### **Mexican Queer Theater Clary Loisel:**

*Out of the Closet Onto the Stage* Clary Loisel, 2012-12-26 This anthology brings together seven contemporary Mexican plays with homosexual themes. The dramatists are interested in the gay and lesbian being exactly as the term says: being someone who is profoundly human. This means a human being who knows how to love and to suffer, who has hopes, who wants to have a family, who needs a job, who hates, who is passionate, who gets scared, who has ideals, and who even lives or dies for them. These plays are easily staged and are now available to independent university-oriented and semi-professional theater groups in the English-speaking world as well as to all other groups or organizations who may not have much financial support but who do have worlds of talent. With this anthology, Dr. Loisel presents a compilation of works that is as thematically rich as it is varied. The result is a collection that challenges monolithic definitions of being, writing, and acting gay in contemporary Mexico. Kathy Fox, Associate Professor, Spanish, St. Ambrose University, collected these plays; they act as a prism, each a facet that offers a bold color in the spectrum that is gay and lesbian life in Mexico City and Mexico. There are dramas of regret and betrayal, of violence and passion, of laughter and heartbreak, and most of all, of love. Michael Downs, Assistant Professor, Creative Writing, Towson University, is the author of *House of Good Hope*. In chronological order, Dr. Loisel has compiled seven clear translations that introduce us to lesbian and gay theater in Mexico, but more importantly, perhaps, to some of the finest Mexican dramatists of the late twentieth and early twenty-first centuries. The interviews with several playwrights cogently identify cultural reference points for the general reader as well as the scholarly community, not to mention stage actors and directors. Robert Stone, Associate Professor, Spanish, Naval Academy, is the author of *Clary Loisel*. Ph.D. obtained his doctorate in Romance Languages and Literatures from the University of Florida. He is currently a Professor of Spanish and Latin American literature at The University of Montana in Missoula.

*Mexican Queer Theater* Clary Loisel, 2015-12-02 This is jointly published by Floricanto and Berkeley Presses. Kudos to Clary Loisel's *Mexican Queer Theater* for advancing the English translation of the early work of gifted playwrights such as Elena Guiochins and Mayho Moreno. Loisel's take on *Connecting People* is so right and hilariously iconoclast. The play reveals Guiochins's early interest in the playful deconstruction of the text and displacement of essential notions of human will. Loisel's translation of this work marshals a great many knowledges as it rightly sutures the delivery of *Connecting People*'s fractured edgy humor and its contestation of time, space, and subjective agency. In contrast to this, Loisel's skillful translation of Mayho Moreno's beautifully seductive but disturbing *Between Sun and Shadow* of a willful young woman and her thirty-something female lover presents the reader with what appears to be an uninterrupted, distracted tension between the two women, which then culminates in a sharp register of sinister dominance by the older over the younger. Thanks to Loisel's translation, the reader realizes the younger will emerge victorious given her expansive imagination and greater capacity for dark eroticism. Adelaida R. Del Castillo, Associate Professor of Chicana and Chicano Studies, San Diego State University. These adeptly translated queer Mexican plays offer an

important contribution to theater queer studies and gender studies Mexican Queer Theater is not only a must read because of its artistic contributions but also because it illuminates the work of traditionally marginalized voices This impressive eclectic collection of plays deals with a broad range of issues including homophobia passion AIDS power and control and iconoclasm Lindsey Churchill Assistant Professor of History University of Central Oklahoma Author of Becoming the Tupamaros Clary Loisel offers a wonderful selection of plays by Mexican writers addressing the personal social and structural challenges people with various sexual identities face This exquisite collection makes available to an English readership the works of these Mexican playwrights pieces that are not readily available in the United States Through the translation of these Mexican artists works Clary Loisel opens new doors to our knowledge and understanding of Mexico allowing us to see the commonality of our human existence and the shape of our love and power relations as we work through our gendered and sexual identities Sarah Hernandez Associate Professor of Sociology New College of Florida

**For the Gay Stage** Drewey Wayne Gunn, 2017-06-02 Previous surveys of the gay theatrical repertoire have concentrated on plays produced on Broadway or in London s West End This comprehensive guide goes well beyond these earlier studies by introducing productions from Off Broadway from regional theaters in the U S and U K and from Ireland Canada Australia New Zealand and South Africa Also included are Puerto Rican Indian and Filipino plays written in English as well as translations from other languages Well over half of the works discussed here appear for the first time in such a study

**Alternative Press Index** ,2004
