- (E) The Hydraulic Cylinder Mounting Bracket was changed back to a clevis type bracket - 1000790, beginning with #1750000.

DISCUSSION—The observed association between non-occupational activities, although often viewed as leisure time, and mental health outcomes. Mental activities like education and training, and physical activities like sports and exercise, played a significant role in the observed association. These activities may be considered as important for mental health.
