Clash of Faiths (the Paladins #2) David Dalglish, 2011-07-25 I have suffered every day since cast off abandoned tortured and I find it all for nothing You worship a lie Too long I accepted you treated you as an equal But you re not You re nothing and at last I see it friend Stripped of his power and branded a renegade by his Order Darius seeks a way to prove his god is not the bloodthirsty deity his fellows have created Meanwhile Jerico takes refuge with a band of rebels as Dark Paladins scour Dezrel seeking to claim his life and the lives of all who would help him As the silent war rages their faith is tested and one will succumb to the promises of a prophet who has lived for centuries CLASH OF FAITHS by David Dalglish Innocents suffer when holy men make war

Knight's Move David Greentree, 2012-06-20 On 25 May 1944 800 men of the 500th SS Parachute Battalion descended on Drvar a town behind enemy lines in north western Bosnia Their aim was to kill or capture Tito the leader of the partisan movement in the region The plan was to land the battalion by glider and parachute in two waves which would be relieved the next day by a ground assault Tito knew an attack was imminent but dismissed the idea of an airborne assault The attempt to eliminate Tito was a colossal failure The elite battalion had been decimated with only 200 men fit for duty the next day Inter agency rivalry between the Abwehr and the SS had meant that intelligence was not shared a problem exacerbated by a failure to exploit HUMINT about Tito s precise location and the adoption of a plan that did not take into account these intelligence limitations

Toil Under the Sun R. Phillip Ritter, 2006-11-15 *Toil Under the Sun* is a powerful novel of an adopted boy s growth into manhood as a U S Marine during the Forgotten War in Korea It is an intricately crafted account of friendship and betrayal fear and courage shame and atonement which in exquisitely written prose explores the hidden rage and abnegation of an adopted child Many of the great themes of literature and of life are woven into this masterful story love honor respect courage guilt fear faith and redemption And most importantly the story is guided throughout by the fundamental belief that our lives have meaning far beyond our daily toil under the sun The author R Phillip Ritter is the son of a Korean War veteran and the father of two beloved sons one of whom served as a U S Marine in Operation Iraqi Freedom This novel draws considerably from the author s personal experiences of growing up with a deeply humble father who seldom spoke of his experiences in Korea and of learning to face the many challenges of parenting two adopted sons The historical allusions to the Marine defense of Fox Hill in North Korea a struggle against overwhelming odds imbues the story with a desperate realism that creates an important backdrop to this insightful exploration of the inner turmoil of an adopted child
