Mexicans In The Making Of America

Neil Foley

Mexicans In The Making Of America:

Mexicans in the Making of America Neil Foley, 2014-10-06 America has always been a composite of racially blended peoples never a purely white Anglo Protestant nation The Mexican American historian Neil Foley offers a sweeping view of the evolution of Mexican America from a colonial outpost on Mexico's northern frontier to a twenty first century people integral to the nation they have helped build

Mexico and Mexicans in the Making of the United States John Tutino, 2012-05-15 Mexico and Mexicans have been involved in every aspect of making the United States from colonial times until the present Yet our shared history is a largely untold story eclipsed by headlines about illegal immigration and the drug war Placing Mexicans and Mexico in the center of American history this volume elucidates how economic social and cultural legacies grounded in colonial New Spain shaped both Mexico and the United States as well as how Mexican Americans have constructively participated in North American ways of production politics social relations and cultural understandings Combining historical sociological and cultural perspectives the contributors to this volume explore the following topics the Hispanic foundations of North American capitalism indigenous peoples actions and adaptations to living between Mexico and the United States U S literary constructions of a Mexican other during the U S Mexican War and the Civil War the Mexican cotton trade which helped sustain the Confederacy during the Civil War the transformation of the Arizona borderlands from a multiethnic Mexican frontier into an industrializing place of whites and Mexicans the early twentieth century roles of indigenous Mexicans in organizing to demand rights for all workers the rise of Mexican Americans to claim middle class lives during and after World War II and the persistence of a Mexican tradition of racial ethnic mixing mestizaje as an alternative to the racial polarities so long at the center of American life

Making Americans Desmond S. King, 2002-06-15 In the nineteenth century virtually anyone could get into the United States But by the 1920s U S immigration policy had become a finely filtered regime of selection Desmond King looks at this dramatic shift and the debates behind it for what they reveal about the construction of an American identity Specifically the debates in the three decades leading up to 1929 were conceived in terms of desirable versus undesirable immigrants This not only cemented judgments about specific European groups but reinforced prevailing biases against groups already present in the United States particularly African Americans whose inferior status and second class citizenship enshrined in Jim Crow laws and embedded in pseudo scientific arguments about racial classifications appear to have been consolidated in these decades Although the values of different groups have always been recognized in the United States King gives the most thorough account yet of how eugenic arguments were used to establish barriers and to favor an Anglo Saxon conception of American identity rejecting claims of other traditions Thus the immigration controversy emerges here as a significant precursor to recent multicultural debates Making Americans shows how the choices made about immigration policy in the 1920s played a fundamental role in shaping democracy and ideas about group rights in America

A Companion to the Gilded Age and Progressive Era Christopher McKnight

Nichols, Nancy C. Unger, 2022-06-15 *A Companion to the Gilded Age and Progressive Era* presents a collection of new historiographic essays covering the years between 1877 and 1920 a period which saw the U S emerge from the ashes of Reconstruction to become a world power The single definitive resource for the latest state of knowledge relating to the history and historiography of the Gilded Age and Progressive Era Features contributions by leading scholars in a wide range of relevant specialties Coverage of the period includes geographic social cultural economic political diplomatic ethnic racial gendered religious global and ecological themes and approaches In today s era often referred to as a second Gilded Age this book offers relevant historical analysis of the factors that helped create contemporary society Fills an important chronological gap in period based American history collections

War, Work, and Want Randall Hansen, 2023 In *War Work and Want* Randall Hansen focuses on how the oil shock transformed not just the economy proper and the geopolitics of the Middle East region but also the global circulation of people and capital for decades afterward Hansen asks why against all expectations global migration tripled after 1970 Arguing that the OPEC oil crisis explains everything he shows how war migration and the desire for ever cheaper products made by migrants led to a massive upsurge in global migration after 1973

How Race Is Made in America Natalia Molina, 2014 *How Race Is Made in America* examines Mexican Americans from 1924 when American law drastically reduced immigration into the United States to 1965 when many quotas were abolished to understand how broad themes of race and citizenship are constructed These years shaped the emergence of what Natalia Molina describes as an immigration regime which defined the racial categories that continue to influence perceptions in the United States about Mexican Americans race and ethnicity Molina demonstrates that despite the multiplicity of influences that help shape our concept of race common themes prevail Examining legal political social and cultural sources related to immigration she advances the theory that our understanding of race is socially constructed in relational ways that is in correspondence to other groups Molina introduces and explains her central theory racial scripts which highlights the ways in which the lives of racialized groups are linked across time and space and thereby affect one another *How Race Is Made in America* also shows that these racial scripts are easily adopted and adapted to apply to different racial groups

Mexican Americans Mario T. García, 1989-01-01 Profiles people who have emerged from the barrios between 1930 and 1960 to become leaders of the Mexican American community

Men who are Making America Bertie Charles Forbes, 1917

The Chronicles of America Series: Texas and the Mexican war, 1921

Race, Place, and Reform in Mexican Los Angeles Stephanie Lewthwaite, 2022-08-23 Beginning near the end of the nineteenth century a generation of reformers set their sights on the growing Mexican community in Los Angeles Experimenting with a variety of policies on health housing education and labor these reformers settlement workers educationalists Americanizers government officials and employers attempted to transform the Mexican community with a variety of distinct and often competing agendas In *Race Place and Reform in Mexican Los Angeles* Stephanie Lewthwaite presents evidence from a myriad of sources that these varied agendas

of reform consistently supported the creation of racial ethnic and cultural differences across Los Angeles Reformers simultaneously promoted acculturation and racialization creating a landscape of difference that significantly shaped the place and status of Mexican immigrants and Mexican Americans from the Progressive era through the New Deal The book journeys across the urban suburban and rural spaces of Greater Los Angeles as it moves through time and examines the rural urban migration of Mexicans on both a local and a transnational scale Part 1 traverses the world of Progressive reform in urban Los Angeles exploring the link between the region s territorial and industrial expansion early campaigns for social and housing reform and the emergence of a first generation Mexican immigrant population Part 2 documents the shift from official Americanization and assimilation toward nativism and exclusion Here Lewthwaite examines competing cultures of reform and the challenges to assimilation from Mexican nationalists and American nativists Part 3 analyzes reform during the New Deal which spawned the active resistance of second generation Mexican Americans Race Place and Reform in Mexican Los Angeles achieves a full broad and nuanced account of the various and often contradictory efforts to reform the Mexican population of Los Angeles With a transnational approach grounded in historical context this book will appeal to students of history cultural studies and literary studies *The Lynching of Mexicans in the Texas Borderlands* Nicholas Villanueva, 2017-06-15 This book argues that ethnic and racial tension brought on by the fighting in the borderland made Anglo Texans feel justified in their violent actions against Mexicans *Mexican Americans in Texas History* Emilio Zamora (ed), Cynthia Orozco, Rodolfo Rocha, 2000 Old roads new horizons Texas history and the new world order David Montejano Occupied Texas Bexar and Goliad 1835 1836 Paul D Lack Mexicanos in Texas during the Civil War Miguel Gonzalez Quiroga Uni **Missionary Voice** , 1917 *Latinos in the American Political System* Jessica L. Lavariega Monforti, 2019-03-14 This encyclopedia provides a comprehensive overview of the evolution of Hispanic Americans engaged in U S politics from increased visibility as governors and other lawmakers at the local state and federal levels to their growing importance as a voting constituency This encyclopedia comprehensively surveys the evolution of Latina o engagement in US politics as voters candidates lawmakers and public officials It is an authoritative resource for public library patrons high school students and undergraduates in a variety of curricular studies including political science civics American history and Latino studies The set s A Z entries were carefully selected and crafted to ensure thorough coverage of all of the individuals organizations cultural forces political issues and legal decisions that have combined to elevate the role of Latinos at the polls on the campaign trail in Washington and in mayors offices city councils school boards and statehouses all across the country In depth essays on the rising prominence of Latino Americans as voters candidates public officials lawmakers and opinion leaders will provide further context for understanding their impact on modern U S political processes and institutions from the perspective of liberals and conservatives alike *Making America, Volume B Brief Edition* Berkin, 1997 *Borderline Americans* Katherine Benton-Cohen, 2011-03-04 Are you an American or are you not This was the question Harry Wheeler

sheriff of Cochise County Arizona used to choose his targets in one of the most remarkable vigilante actions ever carried out on U S soil And this is the question at the heart of Katherine Benton Cohen s provocative history which ties that seemingly remote corner of the country to one of America s central concerns the historical creation of racial boundaries It was in Cochise County that the Earps and Clantons fought Geronimo surrendered and Wheeler led the infamous Bisbee Deportation and it is where private militias patrol for undocumented migrants today These dramatic events animate the rich story of the Arizona borderlands where people of nearly every nationality drawn by free land or by jobs in the copper mines grappled with questions of race and national identity Benton Cohen explores the daily lives and shifting racial boundaries between groups as disparate as Apache resistance fighters Chinese merchants Mexican American homesteaders Midwestern dry farmers Mormon polygamists Serbian miners New York mine managers and Anglo women reformers Racial categories once blurry grew sharper as industrial mining dominated the region Ideas about home family work and wages manhood and womanhood all shaped how people thought about race Mexicans were legally white but were they suitable marriage partners for Americans Why were Italian miners described as living as no white man can By showing the multiple possibilities for racial meanings in America Benton Cohen s insightful and informative work challenges our assumptions about race and national identity

Race and Ethnicity in America Russell M. Lawson, Benjamin A. Lawson, 2019-10-11 Divided into four volumes Race and Ethnicity in America provides a complete overview of the history of racial and ethnic relations in America from pre contact to the present The five hundred years since Europeans made contact with the indigenous peoples of America have been dominated by racial and ethnic tensions During the colonial period from 1500 to 1776 slavery and servitude of whites blacks and Indians formed the foundation for race and ethnic relations After the American Revolution slavery labor inequalities and immigration led to racial and ethnic tensions after the Civil War labor inequalities immigration and the fight for civil rights dominated America s racial and ethnic experience From the 1960s to the present the unfulfilled promise of civil rights for all ethnic and racial groups in America has been the most important sociopolitical issue in America Race and Ethnicity in America tells this story of the fight for equality in America The first volume spans pre contact to the American Revolution the second the American Revolution to the Civil War the third Reconstruction to the Civil Rights Movement and the fourth the Civil Rights Movement to the present All volumes explore the culture society labor war and politics and cultural expressions of racial and ethnic groups

Cooperating with the Colossus Rebecca Herman, 2022 During the Second World War the United States built over two hundred defense installations on sovereign soil in Latin America in the name of cooperation in hemisphere defense Predictably it proved to be a fraught affair Despite widespread acclaim for Pan American unity with the Allied cause defense construction incited local conflicts that belied the wartime rhetoric of fraternity and equality Cooperating with the Colossus reconstructs the history of US basing in World War II Latin America from the elegant chambers of the American foreign ministries to the cantinas courtrooms plazas and brothels

surrounding US defense sites Foregrounding the wartime experiences of Brazil Cuba and Panama the book considers how Latin American leaders and diplomats used basing rights as bargaining chips to advance their nation building agendas with US resources while limiting overreach by the Colossus of the North as best they could Yet conflicts on the ground over labor rights discrimination sex and criminal jurisdiction routinely threatened the peace Steeped in conflict the story of wartime basing certainly departs from the celebratory triumphalism commonly associated with this period in US Latin American relations but this book does not wholly upend the conventional account of wartime cooperation Rather the history of basing distills a central tension that has infused regional affairs since a wave of independence movements first transformed the Americas into a society of nations national sovereignty and international cooperation may seem like harmonious concepts in principle but they are difficult to reconcile in practice Drawing on archival research in five countries Cooperating with the Colossus is a revealing history told at the local national and international levels of how World War II transformed power and politics in the Americas in enduring ways North to Aztlan Arnoldo De Leon, Richard Griswold del Castillo, 2012-06-05 Contemporary observers often quip that the American Southwest has become Mexicanized but this view ignores the history of the region as well as the social reality Mexican people and their culture have been continuously present in the territory for the past four hundred years and Mexican Americans were actors in United States history long before the national media began to focus on them even long before an international border existed between the United States and Mexico North to Aztlan an inclusive readable and affordable survey history explores the Indian roots culture society lifestyles politics and art of Mexican Americans and the contributions of the people to and their influence on American history and the mainstream culture Though cognizant of changing interpretations that divide scholars Drs De Leon and Griswold del Castillo provide a holistic vision of the development of Mexican American society one that attributes great importance to immigration before and after 1900 and the ongoing influence of new arrivals on the evolving identity of Mexican Americans Also showcased is the role of gender in shaping the cultural and political history of La Raza as exemplified by the stories of outstanding Mexicana and Chicana leaders as well as those of largely unsung female heroes among them ranch and business owners and managers labor leaders community activists and artists and writers In short readers will come away from this extensively revised and completely up to date second edition with a new understanding of the lives of a people who currently compose the largest minority in the nation Completely revised re edited and redesigned featuring a great many new photographs and maps North to Aztlan is certain to take its rightful place as the best college level survey text of Americans of Mexican descent on the market today Home Mission Monthly, 1911

Mexicans In The Making Of America Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Mexicans In The Making Of America free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Mexicans In The Making Of America free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Mexicans In The Making Of America free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Mexicans In The Making Of America. In conclusion,

the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Mexicans In The Making Of America any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Mexicans In The Making Of America Books

1. Where can I buy Mexicans In The Making Of America books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
