The Canon EOS Rebel T8i 850D dSLR camera has dozens of features that can help you take beautiful and striking photos. But if you're new to photography, where do you begin? And is it possible to get up to speed quickly without a lot of technical knowledge? Absolutely. In Canon EOS Rebel T8i 850D For Dummies, expert photography educator Julie King draws on her years of experience as she walks you through the ins and outs of photography and your Canon camera. Julie skips the technical jargon and gives you the info you need in plain language, guiding you through everything from shooting your first photos in auto mode to taking full control of your camera's features. In the book, you'll take the fast track to stunning stills with camera setup, picture settings, and Canon's Auto Mode. Customize your picture-taking experience by taking control of settings like exposure and focus. Access and organize your new picture library both on your camera and your computer. Perfect for anyone who's just received a Canon EOS Rebel and doesn't know where to begin, this book will also earn a place in the libraries of more seasoned photographers who want to unlock everything this great camera has to offer.
