portrait of how family separations have impacted the minds of Latin American deportees in a technology bound 21st century American Abductions opens in a near future United States whose omnipresence of data harvesting and algorithms has enabled the mass incarceration and deportation of Latin Americans regardless of citizenship After their father is abducted by immigration officials before their eyes and deported to Colombia Ada and her sister Eva are left to contend with a United States as all seeing as it is hostile Now adults Ada remains in San Francisco while Eva has joined their father in Colombia tending him in his ailing health When his condition worsens Eva asks Ada to come see them a nearly impossible feat given the United States restrictions on Latin Americans movements Ada terribly alone must come to terms with the violence of American society and the grief of lost community Exploring the role of technology mass society and American expectations on how Latin American deportees should tell their stories the novel delves into the ties memories and lines of code binding communities together Mauro Javier C rdenas has been lauded as one of the most promising Latin American authors and in American Abductions his deconstruction of American society and the surveillance state proves his generation defining acuity and storytelling The book s polyphony of mysticism technology and philosophy calls to mind the perceptive dystopian visions of Philip K Dick and the visionary stylistic fluidity of Samuel Delany The result is a sharp and metaphysical narrative a masterwork examining the place of Latin Americans in a United States that is always changing *Last One Seen* Rebecca Kanner,2025-09-23 There are three people I suspect of killing her and I m one of them A woman fights her own mind and memory to understand how she got here the passenger seat of a car speeding away from a murder scene In this riveting dual timeline psychological thriller perfect for fans of Riley Sager nothing is as it seems Hannah arrived at Washington University in St Louis brimming with hope She was determined to take her mood stabilizer stay out of trouble and make a name for herself while completing her creative writing MFA When she meets Justine an enigmatic wealthy charismatic and successful student in her program she s enchanted And as Justine takes a special interest in her Hannah falls completely under her spell When Hannah s life starts spiraling out of control she isn t sure who to blame Justine for her intense and controlling influence their jealous classmate Amelia or herself As her prescription fails her she strays further and further from the straight and narrow Hannah can t help but reflect on her time in grad school especially when she knows Justine is lying dead somewhere back down the road Justine s ex Eli is driving them away on She knows Justine is gone She knows someone killed Justine And she knows it might ve been her **Palmistry (With Celebrity Palm Examples)** Simona Rich,2021-01-16 ABOUT THE PALMISTRY BOOK I wrote this book from the knowledge I d received as a result of reading numerous old palm reading books I especially liked the ones found in India Also I read palmistry books based on Egyptian and Chaldean knowledge I added my own knowledge to the book too born out of reading the palms of my clients Because I have really lovely people ordering my services they are happy to cooperate with me Therefore because of their willingness to talk about their personal lives I ve made some palmistry discoveries which I share in the book PICTURE RICH FOR EASY UNDERSTANDING This book mixes

old with the new Though it s based on the ancient palmistry system I use celebrity palm examples to illustrate many of the lines and hand shapes I always found it frustrating that though the old palmistry books contain a wealth of information they are often disorganized For example you discover palm illustrations pages after the appropriate lesson is given So I tried to make my book as organized as possible by providing an illustration after each explanation of the new line or mark This book has several hundred illustrations of different palms lines and marks on hands I tried to make the book as easy as possible to understand therefore it contains many drawings **Ruthemisms an American Original** Ruth A.
