorkers,Ronald Whalen,1996 **Westport and Weston** William L. Scheffler,1998-10 From the 1890s through the 1920s the postcard was an extraordinarily popular means of communication and many of the postcards produced during this golden age can today be considered works of art Westport Connecticut a tourist mecca with an artistic reputation has been captured on numerous postcards featuring scenes of the New England town s shore its restaurants and inns and its stately homes and gardens The neighboring town of Weston where the beauty of the surroundings is paramount featured captivating nature scenes These images printed as postcards and sold in general stores across the country survive as telling reminders of an important era in America s history This fascinating new history of Westport and Weston Connecticut showcases more than two hundred of the best vintage postcards dating from the late 1800s to the 1950s Greetings from Hoboken Hoboken Historical Museum,2008 *American Holiday Postcards, 1905-1915* Daniel Gifford,2013-09-05 In the early 20th century postcards were one of the most important and popular expressions of holiday sentiment in American culture Millions of such postcards circulated among networks of community and kin as part of a larger American postcard craze However their uses and meanings were far from universal This book argues that holiday postcards circulated primarily among rural and small town Northern white women with Anglo Saxon and Germanic heritages Through analysis of a broad range of sources Daniel Gifford recreates the history of postcards to account for these specific audiences and reconsiders the postcard phenomenon as an image based conversation among exclusive groups of Americans A variety of narratives are thus revealed the debates generated by the Country Life Movement the empowering manifestations of the New Woman the civic privileges of whiteness and the role of emerging technologies From Santa Claus to Easter bunnies flag waving turkeys to gun toting cupids holiday postcards at first seem to be amusing expressions of a halcyon past Yet with knowledge of audience and historical conflicts this book demonstrates how the postcard images reveal deep divides at the height of the Progressive Era *Postcard History, Johnson Creek* ,2016 Vintage Postcards of New York Silvia Lucchini,Stefano Lucchini,2016-09-13 A delightful collection of vintage and antique postcards of New York This book presents a rare collection of more than 100 of the best vintage New York City postcards

providing a snapshot of how much the Big Apple has changed and how much has remained recognizably the same During the early years of the twentieth century postcard photographers traveled the length and breadth of Manhattan snapping images and documenting landmarks and important new architectural masterpieces such as the Singer Building 1908 the Metropolitan Life Insurance Company Tower 1909 and the Woolworth Building 1913 each of which succeeded the other as the world's tallest building at the time of their respective completion Also celebrated were the engineering feats of the Brooklyn Bridge and the elevated trains and early subway as well as popular amusements such as the original Madison Square Garden and the Hippodrome which occupied an entire city block at Longacre Square since renamed Times Square Scenic views of the city from a distance were equally popular and in fact led to the coining of the word skyline in 1896 This charming keepsake volume is the perfect souvenir for architecture and history buffs and makes a wonderful gift

**Postcard History Series** Albert Doane, Bill Jackson, Paula Shorf, Bruce Waterhouse, Matthew Weisman, 2014 When Willis A Leiter established his photography studio in Lorain in 1901 he found a thriving community on the shore of Lake Erie He captured the spirit of the times through his photographs of ship launchings steel production community events and charming views of people and places The Leiter Studio known for its quality portraiture embraced the golden age of postcards 1905 1915 and published thousands of real photo postcards of Lorain and the surrounding areas Many of these postcards survive today and they provide a unique retrospective view of Lorain during a simpler era
